From Guernica To Human Rights Essays On The Spanish Civil War:

From Guernica to Human Rights Peter N. Carroll, 2015 Carroll's work focuses on both the personal and political motives that led seemingly ordinary Americans to risk their lives in a foreign war. Based on extensive oral histories of surviving veterans and original archival work including material in the once secret Moscow archives, the essays, some never before published, resent forty years of scholarship. A portrait of three American women illustrates the growing awareness of a fascist threat to our home front. Other pieces examine the role of ethnicity, race, and religion in prompting Americans to set off for war. Carroll also examines the lives of war survivors. Novelist Alvah Bessie became a screenwriter and emerged as one of the blacklisted Hollywood Ten. Ralph Fasanella went from union organizing to becoming one of the country's significant outsider painters. Hank Rubin won fame as a food connoisseur and wine columnist. And one volunteer, the African American Sgt

Hemingway and the Spanish Civil War Gilbert H. Muller, 2019-11-01 During the 1930s no event was more absorbing or galvanizing to Ernest Hemingway than the Spanish Civil War. Hemingway was passionately devoted to the cause of the democratically elected Spanish Republic and he spent much of the war reporting from its front lines, producing a deeply political body of work that illuminated the conflict and presaged the world war to come. In the end, his immersive journey into the turbulent world of the Spanish Civil War resulted in *For Whom the Bell Tolls*, a landmark in American political fiction. This book offers a fresh account of Hemingway's adventures in Spain during the Civil War, stressing his embrace of radical political action and discourse in defense of the Republic against the forces of Fascism. On the eightieth anniversary of *For Whom the Bell Tolls*, Gilbert H. Muller reconsiders Hemingway as an engaged artist, political actor, and visionary.

Everything is Possible Joseph Fronczak, 2023-01-01 The fascinating history of how the antifascist movement of the 1930s created the left as we know it today. In the middle years of the Great Depression, the antifascist movement became a global political force, powerfully uniting people from across divisions of ideology, geography, race, language, and nationality. Joseph Fronczak shows how socialists, liberals, communists, anarchists, and others achieved a semblance of unity in the fight against fascism. Depression-era antifascists were populist, militant, and internationalist. They understood fascism in global terms and they were determined to fight it on local terms. In the United States, antifascists fought against fascism on the streets of cities such as Chicago and New York, and they connected their own fights to the ones raging in Germany, Italy, and Spain. As he traces the global trajectory of the antifascist movement, Fronczak argues that its most significant legacy is its creation of the left as we know it today: an international conglomeration of people committed to a shared politics of solidarity.

A Distant Heartbeat Eunice Lipton, 2016-04-01 On May 20, 1938, a young man from the Bronx informs his parents that he is leaving for the Catskills to begin his new job as a waiter. Instead, he sails for Europe to join the Abraham Lincoln Brigade in the Spanish Civil War, the opening round in the fight against Hitler and Mussolini. The man, Dave Lipton, the author's uncle, sends letter after letter home, detailing his hopes and begging for forgiveness. He never receives a reply. Decades later, Eunice

Lipton stumbles upon clues for this silence uncovering details of Dave's exhilarating political life in New York his shuttered romantic life and his deep friendship with another volunteer A Distant Heartbeat tells a tale of passion and heroism centered on a fierce competition between brothers a packet of missing letters and the unforeseen results of family betrayal

Traveler, There Is No Road Lisa Jackson-Schebetta, 2017-06-15 Traveler There Is No Road offers a compelling and complex vision of the decolonial imagination in the United States from 1931 to 1943 and beyond By examining the ways in which the war of interpretation that accompanied the Spanish Civil War 1936-1939 circulated through Spanish and English language theatre and performance in the United States Lisa Jackson Schebetta demonstrates that these works offered alternative histories that challenged the racial gender and national orthodoxies of modernity and coloniality Jackson Schebetta shows how performance in the US used histories of American empires Islamic legacies and African and Atlantic trades to fight against not only fascism and imperialism in the 1930s and 1940s but modernity and coloniality itself This book offers a unique perspective on 1930s theatre and performance encompassing the theatrical work of the Cuban Puerto Rican and Spanish diasporas in the United States as well as the better known Anglophone communities Jackson Schebetta situates well known figures such as Langston Hughes and Clifford Odets alongside lesser known ones such as Erasmo Vando Franca de Armi o and Manuel Aparicio The milicianas female soldiers of the Spanish Republic stride on stage alongside the male fighters of the Lincoln Brigade They and many others used the multiple visions of Spain forged during the civil war to foment decolonial practices across the pasts presents and futures of the Americas Traveler conclusively demonstrates that theatre and performance scholars must position US performances within the Americas writ broadly and in doing so they must recognize the centrality of the hemisphere's longest lived colonial power Spain

Mothers, Midwives, and Reproductive Labor in Interwar and Wartime Britain Sandra Trudgen Dawson, 2024-01-26 Mothers Midwives and Reproductive Labor in Interwar and Wartime Britain is about the experiences of mothers and midwives as they navigated the changing political and social issues surrounding childbirth and motherhood during interwar and wartime Britain The needs and agency of women as mothers and midwives often conflicted with the ideals of the state While government officials understood the importance of safe childbirth to the nation they also chose to allow economic crises and war preparation to take precedence The interwar plans for a national maternal healthcare system met financial constraints and a lack of political will As the outbreak of the Second World War appeared imminent politicians planned for pregnant women and those with small children to evacuate from cities The reception areas were less well planned and pregnant women returned to their homes rather than deliver among strangers Wartime maternity provision didn't take into account the needs and desires of mothers and midwives Reproductive laborers mothers and midwives demonstrated agency throughout the period Pregnant women chose to deliver at home with untrained or trained birth attendants midwives entered and left the profession on their own terms offering or withholding their skills when it suited individual need rather than at the behest of government

La Guerra Civil

española, una visión bibliográfica VV. AA., 2017-03-14 La bibliografía sobre la Guerra Civil no ha cesado de aumentar ni dentro ni fuera de España. Esta tendencia se observa desde hace varios años y nada hace pensar que vaya a disminuir en los próximos. En 2016 el número de publicaciones se habrá incrementado pues no en vano se cumple el octogésimo aniversario del comienzo del conflicto. Los años entre 2016 y 2019 se perfilan como un periodo en el que los interesados en lo que parece ser un tema inagotable centrarán una parte sustancial de sus investigaciones. Y esto con independencia de que el mercado no siempre se muestre tan acogedor como antes de la larga crisis económica que sufre entre otros países España. Este libro no trata de hacer un inventario más o menos completo de todo lo editado sobre la Guerra Civil; eso hubiera sido una tarea quimérica. Es imposible que transcurra una semana sin que se publique algún libro y no es infrecuente que aparezcan varios. Se trata de ofrecer a los lectores una orientación valorativa. Los autores han tenido total libertad para seleccionar aquellos títulos que han querido comentar y para descartar los que no les han parecido tan interesantes o que por cualesquiera otras razones no han deseado incluir. Hay títulos que siendo susceptibles de enfoques varios aparecen no en uno sino en varios artículos. No lo hemos impedido y alentado porque implícitamente con ello ofrecemos al lector dos o más formas de enfocar un mismo libro.

España en el corazón Adam Hochschild, 2018-06-11 Un libro fundamental para entender el alcance internacional de la Guerra Civil Española. Qué motiva a alguien para luchar por un país que no es el suyo. Desde los primeros compases de la Guerra Civil Española esta se convirtió en una cuestión política internacional. Hitler y Mussolini enviaron aviones, tropas y suministros a los generales golpistas empeñados en derrocar al gobierno electo de España. Ante esta situación millones de personas en todo el mundo sintieron que el fascismo que asolaba Europa debía ser detenido en España. Más de 35 000 voluntarios de decenas de países ayudaron a defender la República Española. Hochschild, el aclamado autor de *El fantasma del rey Leopoldo*, evoca este periodo tumultuoso a través de las vidas de los estadounidenses involucrados en la guerra entre los que se encontraban ciudadanos anónimos e intelectuales de la talla de Ernest Hemingway. España en el corazón muestra cómo las atrocidades de la guerra calaron en el espíritu de los voluntarios y se reflejaron en sus palabras. Este libro muestra cómo un grupo de personas lidió con la guerra y la interpretó para sus contemporáneos y cómo en especial el periodismo y la correspondencia entre personas influyentes modelaron la dirección y el resultado de la contienda. Los hombres de mi generación hemos tenido a España en nuestros corazones. Escribió Camus en *L'Espagne Libre* dando título a este elegante compendio de diarios de soldados, memorias, periodísticas reportajes, estrategias de batalla y cartas de amor tempestuosas.

The Hemingway Review, 2015

Justifying War D. Welch, J. Fox, 2012-05-31 A new assessment of the debates about Just War in the twentieth and twenty-first centuries from the imperial wars of the nineteenth century through the age of total war, the evolution of human rights discourse and international law to proportionality during the Cold War and the redefinition of authority with the ascendancy of terror groups.

