From Muhammad To Bin Laden From Muhammad To Bin Laden:

From Muhammad to Bin Laden David Bukay, 2011-12-31 From Muhammad to Bin Laden analyzes the ideological religious and cultural foundations of one of the most inconceivable phenomena in contemporary world politics Bukay analyzes the homicide bombings and atrocities perpetuated by worldwide jihad He also uses information from primary sources to suggest how to cope with this lethal phenomenon The book explores the meaning and interpretation of the seemingly benign concept of da wah the expansion of the Islamic community Da wah provides the religious and ideological justification for the lethal phenomenon of worldwide jihad it describes the incentive and motivational drive that support the emergence and the operation of the fundamentalist Islamic movement Bukay locates the dimensions of the phenomenon of jihad as well as the reasons motivations and aspects of the behavior of fundamentalist groups The importance of this work lies in its skillful combination of historical perspectives and contemporary dynamics religious and anthropological aspects of the phenomena and its use of research tools of both the humanities and social sciences By exploring the religious and cultural foundations of homicide bombers activities Bukay explains the essence of jihad how it is connected to the da wah and together how da wah and jihad serve as the platform of the current worldwide terrorist activities Bukay quotes religious edicts and declarations of classical and modern Islamic texts as well as contemporary Islamic fanatic movements from Ibn Hanbal in the eighth century to Sayyid Qutb in the mid twentieth century He also aims to bring to the world s consciousness the aims and objectives of fundamentalist Islam The volume concludes by challenging the free world to wake up before the bells of another world war start to ring From Muhammad to Bin Laden will interest scholars policymakers and lay readers Its importance is transparent particularly in light of the current developments in the Middle East *The Holy Warrior: Osama Bin Laden and His Jihadi Journey in the Soviet-Afghan War* Reagan Fancher, 2023-10-10 Fought between 1979 and 1989 the Soviet Afghan War provided vital combat experience for Osama bin Laden and his senior lieutenants in al Qaeda allowing them to hone their newly acquired skills in guerrilla warfare to later support Islamist insurgencies worldwide Yet the ruthless al Qaeda chief s success depended on the Soviet leadership s reluctant prolonging of its military occupation out of fear of leaving Afghanistan in hostile hands As relative latecomers to the ferocious Afghan frontlines the inexperienced Arab fighters benefitted militarily from the combat training unwittingly provided by their Soviet foes After skillfully obtaining this command and battle experience by working within the wartime atmosphere bin Laden channeled al Qaeda s efforts in a global jihadi campaign targeting a second superpower and its allies While allegations of U S support for the Arab jihadis have contributed to a popular image of bin Laden and al Qaeda as C I A creations the historical facts appear to demonstrate that the combat opportunities provided by the Soviet occupation forces played a far larger role in transforming them into seasoned guerrilla fighters In this second edition Reagan Fancher updates and expands his monograph in an Afterword elaborating on the contemporary U S U K perceptions of bin Laden s wartime actions and their results as he applied his

battle honed guerrilla tactics judo skills and recruitment capabilities in tactically helping Yemen's anti communist Salafi guerrillas to emerge victoriously in their country's 1994 Civil War before concluding with an assessment of the founding al Qaeda leader's impact on history It offers an opportunity for today's decision makers to learn from history and avoid creating new generations of Osama bin Ladens Usama bin Laden's Al-Qaida:Profile of a Terrorist Network Yonah Alexander,Michael Swetnam,2021-10-01 The al Qaida informal and loose international network in over 50 countries has been responsible for spectacular terrorist operations such as the 1993 World Trade Center bombing in New York the 1996 bombing of the Khobar Towers in Saudi Arabia the 1998 U S embassy bombings in East Africa and is apparently linked to the attack of the destroyer USS Cole in Aden Yemen in 2000 and the September 11th 2001 events in New York City and Washington DC The purpose of this book is not to glorify bin Laden and al Qaida Rather it is designed to provide an easily accessible reference for academics policymakers reporters and other interested individuals on one of the most notorious terrorist groups The volume exposes much of al Qaida's mystique and thereby places it in perspective as one of the many challenges facing the international community in the 21st Century Published under the Transnational Publishers imprint

Qaida the most notorious terrorist group of our time had been killed in Pakistan by an American special task force The most sought terrorist in the world is dead but the ideology of violence that he and his followers have embraced is still alive It is said that terrorism is as old as history It has operated under number of names and emerged under a variety of banners It is a violent act that targets civilians to advance an ideological or political cause Today terrorism is operating under the cover of Islam Over the centuries Islam has co existed and interacted with religions cultures and civilizations In general that interaction has produced multicultural colourful societies So why is Islam now being used as an incubator of violence What are the foundations of Islam its message and the way it relates itself to other monotheist religions What do we really know about Islam More importantly what do those young Muslims who kill themselves and devastate the lives of others know about their religion Are they aware that suicide is considered to be a great sin in Islam And do they know that killing an innocent soul is an unforgivable crime in Islam Do they realize that hate preachers are promoting their own anomalous version of Islam The answers to those questions and more are methodically explored in this book Jihad Osama Bin Laden,Brad K.
