Case Studies On Diversity And Social Justice Education:

Case Studies on Diversity and Social Justice Education Paul C. Gorski, Seema G. Pothini, 2013-11-07 Case Studies on Diversity and Social Justice Education offers pre and in service educators an opportunity to analyze and reflect upon a variety of realistic case studies related to educational equity and social justice Each case written in an engaging narrative style presents a complex but common classroom scenario in which an inequity or injustice is in play These cases allow educators to practice the process of considering a range of contextual factors checking their own biases and making immediate and longer term decisions about how to create and sustain equitable learning environments for all students The book begins with a seven point process for examining case studies Largely lacking from existing case study collections this framework guides readers through the process of identifying examining reflecting on and taking concrete steps to resolve challenges related to diversity and equity in schools The cases themselves present everyday examples of the ways in which racism sexism homophobia and heterosexism class inequities language bias religious based oppression and other equity and diversity concerns affect students teachers families and other members of our school communities They involve classroom issues that are relevant to all grade levels and all content areas allowing significant flexibility in how and with whom they are used Although organized topically the intersection of these issues are stressed throughout the cases reflecting the multi faceted way they play out in real life All cases conclude with a series of questions to guide discussion and a section of facilitator notes called points for consideration This unique feature provides valuable insight for understanding the complexities of each case
