World's Unrest and Its Remedy James Field Spalding, 1898 *Christ's Object Lessons—Illustrated* Ellen G. White, 1941
Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons
from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His
disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine
truth with common things and incidents as may be found in the experiences of the shepherd the builder the tiller of the soil
the traveler and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God's loving
interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine
wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the
multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I
will utter things which have been kept secret from the foundation of the world Matt 13 34 35 Natural things were the
medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the
written word Leading thus from the natural to the spiritual kingdom Christ's parables are links in the chain of truth that
unites man with God and earth with heaven In this volume the parables are grouped according to their subjects and their
lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to
