Court of Appeal (1st Appellate District). Records and Briefs California (State).,      *Filibustered!* Senator Jeff Merkley,Mike Zamore,2024-01-09 The U S Senator from Oregon who is leading the fight to restore the talking filibuster explains how changing just one rule could save our democracy In a compelling and powerfully argued book Senator Jeff Merkley and his longtime chief of staff tell the insiders story of how the Senate used to work and how the filibuster came to cripple the self styled World s Greatest Deliberative Body with paralyzing gridlock And they make the surprising case that restoring a modified version of the old style talking filibuster may just be our democracy s path back from the brink For nearly two centuries the Senate designed by the Founders served the purpose they envisioned it was a deliberative legislative body where the nation s thorniest challenges were hashed out Senators had the ability to speak at length and offer any manner of amendments to influence bills and then when all had had a say the Senate voted Senators who objected to passing a bill could wage a defiant filibuster in the spirit of fictional Senator Smith who talked until he collapsed in order to block a corrupt railroad deal in the classic 1939 film Mr Smith Goes to Washington But at the end of the day nearly all legislation amendments and nominations went to a vote and the majority prevailed Today however thanks to abuse of a fifty year old reform intended to make it easier for the Senate to pass legislation the exceedingly difficult rare filibuster has morphed plunging the Senate into dysfunction and threatening the very foundations of our democracy Now the minority party can simply declare a no talk filibuster insisting on a supermajority of sixty votes to pass nearly any bill or a lengthy process to confirm any of the president s nominees giving themselves a veto over the majority s agenda Wildly popular bills languish judgeships and administrative posts remain unfilled but ordinary citizens can t see why because the obstruction all takes place behind closed doors *Filibustered* combines a marvelous romp through key moments in filibuster history from the first filibuster in 1841 through Southern Dixiecrat filibusters of civil rights legislation up through Mitch McConnell s transformation of the filibuster into a routine tool

of perennial gridlock with firsthand accounts of recent high profile legislative fights and a compelling argument that the key to the Senate's future may be found in its past **Catalog of Copyright Entries, Third Series** Library of Congress.
