[He's Been Faithful](#) Carol Cymbala, 2011-01-04 Carol Cymbala's ministry in a tough inner city neighborhood in New York can be summed up in one word: unlikely. She is the director and songwriter for a Grammy Award winning choir yet she doesn't read music. She is the pastor's wife in a 6,000 member congregation filled with people of color and she is white. A shy girl who struggled to get through school, she is the last person you'd expect to stand before a packed house at Radio City Music Hall confidently directing The Brooklyn Tabernacle Choir. But Carol's God is the God of the unlikely. *He's Been Faithful* tells the story of the way God works despite or maybe because of our many inadequacies. Because of how God has worked in her own life and in

The Brooklyn Tabernacle and its world famous choir she knows how crucial it is to remember our desperate need for God But Carol s faith hasn t always come easily There have been times of wavering and challenge like the time a man walked down the aisle of the church pointing a gun at her husband Jim Or like the time she was assaulted outside the church Or like the time she wanted to pack up her children and run away from the city for good because of what was happening to her family He s Been Faithful is an honest story about the struggles we all face and the power of God to help us It is told through Carol s eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways Through them we learn that our longings for God will never be satisfied by worship that is showy or performance based Instead God we will meet us when we come to him simply seeking his glory rather than ours telling him and the world around us about the great things he has done Whether you are a pastor a choir director or someone who is seeking a deeper experience of God He s Been Faithful will renew your faith and increase your understanding that only Jesus can fill that deep deep longing we all have for something more in life

The Church God Blesses Jim Cymbala, Stephen Sorenson, 2010-12-21 God Is Looking For A Church To Bless God wants to transform his church into a people of power joy and peace Jim Cymbala reminds us that Christianity is only as strong as the local church and that God wants to bless our churches in ways we can t possibly imagine It doesn t matter whether a church is alive and growing or barely surviving on life support God has a plan for it It doesn t matter whether a church is facing financial challenges internal divisions or strife among its leaders God has a plan for it God is able to deal with any problem a church will ever face as long as his people earnestly seek him As the pastor of The Brooklyn Tabernacle Cymbala knows that God s blessing and grace is available to us today just as much as it was in the early church when thousands of people became believers despite the fact that the church lacked everything we consider vital church buildings seminaries printed materials sound systems choirs and money None of these things mattered What mattered was that God s hand was on the church working through his people to build the kingdom Then as now God chose the church to manifest his presence to the world In this companion book to *The Life God Blesses* Cymbala describes the kind of church God wants to bless and use Based on the Word of God and personal experience *The Church God Blesses* describes the key elements found in a vitally alive church and offers church leaders and individual Christians a fresh and invigorating look at what God intends the church to be The church God blesses is not necessarily the largest newest or loudest church in town Instead it s a place where believers Receive solid spiritual nourishment Can trust in God s protection Engage in vital praise and worship Become effective in ministry Learn that confession of sin is the channel to God s power

Breakthrough Prayer Jim Cymbala, 2003 A practical and visionary approach to the principles of prayer that will revolutionize our lives and enable us to receive all God has for us Many people are missing the great things God wants to do in their lives because they don t know how to receive answers to their prayers This revolutionary book is not a step by step guide on how to pray but an inspiring vision that moves people to greater hope as they see the tremendous

potential of prayer Breakthrough Prayer is peppered with amazing stories of answered prayer from the Brooklyn Tabernacle including the story of the final survivor of the World Trade Center collapse and the prayers she prayed before becoming the last person pulled from the wreckage alive Unique features include Breakthrough to Holiness What is the connection between how we live and how we pray Breakthrough to Power What are the prayers that really have power with God Breakthrough to Listening How can we learn to recognize God's answers to our prayers Jesus said and did only the things he received from the Father When we do the same the real potential of our lives will unfold and prayer will enable us to become people with instructed tongues who are able to sustain others in fearful times times much like those we face today Voices inside my head were constantly screaming at me I became like an animal in the street muttering or yelling out a stream of profanity as people passed by One day lying in a hospital bed close to death I cried out Jesus help me O God you're my only hope That was the breakthrough prayer that saved my life Danny Talk about breakthrough prayer I was buried under 110 stories of steel and concrete on 9/11 But God heard my prayer for a miracle Genelle My husband and I had a dream of helping desperate young women But no banker in his right mind would finance such a venture So we prayed and God broke through every single obstacle we faced That was just the beginning of the wonderful roller coaster ride we call faith Grace
