## **From 60 Yards In How To Master Golfs Short Game:**

*From 60 Yards in* Ray Floyd, Larry Dennis, 1989 Golfing legend Raymond Floyd shows readers what to do to master golf's short game from getting out of sandtraps to hitting recovery shots and putting. Line drawings. How to Learn Golf Harry Hurt III, 2010-05-11 Talk to any and all golfers be they Tour professionals or once a month country clubbers and you'll hear that they want to improve their game in some way. But up until now most expert books on golf instruction have focused only on the approach advocated by a particular teaching pro or famous player. The authors usually talk about the golf swing or the putting stroke as if there is only one way to do it their way. With *How to Learn Golf* the first comprehensive guide to contemporary golf instruction Harry Hurt III will help you become a better golfer by identifying what type of player you really are and which of the several leading methods are right for you and your golfing goals. Based on Hurt's sessions with all of America's top ten instructors this book helps you choose between the two main types of golf instruction available: error correction which offers a quick fix for a specific swing flaw and swing development where the focus is on building the swing from top to bottom. Hurt provides illuminating detail on the most effective approaches to improving each aspect of your golf game: putting, the full swing, the short game and the all important mental game. Hurt also includes a biographical listing of the best golf instructors nationwide and where their expertise lies so you can determine who may be best suited to your needs. And if you've never sought an instructor before or you've had problems communicating with yours there are two handy worksheets: eighteen questions you should ask your teaching pro and eighteen questions your pro should ask you. From beginners and high handicappers to scratch players and Tiger Woods wannabes golfers of all skill levels looking to take the next step to improving their games need only look to *How to Learn Golf*. *The Elements of Scoring* Ray Floyd, Raymond Floyd, Fred Couples, 2000-04-27 One of golf's all time greatest players shares his secrets for learning the skill most golfers take for granted: how to play a hole in the fewest strokes possible. **The Complete Idiot's Guide to Improving Your Short Game** John Andrisani, John McLean, 2003-02-05 Great Golf Danny Peary, Allen F.
