Security Managing Security in Today s Hotel Nightlife Entertainment and Tourism Environment Second Edition provides  
experience based proven methods for preventing and resolving the challenges faced by today s hospitality security staff and  
leadership The lodging component of a hospitality environment creates challenges to the security professional by its complex  
set of assets and amenities especially when combined with gaming environments Whether the reader is establishing or  
improving a professional proactive proprietary security force or the manager of a boutique hotel the practical methods  
described herein are applicable to everyone Author Darrell Clifton takes the reader through a logical and methodical process  
to first evaluate what risks are inherent to hospitality environments how to assess those risks through threat and  
vulnerability assessments and methods to mitigate eliminate or transfer them The book stresses the importance of prevention  
and investigation into the root causes of incidents as a tool for avoiding future undesirable events This is especially important  
in that each registered guest brings with them their own unique set of circumstances family values problems and social  
issues The security function must operate to protect their individual rights their right to privacy and their desire to enjoy the  
facilities they are patronizing while contributing to the revenue stream This must be balanced with the obligation or duty to  
provide reasonable care from foreseeable harm by the hotel to avoid incidents and litigation Clifton an experienced industry  
veteran clearly establishes and identifies practical reasonable and cost effective ways to accomplish this balancing of guest  
enjoyment with guest protection This new edition includes expanded content on premises liability security force behavioral  
recognition workplace violence active shooter scenarios evacuation planning social media and guest reviews and hotel scams  
Additional coverage on nightclubs and bars has been added including four entirely new chapters on specialized security for  
events and venues crime prevention through environmental design CPTED advances in technology and industry trends for  
the gaming and hospitality sector Ideal for novices and veterans alike Hospitality Security Second Edition is an accessible  
reader friendly reference that enables security directors to evaluate what risks are inherent to hospitality environments to  
analyze those risks through threat and vulnerability assessments and to develop methods to mitigate or eliminate them all  
the while keeping customers and personnel safe and improving the bottom line      Occupational Outlook Handbook Claitor's
