Historical Diver, 1997 *In Search of the Castaways - Volume IV Volume 2 of 2 Captain Grant's Children (EasyRead Large Edition)*, **Lions, Locusts, and the Lamb** Michael Kuykendall, 2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped

Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John s structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation
