LIFE AFTER Lupus Luther T Collins,2025-05-04 Life after Lupus The Healing Process is my personal testimony as to how God healed me from this deadly disease The pain the agony the suffering the discomfort the torture and the affliction were too much to bare as death had to be much easier It was the love support and prayers of my wife my mom my family my pastor the VCU medial staff my friends and my coworkers that kept me alive My Pastor at the time Apostle Vanessa C Thomas told me God was going to heal me and one day I would write a book about it I m forever grateful for her and Behind the Veil as they prayed and labored for me even when I was too weak to pray for myself I still remember the journey like it was yesterday 12 years later If God did it for me surely he can do it for you I pray this book encourages you to fight the good fight of faith Always remember no matter how it looks it s not over until God says it s over Family keep fighting as the best is still yet to come Healing is your portion and Victory is in your voice
