From Behind The Couch Reflections On The Spaces Between:

From Behind the Couch Rachel Willoughby Greene, 2015-12-20 We all hide in one way or another From our wardrobe to ideologies the spectrum of ways to hide is vast In doing so we limit our ability to love and live free and authentic lives This book is about discoveries made during the journey out from hiding The reflections and journal questions are intended to help you increase awareness of the ways you hide what you need to come out and how to live once you do **The Space**

Between Sandra Humble Johnson, 1992 Annie Dillard a practitioner of the literary epiphany has become a representative of a neoromantic movement that combines the ecological interest of wilderness literature with the aesthetics of a highly stylized literature This study of the Pulitzer prize winning essayist considers her as wilderness philosopher critic and arch romantic

Reconnecting Culture, Technology and Nature Mike Michael, 2012-10-12 In this exciting new book Mike Michael uses case studies of mundane technologies such as the walking boot the car and the TV remote control to question some of the fundamental dichotomies through which we make sense of the world Drawing on the insights of Bruno Latour Donna Haraway and Michel Serres the author elaborates an innovative methodology through which new hybrid objects of study are creatively constructed tracing the ways in which the cultural the natural and the technological interweave in the production of order and disorder This book critically engages with and draws connections between a wide range of literature including those concerned with the environment consumption and the body *The Space Between Us* Jessica Martinez, 2012-10-16

Santana, 2009-03-12 Deborah Santana is best known for her marriage to music icon Carlos Santana a thirty year bond that

endures to this day But as a girl growing up in San Francisco in the 1960s daughter of a white mother and a black father the legendary blues guitarist Saunders King her life was charged with its own drama long before she married In this beautiful haunting memoir Deborah Santana shares for the first time her early experiences with racial intolerance her romantic involvement with musician Sly Stone and the suffering she endured in that relationship and her adventures in the freewheeling 1960s Yet it is her spiritual awakening that is the core of this story The civil rights movement was the foundation of her growth the Woodstock era the backdrop of her love with Carlos The couple was drawn indelibly together by a search for truth and spirituality but while yearning to be filled with God s light they were pulled dangerously toward a manipulative cult They eventually disengage themselves from the guru and reclaim control of their lives putting their love for each other before the cult s increasingly strenuous demands *Space Between the Stars* is a moving account of self discovery rendered in raw beautiful prose by a woman whose heart has remained pure even in times of despair As Deborah Santana talks frankly about her lifelong fight against racial injustice and her deep seated loyalty to her family ultimately it is the struggle to remain a spiritual and artistic force in her own right in the shadow of one of the world s most revered musicians that shines through as her most indomitable pursuit *Space, Place and Dramatherapy* Eliza Sweeney, 2023-08-11 *Space Place and Dramatherapy International Perspectives* provides radical critical and practical insights into the relevance and significance of space and place in dramatherapy practice Bringing together an international breadth of contributors the chapters of this book reveal extensive reflections on the many spaces in which dramatherapists and their clients work and offer research implications for those wishing to critically examine their own symbolic or structural spaces in dramatherapy practice Chapters consider space and place from many angles ritual and symbolic spaces transitional and play spaces educational and interpersonal spaces and scenographic and architectural spaces The book examines the impact of space on human and more than human relationships dramatherapy practice and processes and mental health offering new avenues of research and critical enquiry This volume is the first of its kind to rigorously elucidate the importance of space within the field of dramatherapy and is essential reading for academics scholars and postgraduate students of dramatherapy as well as practicing dramatherapists and professionals within the wider domains of arts and health **Sound Design for the Visual Storyteller** Christopher D. Anderson, 2025-04-24 *Sound Design for the Visual Storyteller* is an overview of the sound design process for the beginner filmmaker or storyteller providing the foundational knowledge needed to succeed at utilizing and designing sound for visual stories films and even podcasts With a focus on television and film alongside references to podcast theatre event and game sound design this all in one overview begins with the fundamentals of sound and the structure of a professional sound design team before exploring the practical topics of post production creative workflows and distribution Supported by a plethora of audio and video examples to demonstrate key concepts this book guides aspiring sound designers on the power and production value of the well conceived soundtrack and showcases some of the most effective techniques for
