Poole's Casebook on  
**CONTRACT LAW**

Robert Merkin & Séverine Saintier

# Casebook On Contract Law

**Bruce W. Frier, James J. White**

## **Casebook On Contract Law:**

**Casebook on Contract Law** Jill Poole, 2014 Casebook on Contract Law provides students with a comprehensive selection of the cases most likely to be encountered on contract law courses and is specifically designed to meet their needs

**Poole's Casebook on Contract Law** Robert Merkin, Séverine Saintier, 2019 All the cases you need together with the tools to understand them Now updated by Professor Robert Merkin and Dr Séverine Saintier Poole's Casebook on Contract Law takes a uniquely supportive approach to give you the confidence to engage with and analyse judgments Poole's Casebook on Contract Law Robert Merkin QC, Robert M. Merkin, Séverine Saintier, 2021 All the cases you need together with the tools to understand them Poole's Casebook on Contract Law takes a uniquely supportive approach to give students the confidence to engage with and analyse judgments Casebook on Contract Law William Thomas Major, 1990 A Casebook on Contract Andrew Burrows, 2020-06-11 provides everything you want in a case book a stimulating thought provoking and up to date account of contract law It combines both fantastic academic commentary and superbly selected materials making it simply one of the best contract law casebooks Student Law Journal This is the seventh fully updated edition of Professor Burrows Casebook offering law students the ideal way to discover and understand contract law through reading highlights from the leading cases Designed to be used either on its own or to supplement a contract law textbook this book covers the undergraduate contract law course in a series of clearly presented and carefully structured chapters The author provides an expert introduction to each topic and his succinct notes and questions seek to guide students to a proper understanding of the cases The relevant statutes are also set out along with a principled analysis of them In addition to cross references to further discussion in the leading textbooks an innovative feature is the summary of leading academic articles in each chapter The book is designed not to overwhelm students by its length but covers all aspects of the law of contract most commonly found in the undergraduate curriculum **Casebook on Contract Law** Jill Poole, 2014 Casebook on Contract Law provides students with a comprehensive selection of the cases most likely to be encountered on contract law courses and is specifically designed to meet their needs Casebook on Contract Law Jill Poole, 2016 Casebook on Contract Law provides students with a comprehensive selection of the cases most likely to be encountered on contract law courses and is specifically designed to meet their needs **Poole's Casebook on Contract Law** Robert M. Merkin, Séverine Saintier, 2023 **Poole's Casebook on Contract Law** Robert Merkin, Séverine Saintier, 2023 All the cases you need together with the tools to understand them This contract casebook presents all the leading cases supplemented by succinct author commentary and thought provoking questions to deepen understanding Poole's Casebook on Contract Law takes a uniquely supportive approach to give students the confidence to engage with and analyse judgments Digital formats and resources The sixteenth edition is available for students and institutions to purchase in a variety of formats and is supported by online resources The e book offers a mobile experience and convenient access along with functionality tools navigation features and links that

offer extra learning support a href <http://www.oxfordtextbooks.co.uk/ebooks> [www.oxfordtextbooks.co.uk/ebooks](http://www.oxfordtextbooks.co.uk/ebooks) a A selection of online resources accompanies this text including Exercises and guidance on reading cases      **Contracts** John Philip Dawson, William Burnett Harvey, Stanley D. Henderson, Douglas G. Baird, 2013 With the appearance of the Tenth Edition this book enters its sixth decade Throughout its long history this casebook has relied on classic cases to capture the fundamental principles of contract law and this edition reinforces that tradition This new edition preserves and builds upon the book's distinctive character especially its use of canonical cases its sensitivity to the history and evolution of doctrine and its close attention to the legal consequences of breach The newly added cases show how the basic principles of contract law continue to apply across a wide range of transactions As before this edition eschews any distinctive take on the law of contracts and thus allows each teacher using the book a broad range of choice on what to bring in to channel or expand classroom discussion The most visible alteration in this edition is an expanded treatment of the important problem of contract interpretation A significant amount of new material has been added but the length of the book remains about the same This edition both covers recent developments and maintains a manageable length      **Studies in Contract Law - Casebook Plus** Ian Ayres, Gregory Klass, 2016-07-19 The new edition contains many new features including an introductory chapter that provides an overview of the course in the first two weeks The authors created a new annotated outline of the textbook allowing adopters to see the structure of the book They also included improved teaching materials that make it easier for adopters of other casebooks to switch The eighth edition covers new cases on contract issues growing out of the foreclosure crisis plus new cases from the Supreme Courts arbitration jurisprudence The authors added new coverage of unilateral change of terms provisions in consumer contracts as well as new materials covering the Constitutions contract clause in relation to current state pension crisis With CasebookPlus you'll receive a print book lifetime digital access to a downloadable eBook 12 month online access to self assessment quizzes tied to the casebook leading study aids Gilbert Law Dictionary and an outline starter      *The Modern Law of Contracts* Bruce W. Frier, James J. White, 2005 This contracts casebook includes introductions that quickly orient students within unfamiliar territories Cases present both the doctrine applied and in some instances the shortcomings of that doctrine The authors express their disagreement about basic issues so that students can experience the range of possible in modern contract law To save time the authors avoid extensive citation of academic scholarship except as it pertains to the cases being studied Certain traditional subjects such as offer and acceptance and consideration are reduced to the bare minimum where more pivotal subjects such as form contracts and arbitration clauses are considered at length      **Contract Law Casebook** Des Butler, Sharon Christensen, Bill Dixon, Lindy Willmott, 2009 Working with the forthcoming third edition of Contract Law this new casebook will ensure your students have the best access to all the key cases This supplement will be available on its own or packaged with the third edition of Contract Law      **Basic Contract Law - Casebook Plus** Lon Fuller, Melvin Aron Eisenberg, Mark P. Gergen, 2016-07 As a

