## **From Classrooms To Claymores A Teacher At War In Vietnam:**

**From Classrooms to Claymores** Ches Schneider, 2010-07-07 Vietnam was a fantasy life of gunfire blood heat and superhuman toil By late 1969 the end of the war was just over the horizon But for Ches Schneider a drafted schoolteacher turned infantry grunt in the deadly Central Highlands it was just beginning This story of a Missouri boy told with grit and honesty describes the stark transition from the normalcy of schooldays to the life and death drama endured daily in Vietnam's bloody jungles As a soldier in the 1st Infantry Division Schneider went out on twelve man search and destroy combat missions never knowing whether the next moment would bring an ambush a firefight or eternal oblivion Later when the Big Red One rotated back to the U S he was transferred to the 1st Cav and fought it out with the NVA in the steamy jungles of Phuoc Long Province near the Cambodian border As an ordinary man in extraordinary times Schneider realistically captures the pain loss sacrifice and courage of the men who fought for their lives even as the war wound down

**Grunts** Kyle Longley, 2015-01-28 This book provides a fresh approach to understanding the American combat soldier's experience in Vietnam It integrates such topics as the political culture the experiences of training the actual Vietnam experience and the homecoming and offers a remarkable overview of the 870 000 grunts who bore the brunt of the fighting in the jungles and highlands of South Vietnam and eventually Cambodia and Laos The book addresses many of the stereotypes of the Vietnam combat veteran that have been perpetuated in popular culture and also considers how Vietnam veterans have been commemorated through memorials and other means and how the veterans remember each other The coverage also includes women who served in or near the front lines as well as on the home front The author draws on memoirs and oral histories including his personal interviews with veterans but the book conveys a picture of the Vietnam combat soldier's experience far more powerful than what individual memoirs can provide

**Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent

access point for students researchers and anyone wanting to know more about the Vietnam War      With Love Stan Karen Ross Epp,2006-07-03 On August 7 1969 when I and a half dozen other soldiers were cut off from other friendly forces and were nearly out of ammunition in a desperate fight with a much larger force of North Vietnamese regulars I was not surprised to see Ross among the few who risked their lives to come to our assistance Less than three months later Ross fell mortally wounded in still another battle Karen Epps work to document her brothers life and death is a unique effort that contributes to the full story of a long controversial war that still has major impact on our country today It is a tribute to not only Stan and Karens family but also to all veterans Michael Lee Lanning Author of The Only War We Had A Platoon Leaders Journal Of Vietnam and Vietnam 1969 1970 A Commanders Journal My gratitude to my brother and those brave service men and women can never be expressed in words Stan and those like him still live on in our hearts His courage should inspire all of us to do a better job of living Karen Ross Epp Author With Love Stan A Soldiers Letters from Vietnam to The World Check out my Web Page at <http://www.karenrossepp.com> for reviews and other information      The Morenci Marines Kyle Longley,2015-06-15 In 1966 nine young men left the Arizona desert mining camp of Morenci to serve their country in the far flung jungles of Vietnam in danger zones from Hue to Khe Sanh Ultimately only three survived Each battled survivor s guilt difficult re entries into civilian life and traumas from personally experiencing war and losing close friends along the way Such stories recurred throughout America but the Morenci Marines stood out ABC News and Time magazine recounted their moving tale during the war and in 2007 the Arizona Republic selected the Morenci Nine as the most important veterans story in state history Returning to the soldiers Morenci roots Kyle Longley s account presents their story as unique by setting and circumstance yet typical of the sacrifices borne by small towns all across America His narrative spotlights a generation of young people who joined the military during the tumultuous 1960s and informs a later generation of the hard choices made many with long term consequences The story of the Morenci Marines also reflects that of their hometown a company town dominated by the Phelps Dodge Mining Corporation where the company controlled lives and the labor strife was legendary The town s patriotic citizens saw Vietnam as a just cause moving Clive Garcia s mother to say He died for this cause of freedom Yet while their sons fought and sent home their paychecks Phelps Dodge sought to destroy the union that kept families afloat pushing the government to end a strike that it said undermined the war effort Morenci was also a place where cultures intermingled and the nine friends included three Mexican Americans and one Native American Longley reveals how their backgrounds affected their decisions to join and also helped the survivors cope with Mike Cranford racing his Harley on back roads at high speeds while Joe Sorrelman tried to deal with demons of war through Navajo rituals Drawing on personal interviews and correspondence that sheds new light on the Morenci Nine Longley has written a book as much about loss grief and guilt as about the battlefield It makes compelling reading for anyone who lived in that era and for anyone still seeing family members go off to fight in controversial wars      **Historical Dictionary of the U.S. Army** Jerold E.

