**Desert Kings Book 1: Osman** Jennifer Lewis, 2015-01-26 Royal heir Osman Al Kilanjar must choose a bride to claim his throne but he's tired of the gold diggers who flock around him and knows he'll recognize his true mate when he meets her. Film producer Samantha Bechtel has her life mapped out like the shooting script of one of her documentaries but it takes a detour when she breaks down in the desert and is rescued by the commanding and charismatic sheikh. Osman decides to put the local marriage festival she's filming to good use and claim his bride. Sam is shocked by Osman's bold seduction and even more surprised when she finds herself falling under his spell. EXCERPT The scent of his skin filled her nostrils binding them closer together. She wanted to inhale him all the way down to her core and let him fill her up. The roughness of his chin excited her along with his hard jaw and the thick roping muscles of his back. He felt so different from any man she'd ever kissed before more masculine more powerful more demanding and more giving. Passion crackled in his touch and she could hear it in his breath. He was a king or almost king with an entire country at his command and he was totally immersed in kissing her. Samantha Bechtel, mild mannered producer of public television documentaries who didn't have a scrap of makeup on and who had been wearing the same easy care travel attire all day long. His fingers pressed into the flesh of her hips and her body responded with a flare of heat at its core. They'd done nothing but kiss yet already she felt thoroughly ravished. And she wanted more. Ms. Lewis has me mesmerized with her unique storytelling. Hot Hot Hot love scenes, a well-written creative and intriguing story plus inventive vivid characters all on top of seriously sexy romance. All of that is combined into this fantastic series. I didn't want to set it down seriously. I was falling asleep over this book in the early hours of the morning. around her as they had that scary night in the desert when he'd held her close and offered her comfort and so much more. And that mouth! Damn it, but she wanted to kiss him. It wasn't fair of him to stand so close to her, those sensual lips just a few inches away, tantalizing her with the memory of them on her own. Uh, I guess I should get some sleep. Yes. He didn't budge. His eyes had turned ocean blue and gazed right into hers. She couldn't move. Or breathe. How did he have this effect on her? This was exactly why she didn't return his phone calls. Why she knew she needed to stay far, far away from him. It happened so slowly that it didn't quite seem real. There was certainly no conscious thought or intention involved. One moment she was thinking about how she should definitely not kiss Zadir Al Kilanjar, and the next moment she was doing it. Their lips came together like a force of nature that couldn't be stopped, a flash flood or a bolt of lightning striking out of the clear blue sky. Suddenly his arms were around her just as she'd imagined, and her palms pressed into his back. Desire raced through her with alarming force, deepening the kiss and drawing them closer. A tiny groan escaped her mouth, which should have shocked her into stopping, but she was too far gone in the all-enveloping kiss. Zadir's heart beat against her chest as he held her close. His passion was evident in the way he caressed and kissed her like his life depended on it. Desert Kings Book 3: Gibran Jennifer Lewis, 2015-01-26. Widowed queen Aliyah has resigned herself to a life of loneliness until a rough-mannered stranger intrudes on her solitude. A professional warrior and protector, Gibran has kept his distance from the palace he once called home until his royal half-brothers invite him into their midst. By profession and inclination, he keeps his emotions on lockdown, but finds himself falling under Aliyah's quiet spell. Will these two lonely people dare to seize the love they crave? EXCERPT: His dark eyes seemed to stare right past her quiet and unassuming facade and see into the darkest reaches of her soul. Into the cold, lonely places where she hid when her late husband took his pleasure with her. Into the cobwebbed corners where she'd stashed the inconvenient needs and desires that had no place in her life. Then he kissed her again. This time she kissed him back harder. Her arms wrapped around his neck, and she heard Megu's chain drop to the ground, but she didn't care. Gibran's lips welcomed hers, and heat flared between them, lighting a fire that spread to her belly and limbs. Knees shaking, she clung to him, feeling the thick, hard, masculine shape of his arms and back, letting her fingers grope into his thick hair, drawing in the masculine scent of his skin. She kissed him with every ounce of hope and desire that she'd shoved deep down inside her, letting them bubble up in a mad and crazy explosion of passion.
