Depression Proof Your Future:

The Georgia of the North Hettie V. Williams, 2024-07-12 The Georgia of the North is a compelling narrative about the little known struggles that African American women and their community faced when they arrived in the Garden State by way of the Great Migration to 1954 as they laid the foundations of the American civil rights movement in the North in the process Hearings United States. Congress. House. Committee on Ways and Means, 1942

Hope in a Jar Kathy Peiss, 2011-11-29 How did powder and paint once scorned as immoral become indispensable to millions of respectable women How did a kitchen physic as homemade cosmetics were once called become a multibillion dollar industry And how did men finally take over that rarest of institutions a woman's business In Hope in a Jar historian Kathy Peiss gives us the first full scale social history of America's beauty culture from the buttermilk and rice powder recommended by Victorian recipe books to the mass produced products of our contemporary consumer age She shows how women far from being pawns and victims used makeup to declare their freedom identity and sexual allure as they flocked to enter public life And she highlights the leading role of white and black women Helena Rubenstein and Annie Turnbo Malone Elizabeth Arden and Madame C J Walker in shaping a unique industry that relied less on advertising than on women's customs of visiting and conversation Replete with the voices and experiences of ordinary women Hope in a Jar is a richly textured account of the ways women created the cosmetics industry and cosmetics created the modern woman *Popular Mechanics*, 1948-12 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle Encyclopedia of African American Business Jessie Smith, 2017-11-27 This two volume set showcases the achievements of African American entrepreneurs and the various businesses that they founded developed or promote as well as the accomplishments of many African American leaders both those whose work is well known and other achievers who have been neglected in history Nearly everyone is familiar with New York City's Wall Street a financial center of the world but much fewer individuals know about the black Wall Streets in Durham and Tulsa where prominent examples of successful African American leaders emerged Encyclopedia of African American Business Updated and Revised Edition tells the fascinating story that is the history of African American business providing readers with an inspiring image of the economic power of black people throughout their existence in the United States It continues the historical account of developments in the African American business community and its leaders describing the period from 18th century America to the present day The book describes current business leaders opens a fuller and deeper insight into the topics chosen and includes numerous statistical tables within the text and in a separate section at the back of the book The encyclopedia is arranged under three broad headings Entry List Topical Entry List and Africa American Business Leaders by Occupation This arrangement introduces readers to the contents of the work and enables them to easily find