Brown,2000-12-30 Having evolved over the past two and a quarter centuries to become the premier military force in the world the U S Army has a heritage rich in history and tradition This historical dictionary provides short clear authoritative entries on a broad cross section of military terms concepts arms and equipment units and organizations campaigns and battles and people who have had a significant impact on Army It includes over 900 entries written by some 100 scholars providing a valuable resource for the interested reader student and researcher For those interested in pursuing specific subjects further the book provides sources at the end of each entry as well as a general bibliography Appendixes provide a useful list of abbreviations and acronyms and a listing of ranks and grades in the U S Army God's Hiddenness in Combat

Preston Jones,Cody Beckman,2009-02-18 The primary question at the heart of this book is Where is God for the person in combat According to one well known saying there are no atheists in foxholes Yet it is difficult for believers in a personal and caring God to locate God s place in the world of war Another common saying that war is hell seems more accurate if one accepts the basic definition of hell as God s absence The complication here is that some combatants do sense God s presence This study draws from numerous interviews memoirs letters and archival materials and reflecting on the crucifixion of Christ to consider how God can be both present in and absent from the world of war Indochina Chronology ,1999 **Vietnam**

**War Slang** Tom Dalzell,2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang The Publishers Weekly ,1999 **American Book Publishing Record** ,1999 Subject Guide to Books in Print ,2001 Reader Response in Secondary and College Classrooms Nicholas J. Karolides,2013-04-15 This text based on Louise

M Rosenblatt's transactional model of literature focuses on the application of transactional reader response theory in the classroom. It grows from frequent requests from secondary school and college teachers for teaching suggestions on how to put theory into practice. This is not a 'What should I do on Monday' cookbook but an expression of the practice of theory in college and secondary school classrooms. The chapters portray a spectrum of strategies including biopoems, expressive and imaginative writing, journal writing, readers theater, role playing, and unsent letters, using as examples individual works from several genres. Recognizing that teachers who may have been trained in other theories and methodologies may be hesitant about their quite different role and expectations in the reader-centered classroom, the authors provide stepping stones to develop readiness and confidence, suggestions and insights to ease the transition to the transactional model of teaching and learning. Pedagogical features: An explanatory introduction to each section defines its orientation and describes the content and direction of the chapters it contains. Invitations elicit engagement of readers with concepts, attitudes, or strategies presented in the chapters; they invite readers as individuals or members of a small group to consider ideas or to practice a strategy among other activities in order to enhance understandings. A glossary defines key concepts and strategies discussed in the text. A bibliography provides an extensive list of resources, books and journal articles, both theoretical and applied. New in the second edition: Six new chapters, three deal with the roles of film as literature in the English classroom and three with enhancing multicultural understandings. Updates and revisions to several chapters that appeared in the first edition. Invitations new in this edition have been added to focus and expand readers' thinking.

**The New Partridge Dictionary of Slang and Unconventional English** Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English; slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean; emphasis on post World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources, and new glosses. *The New Partridge Dictionary of Slang and*

Unconventional English is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language      **The Routledge Dictionary of Modern American Slang and Unconventional English**

Tom Dalzell, 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided In terms of content the cultural transformations since 1945 are astounding Television computers drugs music unpopular wars youth movements changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language This new edition includes over 500 new headwords collected with citations from the last five years a period of immense change in the English language as well as revised existing entries with new dating and citations No term is excluded on the grounds that it might be considered offensive as a racial ethnic religious sexual or any kind of slur This dictionary contains many entries and citations that will and should offend Rich scholarly and informative The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers lexicographers and translators      **Our Year of War** Daniel P. Bolger, 2025-05-01 Two brothers Chuck and Tom Hagel who

went to war in Vietnam fought in the same unit and saved each other's life They disagreed about the war but they fought it together 1968 America was divided Flag draped caskets came home by the thousands Riots ravaged our cities Assassins shot our political leaders Black fought white young fought old fathers fought sons And it was the year that two brothers from Nebraska went to war In Vietnam Chuck and Tom Hagel served side by side in the same rifle platoon Together they fought in the Mekong Delta battled snipers in Saigon chased the enemy through the jungle and each saved the other's life under fire But when their one year tour was over these two brothers came home side by side but no longer in step one supporting the war the other hating it Former Secretary of Defense Chuck Hagel and his brother Tom epitomized the best and withstood the worst of the most tumultuous shocking and consequential year in the last half century Following the brothers paths from the prairie heartland through a war on the far side of the world and back to a divided America Our Year of War tells the story of two brothers at war a gritty poignant and resonant story of a family and a nation divided yet still united      **I Served** by Don

