*Discourses and Selected Writings* Epictetus, 2008-08-28 Contains The Discourses Fragments Enchiridion I must die But must I die bawling Epictetus a Greek Stoic and freed slave ran a thriving philosophy school in Nicopolis in the early second century AD His animated discussions were celebrated for their rhetorical wizardry and were written down by Arrian his most famous pupil The Discourses argue that happiness lies in learning to perceive exactly what is in our power to change and what is not and in embracing our fate to live in harmony with god and nature In this personal practical guide to the ethics of Stoicism and moral self improvement Epictetus tackles questions of freedom and imprisonment illness and fear family friendship and love Translated and Edited with an Introduction by Robert Dobbin *Discourses and Selected Writings (Kartindo Classics Edition)* Epictetus, 2018-08-06 DESPITE BEING BORN into slavery Greco Roman philosopher Epictetus became one of the most influential thinkers of his time *Discourses and Selected Writings* is a transcribed collection of informal lectures given by the philosopher around AD 108 A gateway into the life and mind of a great intellectual it is also an important example of the usage of Koine or common Greek an ancestor to Standard Modern Greek HOW A MAN ON EVERY OCCASION CAN MAINTAIN HIS PROPER CHARACTER To the rational animal only is the irrational intolerable but that which is rational is tolerable Blows are not naturally intolerable How is that See how the Lacedaemonians endure whipping when they have learned that whipping is consistent with reason To hang yourself is not intolerable When then you have the opinion that it is rational you go and hang yourself In short if we observe we shall find that the animal man is pained by nothing so much as by that which is irrational and on the contrary attracted to nothing so much as to that which is rational For more than 10 years Kartindo Press has been the leading publisher of classic literature in the English speaking world With more than 6500 titles Kartindo Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Kartindo Classics Press Kartindo in Offices London United Kingdom and Indore India For more info please connect at Contact kartindo in

**Leadership, Work, and the Dark Side of Personality** Seth M. Spain, 2019-02-16 *Leadership Work and the Dark Side of Personality* uses an interpersonal psychological perspective to unite general theories of both personality and leadership By focusing in on the interpersonal the book characterizes social behaviors by their agency how dominant they are and by their communion how relational and nurturing they are It argues that these interpersonal dimensions align closely with the traditional structure of leader behaviors both task related and relationship oriented behaviors and uses those frameworks to orient trait theory for both normal range personality traits and subclinical dark side traits After overviewing the history of leadership theory reviewing normal range personality traits Extraversion Neuroticism Conscientiousness Agreeableness and Openness and subclinical traits such as the Dark Triad Narcissism Machiavellianism and Psychopathy the book moves on to

thoroughly bring the perspective of interpersonal psychology to bear on questions of personality and leadership and ends by narrowing in on how the dark side of personality affects the leadership process for better and for worse Discusses the role of personality in job performance and satisfaction Critiques both historical and contemporary leadership approaches Includes lesser known approaches to leadership such as paternalism and empowerment Narrows in on the dark side of personality and the role it plays in the leadership process Distinguishes between effective leaders and successful leaders

**Facing The Dragon: A Guide to Taming Life's Challenges** Robert W. DeHaven, 2025-06-14 When life hits you with challenges that feel too hard to handle you're not broken you're being called to grow Every human life contains dragons those overwhelming challenges that shatter our familiar ways of coping and demand something more from us than we thought we possessed Whether it's a devastating loss a health crisis a relationship breakdown or simply the slow recognition that your current life no longer fits who you're becoming these encounters with difficulty are not random punishments but profound invitations to transformation Drawing from Carl Jung's revolutionary insights into the human psyche and Joseph Campbell's mapping of the hero's journey this groundbreaking guide reveals how to work with your challenges rather than simply fighting against them You'll discover why the ancient wisdom traditions were right the very experiences that threaten to destroy us often guard the treasures we most need for our development What You'll Learn Why your biggest challenges aren't obstacles to overcome but teachers offering exactly the curriculum you need for growth How to distinguish between problems that can be solved and dragons that require fundamental transformation The difference between Western approaches courage and strategic action and Eastern wisdom flow and acceptance and when to use each Practical techniques for shadow work active imagination and conscious engagement with difficult emotions How to recognize projection patterns that turn internal conflicts into external dramas Methods for transforming relationship conflicts into opportunities for deeper intimacy and authenticity Why individual healing and collective transformation are inseparably connected Step by step practices for mindfulness somatic awareness and integration work This book is for you if You're tired of self help approaches that promise to eliminate struggle rather than help you grow through it You want to understand your challenges within larger frameworks of meaning and purpose You're drawn to both psychological insight and spiritual wisdom You sense that your personal transformation serves something larger than just your individual wellbeing You're ready to stop being a victim of your circumstances and become an agent of your own conscious evolution More than just another personal development book Facing the Dragon A Guide to Taming Life's Challenges offers a sophisticated integration of ancient wisdom and modern psychology that recognizes difficulty as an essential ingredient in human development Instead of promising quick fixes or easy answers it provides the frameworks and practices you need to engage consciously with whatever life presents Your dragons are not evidence of your inadequacy they're confirmation that you're ready for the next stage of your development The question isn't whether you'll face overwhelming challenges it's whether you'll meet them with the consciousness and

**A Philosophy of Walking** Frédéric Gros, 2023-07-11 This philosophical ode to finding joy in simple things explores how walking has influenced history's greatest thinkers from Henry David Thoreau and John Muir to Gandhi and Nietzsche It is only ideas gained from walking that have any worth Nietzsche In this French bestseller leading thinker and philosopher Frédéric Gros charts the many different ways we get from A to B the pilgrimage the promenade the protest march the nature ramble and reveals what they say about us Gros draws attention to other thinkers who also saw walking as something central to their practice On his travels he ponders

Thoreau's eager seclusion in Walden Woods the reason Rimbaud walked in a fury while Nerval rambled to cure his melancholy He shows us how Rousseau walked in order to think while Nietzsche wandered the mountainside to write In contrast Kant marched through his hometown every day exactly at the same hour to escape the compulsion of thought Brilliant and erudite A Philosophy of Walking is an entertaining and insightful manifesto for putting one foot in front of the other

**The Wild Longing of the Human Heart** William Cooney, 2015-12-01 The search for happiness has been an enduring quest for us all The greatest minds from history Plato Aristotle Epicurus Rousseau Kant Mill Gandhi Einstein and many others all confirm that happiness is the one thing we all crave after The Wild Longing of the Human Heart is divided into two parts Part one examines the brief history of happiness which has not always meant exactly the same thing to all cultures and individuals and then moves on to summarize the latest information from the areas of brain science as well as the field of positive psychology Part two proposes that it is not happiness in the psycho physiological sense of something like tranquility which is the true goal of human living Rather the true goal of the wild longing is a meaningful life guided by the search for truth beauty and goodness

**Inner Virtue** Nicolas Bersoff Fellow, Philosophy Department Bommarito, 2017-11-01 What does it mean to be a morally good person It can be tempting to think that it is simply a matter of performing certain actions and avoiding others And yet there is much more to moral character than our outward actions We expect a good person to not only behave in certain ways but also to experience the world in certain ways within Pleasure emotion and attention are important parts of our moral character despite being involuntary inner states Inner Virtue defends a theory of why and how such states are relevant to moral character These states say something about what kind of person one is by manifesting our deepest cares and concerns
