Castration An Abbreviated History Of Western Manhood:

Castration Gary Taylor, 2002 **The Boswell Thesis** Mathew Kuefler, 2006-03 Brings together 15 leading scholars in both religious and sexuality studies to comment on this book's immense impact the endless debates it generated and the many contributions it has made to our culture This book also debates John Boswell's career including his influence among gay and lesbian Christians **Men & Masculinities** Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men's lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source *Men Masculinities* a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States *Dismemberment in the Medieval and Early Modern English Imaginary* Frederika Elizabeth Bain, 2020-11-23 The medieval and early modern English imaginary encompasses a broad range of negative and positive dismemberments from the castration anxieties of Turk plays to the elite practices of distributive burial This study argues that representations and instances of bodily fragmentation illustrated and performed acts of exclusion and inclusion detaching not only limbs from bodies but individuals from identity groups Within this context it examines questions of legitimate and illegitimate violence showing that such distinctions largely rested upon particular acts assumed symbolic meanings Specific chapters address ways dismemberments manifested gender human versus animal nature religious and ethnic identity and social rank The book concludes by examining the afterlives of body parts including relics and specimens exhibited for entertainment and education contextualized by discussion of the resurrection body and its promise of bodily reintegration Grounded in dramatic works the study also incorporates a variety of genres from midwifery manuals to broadside ballads **The Afterlife of Pope Joan** Craig Rustici, 2010-02-01 Amid the religious tumult of the sixteenth and seventeenth centuries English scholars preachers and dramatists examined debated and refashioned tales concerning Pope Joan a ninth century woman who as legend has it cross dressed her way to the papacy only to have her imposture exposed when she gave birth during a solemn procession The legend concerning a popess had first taken written form in the thirteenth century and for several hundred years was more or less accepted The Reformation however polarized discussions of the legend pitting Catholics who denied the story's veracity against Protestants who suspected a cover up and instantly

cited Joan as evidence of papal depravity In this heated environment writers reimagined Joan variously as a sorceress a hermaphrodite and even a noteworthy author The Afterlife of Pope Joan examines sixteenth and seventeenth century debates concerning the popess s existence uncovering the disputants historiographic methods rules of evidence rhetorical devices and assumptions concerning what is probable and possible for women and transvestites Author Craig Rustici then investigates the cultural significance of a series of notions advanced in those debates the claim that Queen Elizabeth I was a popess in her own right the charge that Joan penned a book of sorcery and the curious hypothesis that the popess was not a disguised woman at all but rather a man who experienced a sort of spontaneous sex change The Afterlife of Pope Joan draws upon the discourses of religion politics natural philosophy and imaginative literature demonstrating how the popess functioned as a powerful rhetorical instrument and revealing anxieties and ambivalences about gender roles that persist even today Craig M Rustici is Associate Professor of English at Hofstra University

Dictionary of Daily Life in Biblical and Post-Biblical Antiquity Edwin M. Yamauchi, Marvin R. Wilson, 2021-10-05 The Dictionary of Daily Life in Biblical Post Biblical Antiquity is a unique reference work that provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 4000 BC to approximately AD 600 Also available as a 4 volume set ISBN 9781619708617 this complete one volume edition covers topics from A Z This dictionary casts light on the culture technology history and politics of the periods of the Hebrew Bible and the New Testament Written and edited by a world class historian and a highly respected biblical scholar with contributions by many others this unique reference work explains details of domestic life technology culture laws and religious practices with extensive bibliographic material for further exploration There are 115 articles ranging from 5 20 pages long Scholars pastors and students and their teachers will find this to be a useful resource for biblical study exegesis and sermon preparation This is not your standard Bible dictionary but one that focuses on aspects of daily life in Bible times addressing interesting and sometimes puzzling topics that are often overlooked in other encyclopedias I highly recommend the Dictionary of Daily Life in Biblical and Post Biblical Antiquity and will be giving it shout outs in my classes in the years to come James K Hoffmeier Professor of Old Testament and Near Eastern Archaeology Trinity Evangelical Divinity School This wonderful resource is much more than a dictionary It is a compendium of substantive essays on numerous facets of daily life in the ancient world I am frequently asked by pastors and students for recommendations on books that illuminate the manners customs and cultural practices of the biblical world Now I have the ideal set of books to recommend Clinton E Arnold Dean and Professor of New Testament Talbot School of Theology Biola University

Writing Race Across the Atlantic World P. Beidler, G. Taylor, 2005-01-14 This collection of original essays explores the origins of contemporary notions of race in the oceanic interculture of the Atlantic world in the early modern period In doing so it breaks down institutional boundaries between American and British literature in this early period as well as between history and literature Individual essays address the ways in which categories of race black brown red and white

