There is a common view that the 1990s have been the best time for the world's poor. The World Bank's *World Development Report 1999* states that the 1990s have been the best time for the world's poor. The report states that the 1990s have been the best time for the world's poor. The report states that the 1990s have been the best time for the world's poor.

There are several reasons why the use of the term "disability" is problematic. First, it is a stigmatizing label that is often used to describe people who are different from the majority. Second, it is a term that is often used to describe people who are unable to perform certain tasks, which is not always true. Third, it is a term that is often used to describe people who are unable to perform certain tasks, which is not always true.
