French Faux Amis The Combined :

French Faux Amis Saul H. Rosenthal, 2009 Bringing together all the faux amis from three previous books and more in a newly revised and improved edition P 1 of cover *French Keywords and Expressions* Saul H. Rosenthal, 2014-07-09 This combined book of key words and expressions gives you the absolutely essential words you'll need to know to navigate everyday French conversation For example it would be difficult to get through a single day in France without hearing each of the words *truc bise* and *Pardon* at least once Well these words are all here in this book and lots more like *d fense de foutu fichu dr le de en liquide* and *et alors* The use of each is discussed and illustrated with examples After reading this book you'll not only recognize these key words if you hear or read them but you'll also be able to use them correctly yourself This book will be a pleasure for you It's one of those rare finds a book that is both very useful and fun to read **All the French You Use Without Knowing It** Saul H. Rosenthal, 2010 This book isn't anything you have to memorize As Catherine Ostrower who teaches French at Wesleyan and was proofreading the book wrote to the author THIS BOOK IS JUST SO MUCH FUN TO READ It gives you the fascinating stories of English words that came from French often words you would never have dreamt were French like *important relay stereotype surrender stranger similar* and *delicious* It tells you how these words evolved how they arrived in English and how they changed once in English Think of these fascinating stories as a little treat for when you just feel like reading something interesting Books in this Series by Saul H Rosenthal *The Rules for the Gender of French Nouns* 3rd revised edition *Speaking Better French Faux Amis* *Speaking Better French More Faux Amis* *Speaking Better French Still More Faux Amis* *French Faux Amis The Combined Book* *Speaking Better French The Key Words and Expressions* *Speaking Better French More Key Words and Expressions* *French Key Words and Expressions The Combined Book* *All the French You Use Without Knowing It* **French Anglicisms** Saul H. Rosenthal, Saul Rosenthal, 2011-06-27 We are so used to hearing about all the French words that are found in English and about how purist the French are about their language that we don't realize how many English words have migrated into French You'll be astonished by how many English words are used in French French is inundated with them Swamped with them Most are native English words but surprisingly some were originally French words which moved into English long ago evolved a different meaning and then moved back to French with the new meaning as *anglicismes* English words aren't always taken into French with the same spelling and usage as they have in our language For example you'll encounter *le week end* which has gained a hyphen and *le warning* which doesn't mean the warning in a general sense but specifically means the emergency lights or flashers on a car Some words are specific to certain sports like *l uppercut* or *le football* or to other activities such as playing bridge while other words which are general in English have only limited meanings in French An example is *le slice* which only refers to golf and tennis and not to a slice of melon for instance Some words are so well integrated into French that the average Frenchman wouldn't be aware that they are words of English origin At the other extreme are words that that same Frenchman would recognize

immediately as English words even though he uses them without reflection much as we would say ravioli and pizza are Italian words or taco and tamale are Mexican Spanish words All these words will be marked as anglicisme or mot anglais in a French dictionary like Le Petit Robert and the use of some of them would be frowned on in formal speech or writing but many are very widely used in normal casual speech You ll find it a fascinating book READ WHAT PROFESSORS AND INSTRUCTORS OF FRENCH AND OTHERS HAVE WRITTEN ABOUT EARLIER BOOKS IN THIS SERIES I think your books are wonderful You have made a fantastic contribution to the French language profession Prof Judy Baughin Raymond Walters College You have done a real service to learners of French This is important work Prof John Romeiser U of Tenn I have to say your Key Words and Expressions is just the kind of book I would have liked to have had when I was teaching myself French oh so many years ago Prof John Moran Dir Language Programs NYU If you really want to learn spoken French you need this book Key Words You ll need other books as well you ll need audio materials and you ll need live language experience But this book is a necessity reader reviewer amazon com I love the Faux Amis especially the relaxed conversational presentation Prof Norman Shapiro Wesleyan U Your little books are great Prof AG Fralin Washington and Lee U I absolutely love Faux Amis It s so well done Prof Herta Rodina Ohio U I love your books They are easy to navigate and they are extremely useful to non native French speakers Prof John Turvaville U of Tenn Perhaps the most amazing thing about this book Key Words is that it took until 2007 for anyone to think of writing it reader reviewer amazon com The books are excellent Prof Luke Bouvier U of Mass Amherst I ve been perusing Key Words for the past couple of days and it s great fun What a great idea for a book Prof Herta Rodina Ohio U This Key Words is easily one of the best and most important French resources I own and I ve got dozens of them It s amazing absolutely amazing how this book has improved my understanding of spoken French reader reviewer amazon com I wish Rosenthal had written Rules for the Gender of French Nouns twenty years ago when I was a student Stephen Hedge review in The French Review

More French You Use Without Knowing It Saul H. Rosenthal, 2010 If you have read the first book in this series All the French You Use Without Knowing It you already know that this is not a book with useful facts to memorize In fact it s probably not useful at all It s interesting It s fun to read It will stretch your mind and introduce you to things you never imagined Think of reading these fascinating stories just as a pleasure you grant yourself when you just feel like reading something interesting Books in this Series by Saul H Rosenthal The Rules for the Gender of French Nouns 3rd revised edition Speaking Better French Faux Amis Speaking Better French More Faux Amis Speaking Better French Still More Faux Amis French Faux Amis The Combined Book Speaking Better French The Key Words and Expressions Speaking Better French More Key Words and Expressions French Key Words and Expressions The Combined Book All the French You Use Without Knowing It Praise for Rosenthal s Books I think your books are wonderful You have made a fantastic contribution to the French language profession Professor Judy Baughin Raymond Walters College You have done a real service to learners of French This is important work Professor John Romeiser University of Tennessee Knoxville I

Speaking Better French Saul H. Rosenthal,2008-04 It s easy to assume that French words mean the same as English words when they look and sound pretty much the same Unfortunately some of these words may have entirely different meanings They are called false friends or faux amis These faux amis can cause misunderstandings and awkward situations when they mean something entirely different than what you expected Still More Faux Amis will help you avoid these embarrassing situations It s written in conversational language and is easy and fun to read Each faux ami word pair is explained so that you will understand how the French word is used compared to English usage You ll also see examples in sentences and phrases When you ve finished reading this book you will have learned most of these faux amis without ever having had to consciously memorize them simply because they re so interesting
