NIKOLA TESLA, UFOS AND THE EXTRATERRESTRIAL EQUATION

Maximillien De Lafayette, 2013-01-12 Published by Art UFOs Supernatural Magazine Author's website www.maximilliendelafayettebibliography.com Nikola Tesla who was in touch with Maria Orsic knew a lot about the extraterrestrial phenomenon Sava Kosanovic reported that his uncle Nikola Tesla told him about the German Bell UFO and Maria Orsic's Vril and in one of his correspondences with Marshal Tito he explained to the Yugoslavian leader how these machines could work

The personal files of Nikola Tesla seized by the United States government right after his death in 1943 revealed beyond the shadow of doubt that UFOs are real Tesla's anti-gravity flying disk flew successfully There are many planets inhabited by intelligent civilizations A contact with extraterrestrials is possible if we have adequate instruments Some galactic civilizations are in constant confrontation with other civilizations and are part of the aliens' cosmic rapture *How an Anunnaki Ulema created 4 Gooliim entities so they could build an entire town overnight* Maximillien De Lafayette, 2016-12-12

The Gafarim Gooliim are not very well known to the general public and readers of esoteric works Yet they occupied a major place in the ancient mythology and social beliefs of Mesopotamia In fact the Gafarim were feared by the Babylonians and their extraordinary deeds dominated the early Ubaid dynasty mythology and religion However we have learned from the Illuminated Masters Mouwariin that two species of the Gafarim were created by the Anunnaki Ulema to fulfill and complete very precise and astonishing tasks such as building a whole village for the needy and poor people in less than 24 hours or relocating an entire city to another location in a blink of an eye this seems to be a fictional account and a pure fantasy but thousands of people who lived in some parts of the previous Soviet bloc have witnessed these extraordinary events This is their story *Vol. 1.