part of our CasebookPlus offering you ll receive the print book along with lifetime digital access to the eBook Additionally you ll receive 12 month online access to the Learning Library which includes quizzes tied specifically to your book an outline starter and digital access to leading study aids in that subject and the Gilbert Law Dictionary The included study aids are Contracts in a Nutshell Exam Pro on Contracts and Acing Contracts The redemption code will be shipped to you with the book The ninth edition continues the approach of earlier editions in emphasizing rich full bodied versions of the principal cases a functionalist approach to the problems of contract law and analytical notes on such issues as the differences between classical and modern contract law and the role of the limits of cognition in contract law The new edition includes a great number of new principal cases and case notes including extensive coverage of pertinent materials in the new restatement of restitution and up to date materials on rolling contracts      *A Casebook on Contract* Andrew S. Burrows,2016 This new casebook gives a clear comprehensive and up to date account of contract law offering undergraduate law students the ideal way to discover and understand contract law through the reading of highlights from leading cases It covers the entire undergraduate contract law course in a series of clearly presented and carefully structured chapters Professor Andrew Burrows provides an expert introduction to each topic and his succinct notes and questions guide students to a proper understanding of the cases A principled analysis is also given of the relevant statutes In addition to cross references to further discussion in leading textbooks an innovative feature is the summary of leading academic articles in each chapter

**Smith and Thomas** Roger Brownsword,2021 This book uses substantial case extracts combined with authoritative explanation to provide readers with an understanding of the principles of contract law As in previous editions both historical and contemporary cases are discussed to illustrate the key elements of contract law      Contract Law and Legal Methods Daniel Markovits,2012 The book proposes a fundamentally new way of teaching contract law it simultaneously presents a more systematic and coherent elaboration of contract doctrine than other contracts casebooks and develops a more rigorous interdisciplinary approach to thinking about law generally The aim of the book is to present a doctrinally integrated interdisciplinary approach to contract law in a rigorous open and systematic fashion This casebook replaces the conventional approach with an effort to elaborate the doctrinal structure of contract law in an orderly way and at the same time to introduce students in a systematic way to a wide range of methods of legal analysis The materials in the book therefore present a holistic account of contract law in which doctrines from various areas of the law are linked together and the relations among them explained The explanations sound both in traditional doctrinal legal analysis and in ideas taken from economics sociology and philosophy      *Smith & Thomas* John Cyril Smith,Joseph Anthony Charles Thomas,Roger Brownsword,2015 This book uses substantial case extracts combined with authoritative explanation to provide readers with an understanding of the principles of contract law As in previous editions both historical and contemporary cases are discussed to illustrate the key elements of contract law      *Basic Contract Law* Lon Luvois Fuller,Melvin Aron

Eisenberg, Mark P. Gergen, 2013 The ninth edition continues the approach of earlier editions in emphasizing rich full bodied versions of the principal cases This concise version is a stream lined version of the Standard version for a four unit course It omits note materials and cases and a few principal cases that are included in the longer version to under score or elaborate upon the key principles in each unit The new edition includes a great number of new principal cases including extensive coverage of pertinent materials in the new restatement of restitution and up to date materials on rolling contracts

*Problems in Contract Law* Charles L. Knapp, Nathan M. Crystal, Harry G. Prince, 2019-02-01 In *Problems in Contract Law Cases and Materials Ninth Edition* by Charles L Knapp Nathan M Crystal and Harry G Prince a balance of traditional and contemporary cases reflect the development and complexity of contract law Explanatory notes and text place classic and contemporary cases in their larger legal context while questions and problem exercises bridge theory and practice Adaptable for instructors with different teaching techniques this successful book includes various perspectives and contractual settings and offers a highly intelligent contemporary treatment of contract law It can easily be used in teaching by traditional case analysis through problem based instruction or using theoretical inquiry New to the Ninth Edition Seven new cases that reflect advances in or improved statements of contract law Two restored cases *Kirksey v Kirksey* and *Hill v Jones* that provide valuable perspectives on fundamental areas of contract law Eight new problems including seven net additions and one replacement to provide more review options for teachers and students and to add contemporary fact patterns A new two color design featuring interesting photographs illustrating people and places discussed in some of the cases Editing of note and text material to reduce length without affecting coverage Reorganization of text and comment material to focus comments primarily on historical developments allowing professors flexibility in assigning or deleting comments Student accessibility to deleted cases from prior editions through Connected Casebook allowing professors the further flexibility of continuing to easily assign cases for which they have a particular preference Professors and students will benefit from Flexible application for professors with various teaching methodologies traditional problem theoretical and practical A mixture of classic and contemporary cases The authors emphasis on accessibility of the material rejecting a hide the ball approach Review questions at the end of each chapter that are primarily designed for students to perform self assessments of their grasp of the material Answers with explanations are included in an appendix within the book

## Adopting the Track of Appearance: An Emotional Symphony within **Casebook On Contract Law**

In a global taken by displays and the ceaseless chatter of instant interaction, the melodic elegance and mental symphony produced by the prepared word often fade into the backdrop, eclipsed by the relentless sound and disturbances that permeate our lives. Nevertheless, situated within the pages of **Casebook On Contract Law** an enchanting literary treasure full of fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this captivating masterpiece conducts viewers on an emotional journey, well unraveling the hidden songs and profound impact resonating within each carefully crafted phrase. Within the depths of this emotional examination, we will examine the book is central harmonies, analyze its enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
