Carpenter,Tim T. Zhang,2025-03-01 In East Asian cultures the arts of poetry calligraphy and painting are traditionally referred to as the Three Perfections This exhibition presents over 160 rare and precious works all created in Japan over the course of nearly a millennium that showcase the power and complexity of the three forms of art Examples include folding screens with poems brushed on sumptuous decorated papers dynamic calligraphy by Zen monks of medieval Kyoto hanging scrolls with paintings and inscriptions alluding to Chinese and Japanese literary classics ceramics used for tea gatherings and much more The majority of the works are among the more than 250 examples of Japanese painting and calligraphy donated or promised to The Met by Mary and Cheney Cowles whose collection is one of the finest and most comprehensive assemblages of Japanese art outside Japan      Bulldozer Francesca Russello Ammon,2016-04-26 Although the decades following World War II stand out as an era of rapid growth and construction in the United States those years were equally significant for large scale destruction In order to clear space for new suburban tract housing an ambitious system of interstate highways and extensive urban renewal development wrecking companies demolished buildings while earthmoving contractors leveled land at an unprecedented pace and scale In this

pioneering history Francesca Russello Ammon explores how postwar America came to equate this destruction with progress The bulldozer functioned as both the means and the metaphor for this work As the machine transformed from a wartime weapon into an instrument of postwar planning it helped realize a landscape altering culture of clearance In the hands of the military planners politicians engineers construction workers and even children s book authors the bulldozer became an American icon Yet social and environmental injustices emerged as clearance projects continued unabated This awareness spurred environmental preservationist and citizen participation efforts that have helped to slow though not entirely stop the momentum of the postwar bulldozer
