Antes de que el sol se apague Ernesto Goñi Montero, 2015-05-28 La verdadera batalla entre el bien y el mal no se libraba en aquel prado o en otras guerras sino dentro de cada persona cada día Renesto sobrevive al accidente de coche en el que fallece su familia Después en el despacho de su padre un científico embarcado en una investigación sin precedentes descubre un diario y un sobre con una extraña ecuación matemática en su interior Este hallazgo le arrastra a un viaje extraordinario hacia lugares fantásticos y remotos para encontrar una verdad difícil de asimilar Qui pasar a si todo fuera posible y cualquier cosa que pudieras imaginar se hiciera realidad La respuesta es una singularidad en la que decenas de personajes se ven inevitablemente enredados en un sinnúmero de sucesos inexplicables que les obligan a tomar partido y actuar hasta las últimas consecuencias Por qué danzan los pájaros al amanecer y qué clase de ritual les hace volver a bailar justo antes de que el sol se apague

Cambio climático sin complejos José Luis Barceló Mezquita, 2020-10-27 Existe el cambio climático Hasta qué punto son responsabilidad del Ser Humano las actuales transformaciones ambientales de las que algunos dan testimonio con alarmismo Ha habido otros cambios climáticos en la Historia de la Tierra en las que no había humanos El autor desentraña algunos de los aspectos más polímicos del cambio climático como la razón por la que se critica la política económica e industrial de los países avanzados pero no la de las potencias emergentes como China o India las más contaminantes del planeta o afirmaciones arriesgadas como el mito de la despoblación del ámbito rural un fenómeno global que afecta a países ricos y pobres sin distinción Por qué se ataca la energía nuclear cuando es la fuente más limpias y otras preguntas intentan ser respondidas en este interesante libro que nos ofrece un autor muy vinculado a los movimientos asociativos ecologistas y preservacionistas que apuesta aquí por una revisión crítica y rigurosa a los planteamientos vigentes de la corrección política y médica actuales
