Discourses Of Endangerment Ideology And Interest In The Defence Of Languages:

Discourses of Endangerment Alexandre Duchene, Monica Heller, 2008-07-22 *Discourses of Endangerment* examines the various dangers that threaten our use of language in today's society Using case studies that will cover a wide range of languages it is essential reading for students interested in sociolinguistics and language endangerment **The Guidebook to Sociolinguistics** Allan Bell, 2013-09-23 *The Guidebook to Sociolinguistics* presents a comprehensive introduction to the main concepts and terms of sociolinguistics and of the goals methods and findings of sociolinguistic research Introduces readers to the methodology and skills of doing hands on research in this field Features chapter by chapter classic and contemporary case studies exercises and examples to enhance comprehension Offers wide ranging coverage of topics across sociolinguistics It begins with multilingualism and moves on through language choice and variation to style and identity Takes students through the challenges involved in conducting their own research project Written by one of the leading figures in sociolinguistics Compte rendu de « Discourses of Endangerment. Ideology and Interest in the Defence of Languages » (Duchêne, A. & Heller, M. (éds.) 007)) , The Routledge Handbook of Endangered and Minority Languages Weixiao Wei, James Schnell, 2025-02-20 *The Routledge Handbook of Endangered and Minority Languages* addresses the urgent need for comprehensive language documentation and a deeper understanding of language identity emphasizing the preservation of endangered languages This book argues that safeguarding linguistic diversity enriches global cultural heritage and knowledge By meticulously documenting minority languages we not only preserve words and grammar but also the unique cultural narratives they carry The book also introduces new language learning paradigms that recognize the complexities of multilingual societies advocating for educational systems that embrace the diverse linguistic backgrounds of students These approaches aim to create more inclusive and effective learning environments by valuing multilingualism Exploring the fluid nature of language identity the book examines how sociopolitical contexts and technology influence it calling for policies that respect linguistic rights and promote social cohesion It presents case studies from diverse regions including the Pacific Nordic countries Cornwall Pakistan the UAE and more offering practical strategies for language preservation and revitalization Groundbreaking insights into the use of digital tools social media and AI in language preservation along with the challenges and successes of various revitalization efforts make this book a valuable resource for researchers educators and policymakers committed to fostering linguistic diversity and equity worldwide **Choosing a Mother Tongue** Corinne A. Seals, 2019-10-11 This book presents a sociocultural linguistic analysis of discourses of conflict as well as an examination of how linguistic identity is embodied negotiated and realized during a time of war It provides new insights regarding multilingualism among Ukrainians in Ukraine and in the diaspora of New Zealand the US and Canada and sheds light on the impact of the Russian Ukrainian war on language attitudes among Ukrainians around the world Crucially it features an analysis of a new movement in Ukraine that developed during the course of the war changing your mother

tongue which embodies what it is to renegotiate linguistic identity It will be of value to researchers faculty and students in the areas of linguistics Slavic studies history politics anthropology sociology and international affairs as well as those interested in Ukrainian affairs more generally This book is open access under a CC BY NC ND licence **The Routledge Handbook of Language and the Global South/s** Sinfree Makoni, Anna Kaiper-Marquez, Lorato Mokwena, 2022-08-25 This Handbook centers on language s in the Global South s and the many ways in which both language and the Global South are conceptualized theorized practiced and reshaped Drawing on 31 chapters situated in diverse geographical contexts and four additional interviews with leading scholars this text showcases Issues of decolonization Promotion of Southern epistemologies and theories of the Global South s A focus on social applied linguistics An added focus on the academy A nuanced understanding of global language scholarship It is written for emerging and established scholars across the globe as it positions Southern epistemologies language scholarship and decolonial theories into scholarship surrounding multiple themes and global perspectives Rainforest Radio Georgia Ennis, 2025 Rainforest Radio follows Napo Kichwa media producers performers and consumers across a disrupted Amazon rainforest to understand the effects of different methods and media in language reclamation projects The Handbook of Linguistics Mark Aronoff, Janie Rees-Miller, 2017-03-17 The first edition of this Handbook is built on surveys by well known figures from around the world and around the intellectual world reflecting several different theoretical predilections balancing coverage of enduring questions and important recent work Those strengths are now enhanced by adding new chapters and thoroughly revising almost all other chapters partly to reflect ways in which the field has changed in the intervening twenty years in some places radically The result is a magnificent volume that can be used for many purposes David W Lightfoot Georgetown University The Handbook of Linguistics Second Edition is a stupendous achievement Aronoff and Rees Miller have provided overviews of 29 subfields of linguistics each written by one of the leading researchers in that subfield and each impressively crafted in both style and content I know of no finer resource for anyone who would wish to be better informed on recent developments in linguistics Frederick J Newmeyer University of Washington University of British Columbia and Simon Fraser University Linguists their students colleagues family and friends anyone interested in the latest findings from a wide array of linguistic subfields will welcome this second updated and expanded edition of The Handbook of Linguistics Leading scholars provide highly accessible yet substantive introductions to their fields it s an even more valuable resource than its predecessor Sally McConnell Ginnet Cornell University No handbook or text offers a more comprehensive contemporary overview of the field of linguistics in the twenty first century New and thoroughly updated chapters by prominent scholars on each topic and subfield make this a unique landmark publication Walt Wolfram North Carolina State University This second edition of The Handbook of Linguistics provides an updated and timely overview of the field of linguistics The editor s broad definition of the field ensures that the book may be read by those seeking a comprehensive introduction to the subject but with little or no prior

