**From God's Hands to Your Land** Jeanette Strauss,2009-03-10      **From God's Hands to Your Land-Kit** Strauss,2010-10-07      **FROM THE COURTROOM OF HEAVEN** Jeanette Strauss,2011-01-01 A Believer s Handbook for Legislating from the Heavenlies In answer to a prayer for our daughter I had a dream In the dream I found myself in a heavenly Courtroom standing before the Judge of heaven and earth He explained why my husband and I hadn t received answers to our prayers sooner and instructed us to pray in a specific way After following the Courtroom protocol He revealed to me our prayers were answered within one week after seven years of praying in every other way we knew how to pray As we follow the directions of the Lord we can be assured of the victory This doesn t mean every outcome will be what you expected but the outcome will be the Lord s will for each situation The Judge of heaven and earth is inviting you to appear in His Courtroom I even I am He who blots out your transgressions for My own sake And I will not remember your sins Put Me in remembrance Let us contend together State your case that you may be acquitted Isaiah 43 25 26 As believers our purpose in the Courtroom of Heaven is to make intercession as an Ambassador of Reconciliation to stand in the gap on behalf of people regions governments and nations Let us therefore come boldly to the throne of grace that we may obtain mercy and find grace to help in time of need Hebrews 4 16 With Jesus as our Redeemer the Word as our Defense the Holy Spirit as our Counselor and the Judge as our Father we can win our case in heaven s Courtroom for victory on the earth      **Faith and Victory Prayer Strategies and Decrees** Annamarie Strawhand ,2022-08-23 Prayers and declarations written for you to speak and pray for family home land finances deliverance and more When prayed with faith we have witnessed these prayers and strategies bring incredible breakthroughs and miracles to many families and individuals over the last five years of our ministry I personally have received breakthroughs and miracles with these prayers received many requests to take all these prayers from our website and collect them all into a book arranged by subject giving easy access to these as needed for you all to have as a reference and tools for your spiritual toolbox      **Deuteronomion** Douglas C. Mohrmann,2023-02-17 This commentary on Deuteronomion is based on Codex Alexandrinus the single best complete witness to the Old Greek It features a new transcription of the manuscript with a fresh translation that treats Deuteronomion as a sacred text that would have been read studied and cherished in a worshipping community Notations of important variants with the other key manuscripts such as p848 p963 and B Vaticanus appear regularly This commentary represents an interpretative adventure intentionally giving room for varied ancient reader responses and accordingly it functions within several literary spaces First it recognizes the substantial intratextual features between the book s narrative framing and its legal materials Deuteronomion is also read in its hypotextual relation with the Pentateuch s other narratives and legal materials chiefly within Exodus Leviticus and Numbers Sensitivity to the Greek linguistic climate the so called koine Greek is another space Finally and most distinctively this commentary adds to its reading the many voices who read and used Deuteronomy in either Hebrew or Greek forms from

the late Second Temple Period      *A New English Translation of the Septuagint* Albert Pietersma, Benjamin G. Wright, 2007-11-02 The Septuagint the ancient Greek translation of Jewish sacred writings is of great importance in the history of both Judaism and Christianity The first translation of the books of the Hebrew Bible plus additions into the common language of the ancient Mediterranean world made the Jewish scriptures accessible to many outside Judaism Not only did the Septuagint become Holy Writ to Greek speaking Jews but it was also the Bible of the early Christian communities the scripture they cited and the textual foundation of the early Christian movement Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint's influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap      **A Divine Connection With A Message From God Volume II** Michael Gagliardi, 2013-05-22 This book series a Divine Connection With a Message From God volume II subtitle Michael Yes Lord You Have Been Redeemed You will learn and discover the real meaning of what it truly means to be redeemed by God at the cross at Calvary I will also walk you through several of what I truly believe were real personal divine connections with God in Heaven when He spoke to me about Him redeeming me and about my walk and talk with Jesus here on earth and how He healed me before He had to return Back to Heaven to again return Why God chose me to reveal this certain things to me I don't fully know Maybe because my heart mind and soul were and is open to receive it or maybe I guess He knows that I will do something with it according to His will in Christ Jesus I truly feel that the Holy Spirit wants me to share it with as many people as possible before His second coming Well during the reading of this particular book series volume II you will also learn and discover how the precious shed blood of Jesus at the cross at Calvary has and will continue to give you victory over any and every situation you face here on Earth until you enter the Kingdom of Heaven      *The Holy Bible, Translated from the Latin Vulgate ... The Holy Bible, Translated from the Latin Vulgate ... A New Edition, Etc ,1876     *The Holy Bible Containing the Old and New Testaments and the Apocrypha ,1900*     **The Contemporary Parallel Bible** John R. Kohlenberger (III),2004 This unique volume displays the parallel texts of a pair of today s most popular evangelical Bible editions Together the New King James Version and New International Version represent the two major approaches to modern Bible translation The New King James Version an updating of the renowned King James Version is technically known as a formal equivalent translation often referred to as word for word This means that scholars rendered the Hebrew Aramaic and koine Greek of the biblical text into English that is as close as possible to its original meaning The result is a translation that is particularly valuable for careful analysis of the text The New International Version represents the thought for thought school of Bible translation technically known as dynamic or functional equivalent This method places the priority on the intended meaning of the original vocabulary adapting it to English syntax and grammar Such a translation tends to be easier to read and understand The NKJV and NIV texts are arranged in two columns on each page of the Contemporary Parallel Bible enabling readers to easily compare the word and phrasing choices made by the scholarly committees that brought these highly regarded translations into being
