Two Weeks of Life Eleanor Clift, 2009-02-24 What has become known as the Schiavo affair the death of a brain damaged woman in Florida in 2005 and the controversy that surrounded it was a revelatory moment in American society For the first time the nation got a clear view of both the fanaticism gripping the religious right and the political power it could bring to bear even when the vast majority of the country disagreed with it But it was also a turning point a moment when America seemed to glimpse a dangerous radicalism and began to pull back Eleanor Clift witnessed this event from a unique vantage point At the same time that Schiavo was dying in her Florida hospice Clift s husband Tom Brazaitis was dying of cancer at home the two passed away within a day of each other Two Weeks of Life alternates between these two stories to provide a moving commentary on how we deal or fail to deal with dying in modern America