C. Hall and Annette R. Hall, 2001-01-31 I SERVED was written differently from most other Vietnam memoirs Instead of being a chronological recitation of my experiences growing up in the orphanage and then going to Vietnam and serving with Co F 51st Long Range Patrol Airborne Infantry I made its focus be the characters in the story That is its greatest strength and what makes it such a good read Because I focused so closely on character you really get to care about the person Don Hall because you know what makes him tick what is important to him and what drives him You are also engaged by the other people you meet in the story because they are so clearly drawn You don't have to be a military buff to enjoy the book I

SERVED is a factual story backed up by official U S Army records Col William C Maus the man who formed F 51st LRP told me where to find that documentation I also have copies of handouts we received when we went to Recondo School Before he died he told me how much he enjoyed reading the book He praised me for having written such a great story about a unit he was proud to have commanded He was a visionary who knew our unit was the vanguard for future U S Army military strategy and tactics I remember his telling me at the time that F 51st LRP was making history Being just a na ve 19 year old staff sergeant I didn t understand the significance of that statement I do now The current print and ebook versions of I SERVED are a second edition to the original 1994 hardbound edition with a revised preface and afterword a new War Stories section with stories from other men with whom I served and new photographs

**Looking for a Hero** Peter Maslowski, Don Winslow, 2004-01-01 The complicated truth about American hero Joe Ronnie Hooper widely acclaimed as the Vietnam War s most highly decorated soldier is set against the turbulent backdrop of the 1960s and 1970s and draws on extensive interviews with friends family members and military colleagues in a definitive study by the author of A Cool Breeze on the Underground

**Special Men** Dennis Foley, 2022-06-14 A recipient of two Purple Hearts gives readers an inside view of US Army special forces through his own trial by fire during the Vietnam War Days before he was drafted in 1962 Dennis Foley volunteered to join the army in the hopes of someday getting into West Point He was only eighteen years old At basic training in Fort Dix New Jersey a presentation by two impressive self confident special forces sergeants made an indelible impression on him His career would come full circle In 1972 wearing a green beret Foley would be given command of his own A Team But between those two pivotal moments his determination loyalty and mental and physical strength would be tested as never before fighting in the jungles of Vietnam alongside the bravest men he would ever know In Special Men Foley describes his experience at the 7th Army NCO Academy in Germany where he learned more about leadership than at any other school he would later attend He takes us moment by moment on his heart pounding introduction to combat a nighttime amphibious ambush patrol with the South Vietnamese Navy We see the shock set in upon realizing that conventional training left him unprepared for the guerrilla army he faced in Vietnam And we share his sadness over fallen comrades and his own relief at surviving his injuries This is an unvarnished account of horror and heroism and a tribute to the unselfish devotion to duty of the LRP s Rangers and Green Berets

**The Dry White Tear** Stephen F. Wilcox, 1989

Right here, we have countless ebook **From Classrooms To Claymores A Teacher At War In Vietnam** and collections to check out. ## **From Classrooms To Claymores A Teacher At War In Vietnam Introduction**

In today's digital age, the availability of *From Classrooms To Claymores A Teacher At War In Vietnam* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *From Classrooms To Claymores A Teacher At War In Vietnam* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *From Classrooms To Claymores A Teacher At War In Vietnam* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *From Classrooms To Claymores A Teacher At War In Vietnam* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *From Classrooms To Claymores A Teacher At War In Vietnam* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *From Classrooms To Claymores A Teacher At War In Vietnam* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *From Classrooms To Claymores A Teacher At War In Vietnam* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, From Classrooms To Claymores A Teacher At War In Vietnam books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of From Classrooms To Claymores A Teacher At War In Vietnam books and manuals for download and embark on your journey of knowledge?

### **FAQs About From Classrooms To Claymores A Teacher At War In Vietnam Books**
