Depression Edward T. Welch, 2012-02-26 Lost ambition Emotional numbness Fear and withdrawal Fatigue Marks of what is commonly called depression If you are one of the many people suffering from depression there is hope and there is help a way up when you are down Even if you don't feel like doing anything this booklet provides manageable steps for getting started on the Hope for the Depressed Edward T. Welch, 2010-11-30 Depression makes so many things hard Things you used to take for granted a good night's sleep having goals responding to someone's love looking forward to the future Is there any hope and help for those who are struggling with depression Edward T Welch describes the world of the depressed person and gives a biblical perspective on the *When Poets Were Warriors* Casey B. Hough, 2025-03-04 Almost every Christian man wants others to think of them as a man's man a real man Yet most of the time these same men would be hard pressed to provide a clear compelling and biblically rooted definition for what it means to be a man Between the toxic masculinity and gender confusion of our day the Christian church needs to retrieve a balanced vision of what it means to be a man Instead of allowing cultural stereotypes to form our vision of masculinity we need to return to the emotionally complex and paradoxically challenging example of Jesus' own life and teaching As the last Adam the true Son of Abraham Son of David Jesus demonstrates how to live in conformity to God's will as a man as He calls us to follow Him When Poets Were Warriors studies the person and work of Jesus as an example of what it means to be a Christian man Casey knows that Jesus is more than an example of masculinity though he is not less He wants readers to walk away from his book not only with a greater understanding of what it means to be a man but also with a greater love for Jesus Christ After all Jesus provides the greatest example of what it means to be a man while doing what only he could do redeeming others from sin through His life death and resurrection Dust in the Blood Jessica Coblentz, 2022-01-15 Dust in the Blood considers the harrowing realities of life with depression from a Christian theological perspective In conversation with popular Christian theologies of depression that justify why this suffering exists and prescribe how people ought to relate to it Coblentz offers another Christian approach to this condition she reflects on depression as a wilderness experience Weaving first person narratives of depression contemporary theologies of suffering and ancient biblical tales of the wilderness especially the story of Hagar Coblentz argues for and contributes to an expansion of Christian ideas about what depression is how God relates to it and how Christians should understand and respond to depression in turn