knowledge of the area Building on the popular first edition The Handbook of Linguistics Second Edition features new and revised content reflecting advances within the discipline New chapters expand the already broad coverage of the Handbook to address and take account of key changes within the field in the intervening years It explores psycholinguistics linguistic anthropology and ethnolinguistics sociolinguistic theory language variation and second language pedagogy With contributions from a global team of leading linguists this comprehensive and accessible volume is the ideal resource for those engaged in study and work within the dynamic field of linguistics

Heritage Language Policies around the World Corinne A. Seals, Sheena Shah, 2017-09-18 Heritage language policies define the context in which heritage languages are maintained or abandoned by communities and this volume describes and analyzes international policy strategies as well as the implications for the actual heritage language speakers This volume brings together heritage language policy case studies from around the world foregrounding globalization by covering five regions the Americas Europe Africa Asia and Australasia The countries profiled include the United States Canada Argentina Norway Sweden Ireland Uganda Namibia Morocco Japan South Korea Singapore New Zealand Australia and Fiji This volume also highlights an expanded definition of heritage language choosing to focus on individual and community identities and therefore including both Indigenous and immigrant languages Focusing specifically on language policy relating to heritage languages the chapters address key questions such as Are heritage languages included or excluded from the national language policy discourse What are the successes and shortcomings of efforts to establish heritage language policies What is the definition of heritage language in official usage by the local regional government and stakeholders How are these language policies perceived by the actual heritage language communities

English in Business and Commerce Tamah Sherman, Jiri Nekvapil, 2018-05-07 This volume fills an important gap in exploring English in the domains of business and commerce through the prism of sociolinguistics and the sociology of language as opposed to analyzing business genres or taking a linguodidactic approach It expands the regional coverage of English in Europe with several studies based in Central Europe and also considers contexts which interact with Europe even though they are physically outside of it Asia Africa It addresses English as just one of several languages at play in the ecology of the countries It focuses not only on the position of languages as declared in documents of various organizations that is language policy but also everyday linguistic practices as observed in business contexts that is interactions The studies are divided into three thematic areas ideologies and discourses on English in the business sphere the management of English in business and organizational contexts and English and other languages on local and international labor markets It will be of interest to readers concerned with multilingualism in the economic sphere and the workplace and the interplay between macro and micro levels during the management of communication in organizations

The Status of English in Bosnia and Herzegovina Louisa Buckingham, 2016-07-18 When Yugoslavia disintegrated in the early 1990s competence in English was not widespread This book explores how English came to be equated with economic survival for many during and after

the ensuing war through a range of diverse social and professional contexts from the classroom to the military to the International Criminal Court While English provided social mobility for many its abrupt arrival also contributed to the marginalization of those without the adequate language skills The high level of international intervention in Bosnia and Herzegovina over the last two decades has contributed to a sense of normalization of the presence of English Viewed as a far more complex issue than simple linguistic imposition this book explores the widespread adoption of English and its effects on a nation recovering from war Language and Canadian Media Rachelle Vessey,2016-04-30 Language Ideologies and Canadian Media explores how French and English Canadian media discuss languages and language issues which language ideologies predominate in English and French and whether language ideologies in traditional news media are transferred to new and social media Using corpus linguistics and discourse analysis and a variety of different datasets ranging from print newspapers to online news commentary and Twitter the author argues that language ideologies in Canadian media have a bearing not only on the extent to which Canadian language policies are adopted but also on the very way that Canadians understand themselves and their place in the nation Language and Power Andrea Mayr,2008-10-21 An overview of the field of institutional discourse introducing the key theorists **Public Attitudes Towards Gender-Inclusive Language** Falco Pfalzgraf,2024-09-02 The potential use of gender inclusive language is being discussed controversially in the public sphere Opinions on it have increasingly been voiced by individuals as well as organisations These include state institutions private associations subject specialists such as linguists and private individuals laypeople Views of and attitudes towards the use of gender inclusive language cover a broad spectrum between extreme ends and even subject specialists hold conflicting views Research on gender inclusive language is very much a current trend in linguistics including the so called genderless languages However the focus is mostly on structural issues while sociolinguistic research on attitudes towards the use of gender inclusive language is mostly missing Some scattered work in this area has been published but a more thorough understanding and conceptualisation of attitudes is still needed Furthermore a multilingual comparative perspective is still missing This edited volume will address these shortcomings **Speaking Spanish in the US** Janet M. Fuller,Jennifer Leeman,2020-06-02 This book introduces readers to basic concepts of sociolinguistics with a focus on Spanish in the US The coverage goes beyond linguistics to examine the history and politics of Spanish in the US the relationship of language to Latinx identities and how language ideologies and policies reflect and shape societal views of Spanish and its speakers Accessible to those with no linguistic background this book provides students with a foundation in the study of language and society and the opportunity to relate theoretical concepts to Spanish in the US in a range of contexts including everyday speech contemporary culture media education and policy The book is a substantially revised and expanded 2nd edition of Spanish Speakers in the USA including new chapters on the history of Spanish in the US the demographics of Spanish in the US and language policy and expanded chapters on language ideologies race identity media and education A Spanish

