**A Conceptual-analytic Study of Classical Indian Philosophy of Morals** Rajendra Prasad,2008 Using reconstructive ideas available in classical Indian original works this book makes a departure in the style of modern writings on Indian moral philosophy It presents Indian ethics in an objective secular and wherever necessary critical manner as a systematic down to earth philosophical account of moral values virtues rights and obligations It thereby refutes the claim that Indian philosophy has no ethics as well as the counter claim that it transcends ethics It demonstrates that moral living proves that the individual his society and the world are really real and not only taken to be real for behavioral purposes as the Advaitins hold the self is amoral being a non agent moksa is not a moral value and the Karmic theory because of involving belief in rebirth does not fuarantee that the doer of an action is also the experiencer of its results contrary to what is commonly held and Indian ethics can sustain itself even if such notions are dropped Rajendra Prasad calls Indian ethics organismic because along with ethical concerns it also covers issues related to professions politics administration sex environment etc Therefore in one format it is theoretical and applied normative and metaethical humanistic and non humanistic etc of course within the limits of the then cognitive enquiry

**Taking the Word to Heart** Robert Campbell Roberts,1993 Christians today are besieged by ideas about personhood what it means to be a whole person a happy person a fulfilled person a healthy person In fact Robert C Roberts says psychology has invaded the Christian church and while modern psychologies offer insights and practices that can be helpfully adapted for Christian use they sometimes contradict and can even displace true Christianity

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
