

The background of the cover is a light blue textured surface. Overlaid on this is a faint, stylized map. A prominent feature is a grid of squares, some of which are highlighted in a golden-yellow color. A curved line, possibly representing a coastline or a map projection boundary, arcs across the upper portion of the grid. The title 'Designed Maps' is printed in a large, elegant, golden-yellow serif font, with 'Designed' on the first line and 'Maps' on the second line. Below the title, the subtitle 'A Sourcebook for GIS Users' is written in a smaller, dark blue sans-serif font.