African American and Afro Caribbean Spanish and Jewish English and Celtic native American and Northern European creole and mestizo were constructed or adapted by early modern writers The collection brings together a top collection of historians and literary critics specializing in early modern Britain and early America Imagining Socialism Mark A. Allison,2021 Socialism names a form of collective life that has never been fully realized consequently it is best understood as a goal to be imagined So this study argues and thereby uncovers an aesthetic impulse that animates some of the most consequential socialist writing thought and practice of the long nineteenth century Imagining Socialism explores this tradition of radical activism investigating the diverse ways that British socialists from Robert Owen to the mid century Christian Socialists to William Morris marshalled the resources of the aesthetic in their efforts to surmount politics and develop non governmental forms of collective life Their ambitious attempts at social regeneration led some socialists to explore the liberatory possibilities afforded by cooperative labor women s emancipation political violence and the power of the arts themselves Imagining Socialism demonstrates that far from being confined to the socialist revival of the fin de si cle important socialist experiments with the emancipatory potential of the aesthetic in Britain may be found throughout the period it calls the socialist century and may still inspire us today **Sex Offenders** Fabian M. Saleh,John M. Bradford,Dr. John Bradford,Daniel J. Brodsky,2021 In his annual lecture to second year medical students Dr Fred Berlin describes an interview he had early in his career with a man whom he was evaluating following the man s arrest for child sexual abuse Halfway through the interview the arrested man interrupted Dr Berlin s questions and said You know Doctor your society takes a newborn baby boy gathers family and friends takes a knife and without any anesthesia cuts skin off the tip of his penis This is accepted as a religious act I bend over and kiss that same penis and I am arrested as a child sexual abuser Can you explain that to me Berlin 2000 Eunuchs in Antiquity and Beyond Shaun Tougher,2002-12-31 Eunuchism was a subject which both intrigued and embarrassed the ancient world The special virtue attributed to the castrated male at court of undistracted loyalty to his ruler aided the promotion of numerous eunuchs to positions of great power A literary discourse developed reviling and sometimes defending the eminence of these half men Here thirteen new studies from an international cast explore how eunuchs were perceived and also reconstruct the realities of eunuchs lives in Greek Roman Byzantine and Eastern culture **Racism, Misogyny, and the Othello Myth** Celia R. Daileader,2005-08-25 Through readings of texts spanning four centuries and bridging the Atlantic from genres as diverse as English Renaissance drama abolitionist literature gothic horror and contemporary romance Daileader questions why Anglo American culture s most widely read and canonical narratives of inter racial sex feature a black male and a white female and not a black female and a white male This study considers the cultural obsession with stories patterned on Shakespeare s Othello alongside the more historically pertinent if troubling question of white male sexual predation upon black females Daileader terms this phenomenon Othellophilia the fixation on Shakespeare s tragedy of inter racial marriage to the exclusion of other definitions and more optimistic visions of

inter racial tension This original study argues that masculinist racist hegemony used myths about black male sexual rapacity and the danger of racial pollution in order to police white female sexuality and exorcise collective guilt over the sexual slavery of women of color **The Kaleidoscope of Gender** Catherine G. Valentine, Mary Nell Trautner, Joan Z.

Spade, 2019-03-07 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop The Kaleidoscope of Gender Prisms Patterns and Possibilities provides an accessible timely and stimulating overview of the cutting edge literature and theoretical frameworks in sociology and related fields in order to understand the social construction of gender The kaleidoscope metaphor and its three themes prisms patterns and possibilities unify topic areas throughout the book By focusing on the prisms through which gender is shaped the patterns which gender takes and the possibilities for social change the reader gains a deeper understanding of ourselves and our relationships with others both locally and globally Editors Catherine Valentine Mary Nell Trautner and the work of Joan Spade focus on the paradigms and approaches to gender studies that are constantly changing and evolving The Sixth Edition includes incorporation of increased emphasis on global perspectives updated contemporary social movements such as BlackLivesMatter and MeToo and an updated focus on gendered violence Civic and Medical Worlds in Early Modern England E. Decamp, 2016-06-15

Through its rich foray into popular literary culture and medical history this book investigates representations of regular and irregular medical practice in early modern England Focusing on the prolific figures of the barber surgeon and barber surgeon the author explores what it meant to the early modern population for a group of practitioners to be associated with both the trade guilds and an emerging professional medical world The book uncovers the differences and cross pollinations between barbers and surgeons practices which play out across the literature we learn not only about their cultural civic medical and occupational histories but also about how we should interpret patterns in language name choice performance materiality acoustics and semiology in the period The investigations prompt new readings of Shakespeare Jonson Middleton and Beaumont among others And with chapters delving into early modern representations of medical instruments hairiness bloodletting procedures waxy or infected ears wart removals and skeletons readers will find much of the contribution of this book is in its detail which brings its subject to life **Dangerous bodies** Marie Mulvey-Roberts, 2016-01-01