British Women and the Spanish Civil War Angela Jackson, 2003-09-02 Through oral and written narratives this book examines the interaction between women and the war in Spain, their

motivation the distinctive form of their involvement and the effect of the war on their individual lives These themes are related to wider issues such as the nature of memory and the role of women within the public sphere The extent to which women engaged with this cause surpasses by far other instances of female mobilization in peace time Britain Such a phenomenon therefore can offer lessons to those who would wish to encourage a greater degree of interest amongst women in political activities today

Visible Dissent Teresa V. Longo, 2018-05-15 As Teresa Longo's groundbreaking examination reveals North America's dissident literature has its roots in the Latin American literary tradition From Pablo Neruda's *Canto General* to Eduardo Galeano's *Open Veins of Latin America* to Gabriel García Márquez's *One Hundred Years of Solitude* among others contemporary writers throughout the Americas have forced us to reconsider the United States's relationship with Latin America and more broadly with the Global South Highlighting the importance of reading and re-reading the Latin American canon in the United States Longo finds that literature can be an instrument of progressive social change and argues that small literary presses City Lights Curbstone and Seven Stories have made that dissent visible in the United States In the book's final two chapters on the Robert F Kennedy Center's Speak Truth to Power initiative and the publication of Marc Falkoff's *Poems from Guantánamo* the author turns our attention further outward probing the role poetry theater and photography play in global human rights work Locating the work of artists and writers alongside that of scholars and legal advocates *Visible Dissent* not only unveils the staying power of committed writing it honors the cross currents and the on the ground implications of humane political engagement

Left-Wing Essays by Salar Bil Salar Bil, This book brings together essays on left wing ideologies exploring their impact on fashion politics and society It examines how fashion can challenge capitalism advocate for workers rights and promote sustainability and inclusivity From critiquing fast fashion to redefining beauty standards these essays highlight fashion's role as a political tool By reclaiming design from corporate control we can envision a more just and equitable industry

The Bloomsbury Handbook to Edwidge Danticat Jana Evans Braziel, Nadège T. Clitandre, 2021-01-28 Edwidge Danticat's prolific body of work has established her as one of the most important voices in 21st century literary culture Across such novels as *Breath Eyes Memory* *Farming the Bones* and short story collections such as *Krik Krak* and most recently *Everything Inside* essays and writing for children the Haitian American writer has throughout her oeuvre tackled important contemporary themes including racism imperialism anti immigrant politics and sexual violence With chapters written by leading and emerging international scholars this is the most up to date and in depth reference guide to 21st century scholarship on Edwidge Danticat's work *The Bloomsbury Handbook to Edwidge Danticat* covers such topics as The full range of Danticat's writing from her novels and short stories to essays life writing and writing for children and young adults Major interdisciplinary scholarly perspectives including from establishing fields of literary studies Caribbean Studies Political Science Latin American Studies feminist and gender studies African Diaspora Studies and emerging fields such as Environmental Studies Danticat's literary sources and influences from Haitian authors

such as Marie Chauvet Jacques Roumain and Jacques St phen Alexis to African American authors like Zora Neale Hurston Toni Morrison and Caribbean American writers Audre Lorde to Paule Marshall Known and unknown Historical moments in experiences of slavery and imperialism the consequence of internal and external migration and the formation of diasporic communities The book also includes a comprehensive bibliography of Danticat s work and key works of secondary criticism and an interview with the author as well as and essays by Danticat herself Democracy Without Justice in Spain Omar G. Encarnacion,2014-01-11 Spain is a notable exception to the implicit rules of late twentieth century democratization after the death of General Francisco Franco in 1975 the recovering nation began to consolidate democracy without enacting any of the mechanisms promoted by the international transitional justice movement There were no political trials no truth and reconciliation commissions no formal attributions of blame and no apologies Instead Spain s national parties negotiated the Pact of Forgetting an agreement intended to place the bloody Spanish Civil War and the authoritarian excesses of the Franco dictatorship firmly in the past not to be revisited even in conversation Formalized by an amnesty law in 1977 this agreement defies the conventional wisdom that considers retribution and reconciliation vital to rebuilding a stable nation Although not without its dark side such as the silence imposed upon the victims of the Civil War and the dictatorship the Pact of Forgetting allowed for the peaceful emergence of a democratic state one with remarkable political stability and even a reputation as a trailblazer for the national rights and protections of minority groups Omar G Encarnaci n examines the factors in Spanish political history that made the Pact of Forgetting possible tracing the challenges and consequences of sustaining the agreement until its dramatic reversal with the 2007 Law of Historical Memory The combined forces of a collective will to avoid revisiting the traumas of a difficult and painful past and the reliance on the reformed political institutions of the old regime to anchor the democratic transition created a climate conducive to forgetting At the same time the political movement to forget encouraged the embrace of a new national identity as a modern and democratic European state Demonstrating the surprising compatibility of forgetting and democracy Democratization Without Justice in Spain offers a crucial counterexample to the transitional justice movement The refusal to confront and redress the past did not inhibit the rise of a successful democracy in Spain on the contrary by leaving the past behind Spain chose not to repeat it

