Friendship, 2005 *Friendship*, 2005 **Teaching that Transforms** Richard R. Melick, Jr., Shera Melick, 2010-05-01 A proposal on how to improve the way the Bible is taught to adult learners that focuses on life transformation and putting faith into action The Attractional Church Billy Hornsby, 2011-02-16 Every church leader and church member want their church to grow The promise of The Attraction Church is that if a church experience is positive the lost absent and unfilled will come and complacent people in the pew will have their faith renewed Author Billy Hornsby says that what keeps most churches from growing are the methods they choose for their outreach efforts The local church must ensure visitors and members alike a good and lasting impression of their experience in church especially the worship service You must get the first impression right Hornsby insists From the website Facebook page Twitter accounts leadership blogs and parking lot to the worship facility and worship service the total church experience must speak to people's emotions and be relational and relevant The Attraction Church is both motivational and practical with guidance on how to accomplish this transformation and also presents case studies of some of the fastest growing and most innovative churches in America Here is a fresh vision for what the church can be *I Trusted the Process* Nicholas A. Meade, 2020-04-12 How does the process of seminary transform Why do you believe what you believe What are some effective methods for preaching How can one be empowered to minister to the masses *I Trusted the Process* is a reflection upon how one's sojourn through seminary answers these questions Join the author on a journey back in time where his experience or process in seminary transformed him and profoundly shifted the way that he thinks and ministers While some cast doubt on the worth of seminary even going to great lengths of labeling it a cemetery the author's works collected in this volume from his time in seminary show how seminary can challenge someone how it challenges someone to the extent that if that someone trusts the process that someone will come out better on the other side *I Trusted the Process* provides models and example work from seminary that readers can use to do their own work of determining what they believe and why Works within this volume also provide examples of biblical exegesis preaching methodologies at work reflections on written works and of holistic ministry and a pattern for articulating one's own Christology among other things Navigating through this book for those unable to attend seminary can serve as its own type of process It also provides insight into the mind of one who seeks to help change the world If one is to believe the glowing words from the foreword and the cover such a mind is worth exploration He can say *I Trusted the Process* Can you Why Nobody Wants to Go to Church Anymore Thom Schultz, Joani Schultz, 2013-10-01 This book will forever change the way you think about church The statistics are clear The American church is in decline People are leaving in astounding numbers with no sign of a turnaround And despite church leaders best efforts to stem the tide more than 80 percent of people are finding something better to do on Sunday mornings Why Is there hope for the future of the church In this groundbreaking new book Thom and Joani Schultz expose the church practices that are driving people away and

thwarting spiritual growth Yet they also reveal what can bring them back the four keys to reaching the unchurched and the dechurched The bad news Your church is probably missing the mark when it comes to the core of Christianity The good news There s hope Lots of it The truth may surprise you but it can also transform your ministry into something truly irresistible