Through an investigation of the body and its oppression by the church the medical profession and the state this book reveals the actual horrors lying beneath fictional horror in settings as diverse as the monastic community slave plantation operating theatre Jewish ghetto and battlefield trench The book provides original readings of canonical Gothic literary and film texts including The Castle of Otranto The Monk Frankenstein Dracula and Nosferatu This collection of fictionalised dangerous bodies is traced back to the effects of the English Reformation Spanish Inquisition French Revolution Caribbean slavery Victorian medical malpractice European anti Semitism and finally warfare ranging from the Crimean up to the Vietnam War The

endangered or dangerous body lies at the centre of the clash between victim and persecutor and has generated tales of terror and narratives of horror which function to either salve purge or dangerously perpetuate such oppositions This ground breaking book will be of interest to academics and students of Gothic studies gender and film studies and especially to readers interested in the relationship between history and literature The Yard of Wit Raymond Stephanson,2004 Raymond Stephanson configures masculinity and its expressions in male creativity historically biographically and in sufficient deep layer detail to persuade the most rigorous of scholars that this work will be a reliable source of enduring worth George Rousseau De Montfort University Appalling Bodies Joseph A. Marchal,2020 The letters of Paul are among the most commonly cited biblical texts in ongoing cultural and religious disputes about gender sexuality and embodiment Appalling Bodies reframes these uses of the letters by reaching past Paul toward other far more fascinating figures that appear before after and within the letters The letters repeat ancient stereotypes about women eunuchs slaves and barbarians in their Roman imperial setting each of these overlapping groups were cast as debased dangerous and complicated Joseph Marchal presents new ways for us to think about these dangers and complications with the help of queer theory Appalling Bodies juxtaposes these ancient figures against recent figures of gender and sexual variation in order to defamiliarize and reorient what can be known about both The connections between the marginalization and stigmatization of these figures troubles the history ethics and politics of biblical interpretation Ultimately Marchal assembles and reintroduces us to Appalling Bodies from then and now and the study of Paul s letters may never be the same *Shakespeare and the First Hamlet* Terri Bourus,2022-06-10 The first edition of Hamlet often called Q1 shorthand for first quarto was published in 1603 in what we might regard as the early modern equivalent of a cheap paperback Yet this early version of Shakespeare s classic tragedy is becoming increasingly canonical not because there is universal agreement about what it is or what it means but because more and more Shakespearians agree that it is worth arguing about The essays in this collected volume explore the ways in which we might approach Q1 s Hamlet from performance to book history from Shakespeare s relationships with his contemporaries to the shape of his whole career **Ornamentalism** Bella Mirabella,2011 Original essays by leading scholars on the significance of accessories in the cultural social and political lives of men and women in the Renaissance Towards an Asian American Biblical Hermeneutics Gale A. Yee,2021-07-28 Asian Americans are the fastest growing racial ethnic population in the United States Especially since the 1990s readings by Asian American biblical scholars have been increasing to meet the particular theological and pastoral concerns of their Christian racial ethnic seminarians clergy and churches Gale A Yee is one of their major interpreters becoming the first Asian American and first woman of color president of the oldest professional guild devoted to the critical study of the Bible the Society of Biblical Literature This book is an anthology of her major ground breaking essays on Asian American theorizing and analysis of the biblical text It is a retrospective of her growth of over almost three decades in wrestling with questions like What is Asian American biblical

hermeneutics and how does one undertake it **Queer Horror Film and Television** Darren Elliott-Smith, 2016-09-30 In recent years the representation of alternative sexuality in the horror film and television has outed itself from the shadows from which it once lurked via the embrace of an outrageously queer horror aesthetic where homosexuality is often unequivocally referenced In this book Darren Elliott Smith departs from the analysis of the monster as a symbol of heterosexual anxiety and fear and moves to focus instead on queer fears and anxieties within gay male subcultures Furthermore he examines the works of significant queer horror film television producers and directors to reveal gay men s anxieties about acceptance and assimilation into Western culture the perpetuation of self loathing and gay shame and further anxieties associations shameful femininity This book focuses mainly on representations of masculinity and gay male spectatorship in queer horror films and television post 2000 In titling this sub genre queer horror Elliott Smith designates horror that is crafted by male directors producers who self identify as gay bi queer or transgendered and whose work features homoerotic or explicitly homosexual narratives with out gay characters In terms of case studies this book considers a variety of genres and forms from video art horror independently distributed exploitation films A Far Cry from Home Rowe Kelly 2012 queer Gothic soap operas Dante s Cove 2005 7 satirical horror comedies such as The Gay Bed and Breakfast of Terror Thompson 2008 low budget slashers Hellbent Etheredge Outzs 2007 and contemporary representations of gay zombies in film and television from the pornographic LA Zombie Bruce LaBruce 2010 to the melodramatic In the Flesh BBC Three 2013 15 Moving from the margins to the mainstream via the application of psychoanalytic theory critical and cultural interpretation interviews with key directors and close readings of classic cult and modern horror this book will be invaluable to students and researchers of gender and sexuality in horror film and television

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Castration An Abbreviated History Of Western Manhood**

In some sort of inundated with screens and the cacophony of quick connection, the profound power and psychological resonance of verbal art frequently diminish into obscurity, eclipsed by the constant barrage of sound and distractions.
