

DESIDERATA

Go Placidly Amid The Noise And Haste.
Remember What Peace There May Be In Silence.

As far as possible without surrender, be on good terms with all persons. Speak your truth quietly & clearly; listen to others, even the dull and the ignorant, they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself to others; you may become vain & bitter, for there will always be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career; however humble, it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let not this blind you to what virtue there is; many persons strive for high ideals. Everywhere life is full of heroism. Be yourself. Especially do not feign affection.

Neither be cynical about Love; for in the face of all aridity and disenchantment, it is as perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe; no less than the trees & stars, you have a right to be here.

Whether or not it is clear to you, the universe is unfolding as it should.

Therefore; be at peace with God, whatever you conceive him to be.

Whatever your labors & aspirations; in the noisy confusion of life,
keep peace with your soul. With all its sham,
drudgery & broken dreams,

it is still a beautiful world.

Be Cheerful. Strive To Be Happy.
