Girls of Tender Age Mary-Ann Tirone Smith,2006-02-24 In *Girls of Tender Age* Mary Ann Tirone Smith fully articulates with great humor and tenderness the wild jubilation of an extended French Italian family struggling to survive in a post World War II housing project in Hartford Connecticut Smith seamlessly combines a memoir whose intimacy matches that of Angela s Ashes with the tale of a community plagued by a malevolent predator that holds the emotional and cultural resonance of *The Lovely Bones* Smith s Hartford neighborhood is small town America where everyone s door is unlocked and the school church library drugstore 5 10 grocery and tavern are all within walking distance

Her family is peopled with memorable characters her possibly psychic mother who's always on the verge of a nervous breakdown her adoring father who makes sure she has something to eat in the morning beyond her usual gulp of Hershey's syrup her grandfather who teaches her to bash in the heads of the eels they catch on Long Island Sound Uncle Guido who makes the annual bagna cauda and the numerous aunts and cousins who parade through her life with love and food and endless stories of the old days And then there's her brother Tyler Smith's household was different Little Mary Ann couldn't have friends over because her older brother Tyler an autistic before anyone knew what that meant was unable to bear noise of any kind To him the sound of crying laughing phones ringing or toilets flushing was a cloud of barbed needles flying into his face Subject to such an assault he would substitute that pain with another he'd try to chew his arm off Tyler was Mary Ann's real life Boo Radley albeit one whose bookshelves sagged under the weight of the World War II books he collected and read obsessively Hanging over this rough and tumble American childhood is the sinister shadow of an approaching serial killer The menacing Bob Malm lurks throughout this joyous and chaotic family portrait and the havoc he unleashes when the paths of innocence and evil cross one early December evening in 1953 forever alters the landscape of Smith's childhood *Girls of Tender Age* is one of those books that will forever change its readers because of its beauty and power and remarkable wit

French Short Stories Douglas Labaree Buffum, 1931 *Food in the Air and Space* Richard Foss, 2014-12-11 In the history of cooking there has been no more challenging environment than those craft in which humans took to the skies The tale begins with meals aboard balloons and zeppelins where cooking was accomplished below explosive bags of hydrogen ending with space station dinners that were cooked thousands of miles below This book is the first to chart that history worldwide exploring the intricacies of inflight dining from 1783 to the present day aboard balloons zeppelins land based aircraft and flying boats jets and spacecraft It charts the ways in which commercial travelers were lured to try flying with the promise of familiar foods explains the problems of each aerial environment and how chefs engineers and flight crew adapted to them and tells the stories of pioneers in the field Hygiene and sanitation were often difficult and cultural norms and religious practices had to be taken into account The history is surprising and sometimes humorous at times some ridiculous ideas were tried and airlines offered some strange meals to try to attract passengers It's an engrossing story with quite a few twists and turns and this first book on the subject tells it with a light touch *French Short Stories* Douglas Labaree Buffum, 1934