language edition of this book is also available <https://www.multilingualmatters.com/page/detail/K/9781800413931>

Escaping Japan Blai Guarné, Paul Hansen, 2017-10-12 The idea that Japan is a socially homogenous uniform society has been increasingly challenged in recent years This book takes the resulting view further by highlighting how Japan far from singular or monolithic is socially and culturally complex It engages with particular life situations exploring the extent to which personal experiences and lifestyle choices influence this contemporary multifaceted nation state Adopting a theoretically engaged ethnographic approach and considering a range of escapes both physical and metaphorical this book provides a rich picture of the fusions and fissures that comprise Japan and Japaneseness today **Gaelic in Contemporary Scotland** Marsaili MacLeod, 2018-01-09 Examines the politics of female ship in relation to contemporary documentary practices **Language Life in Japan** Patrick Heinrich, Christian Galan, 2010-09-13 Despite its monolingual self image Japan is multilingual and growing more so due to indigenous minority language revitalization and as an effect of migration Besides Japan s autochthonous languages such as the Ainu and Ryukyuan languages there are more than 75 000 immigrant children in the Japanese public education system alone who came to Japan in the 1980s and who speak more than a hundred different languages Added to this growing linguistic diversity the importance of English as the language of international communication in business and science especially is hotly debated This book analyses how this linguistic diversity and indeed recognition of this phenomenon presents a wide range of sociolinguistic challenges and opportunities in fundamental institutions such as schools in cultural patterns and in social behaviours and attitudes This topic is an important one as Japan fights to re establish itself in the new world order and will be of interest to all those who are concerned language change language versus dialect the effect of modern technology on language usage and the way national and social problems are always reflected through the prism of language The Languages of Nation Carol Percy, Mary Catherine Davidson, 2012-07-25 This collection brings together research on linguistic prescriptivism and social identities in specific contemporary and historical contexts of cross cultural contact and awareness Providing multilingual and multidisciplinary perspectives from language studies lexicography literature and cultural studies our contributors relate language norms to frameworks of identity beyond monolingual citizenship nativeness ethnicity politics religion empire Some chapters focus on traditional instruments of prescriptivism language academies in Europe government language planners in southeast Asia dictionaries and grammars from Early Modern and imperial Britain republican America the postcolonial Caribbean and modern Germany Other chapters consider the roles of scholars in prescriptivism as well as the more informal and populist mechanisms of enforcement expressed in newspapers With a thematic introduction articulating links between its breadth of perspectives this accessible book should engage everyone concerned with language norms **Mediatization and Sociolinguistic Change** Jannis Androutsopoulos, 2014-09-04 This is the first volume to focus on the role of media in processes of linguistic change one of the most contested issues in contemporary sociolinguistics Its 17 chapters and five

section commentaries present cutting edge research from variationist and interactional sociolinguistics media linguistics language ideology research and minority language studies The volume advances our understanding of linguistic change in a mediatized world in three ways First it introduces the notions of sociolinguistic change and mediatization to create a broader theoretical framing than the one offered by the media and language change Second it takes the discussion beyond the notions of influence and effect and the binary distinction of media vs community language Third it examines the relation of sociolinguistic change and mediatization and from five complementary viewpoints media influence on linguistic structure media engagement in interaction change in mass and new media language language ideological change and the role of media for minority languages Bringing these strands of sociolinguistic scholarship together this volume examines their shared references and common lines of thinking

Discourses Of Endangerment Ideology And Interest In The Defence Of Languages Book Review: Unveiling the Power of Words

Discourses Of Endangerment Ideology And Interest In The Defence Of Languages Introduction

In the digital age, access to information has become easier than ever before. The ability to download Discourses Of Endangerment Ideology And Interest In The Defence Of Languages has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Discourses Of Endangerment Ideology And Interest In The Defence Of Languages has opened up a world of possibilities. Downloading Discourses Of Endangerment Ideology And Interest In The Defence Of Languages provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Discourses Of Endangerment Ideology And Interest In The Defence Of Languages has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Discourses Of Endangerment Ideology And Interest In The Defence Of Languages. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent

platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Discourses Of Endangerment Ideology And Interest In The Defence Of Languages. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Discourses Of Endangerment Ideology And Interest In The Defence Of Languages, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Discourses Of Endangerment Ideology And Interest In The Defence Of Languages has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