Transnational Narratives from the Caribbean Elvira Pulitano,2016-03-10 This book offers a timely intervention in current debates on diaspora and diasporic identity by affirming the importance of narrative as a discursive mode to understand the human face of contemporary migrations and dislocations Focusing on the Caribbean double diaspora Pulitano offers a close reading of a range of popular works by four well known writers currently living in the United States Jamaica Kincaid Michelle Cliff Edwidge Danticat and Caryl Phillips Navigating the map of fictional characters testimonial accounts and autobiographical experiences Pulitano draws attention to the lived experience of contemporary diasporic formations The book offers a provocative re thinking of socio scientific analyses of diaspora by discussing the embodied experience of

contemporary diasporic communities drawing on disciplines such as Caribbean Postcolonial Diaspora and Indigenous Studies along with theories on border thinking and coloniality modernity Contesting restrictive national and linguistic boundaries when discussing literature originating from the Caribbean Pulitano situates the transnational location of Caribbean born writers within current debates of Transnational American Studies and investigates the role of immigrant writers in discourses of race ethnicity citizenship and belonging Exploring the multifarious intersections between home exile migration and displacement the book makes a significant contribution to memory and trauma studies human rights debates and international law aiming at a wide range of scholars and specialized agents beyond the strictly literary circle This volume affirms the humanity of personal stories and experiences against the invisibility of immigrant subjects in most theoretical accounts of diaspora and migration

Teaching Representations of the Spanish Civil War Noël Valis, 2007-01-20 It was the stuff of Capa Hemingway Orwell Picasso Rodoreda Sender and a host of others working in Catalan German Irish and Spanish from both sides of the Atlantic It is also very difficult to teach not only because the Spanish Civil War is perceived as the precursor to World War II but also because it has been heavily romanticized This collection of articles and resources cuts to the events and their real impact on history literature and the arts and includes commentary on contexts rhetoric ideology writing film music iconography and the visual memory and displacement This stands alone as a series of accounts of the ways the war was and is represented giving narratives of such elements as the memories of the Abraham Lincoln Brigade and the uses of allegory but it is also particularly valuable through its lists of resources and course syllabi

The Routledge Companion to World History since 1914 Chris Cook, John Stevenson, 2006-01-27 The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti semitism and the Holocaust all the world's major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world's major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history

Lacan and Race Sheldon George, Derek Hook, 2021-07-08 This edited volume draws upon Lacanian psychoanalytic theory to examine the conscious and unconscious forces underlying race as a social formation conceptualizing race racial identity and racism in ways that go beyond traditional modes of psychoanalytic thought Featuring contributions by Lacanian scholars from diverse geographical and disciplinary contexts chapters span a wide breadth of topics including white nationalism and contemporary debates over confederate monuments emergent theories of race rooted in Afropessimism and postcolonialism analyses of

racism in apartheid and American slavery clinical reflections on Latinx and other racialized patients and applications of Lacan's concepts of the lamella drive and sexuation to processes of racialization The collection both reorients readers' understandings of race through its deployment of Lacanian theory and redefines the Lacanian subject through its theorizing of subjectivity in relation to race racism and racial identification Lacan and Race will be a definitive text for psychoanalytic theorists and contemporary scholars of race appealing to readers across the fields of psychology cultural studies humanities politics and sociology

From Guernica To Human Rights Essays On The Spanish Civil War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading From Guernica To Human Rights Essays On The Spanish Civil War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading From Guernica To Human Rights Essays On The Spanish Civil War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading From Guernica To Human Rights Essays On The Spanish Civil War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading From Guernica To Human Rights Essays On The Spanish Civil War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article,

such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading From Guernica To Human Rights Essays On The Spanish Civil War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About From Guernica To Human Rights Essays On The Spanish Civil War Books

What is a From Guernica To Human Rights Essays On The Spanish Civil War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a From Guernica To Human Rights Essays On The Spanish Civil War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a From Guernica To Human Rights Essays On The Spanish Civil War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a From Guernica To Human Rights Essays On The Spanish Civil War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a From Guernica To Human Rights Essays On The Spanish Civil War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
