From A Heavenly Land Elizas Story:

From a Heavenly Land Cathy Bayless Slusser, 2013-04-16 As German immigrants in 1843 the Atzeroth family embarked on a journey in life upon the west coast of Florida the southern side of Terra Ceia Island where hope and expectations led to disappointment and despair at every turn As their faith carries them through it s Eliza who finds that the Florida frontier brings her to the end of her faith only to find it renewed and restored again through the unforeseen tragedies she endures and overcomes She finds unexpected hope and strength through the leader of a Seminole tribe a horse and a runaway slave Though life is filled with tragedy for Eliza and it appears that hope has abandoned her it becomes evident that clearly God has not This gripping and inspiring true story of one woman s life on the Florida frontier is based on historical documentation that will lead you into an experience of the life of Florida s pioneers from the 1840s through the Seminole Wars the Civil War and Reconstruction In her riveting debut novel Cathy Slusser a professional historian in Manatee County Florida takes you through a powerful story of one family s hopelessness that yields way to redemption through faith The Best Land Under Heaven: The Donner Party in the Age of Manifest Destiny Michael Wallis, 2017-06-06 Longlisted for the Andrew Carnegie Medal for Excellence Finalist for the Oklahoma Book Award A Publishers Weekly Holiday Guide History Pick A book so gripping it can scarcely be put down Superb New York Times Book Review WESTWARD HO FOR OREGON AND CALIFORNIA In the eerily warm spring of 1846 George Donner placed this advertisement in a local newspaper as he and a restless caravan prepared for what they hoped would be the most rewarding journey of a lifetime But in eagerly pursuing what would a century later become known as the American dream this optimistic yet motley crew of emigrants was met with a chilling nightmare in the following months their jingoistic excitement would be replaced by desperate cries for help that would fall silent in the deadly snow covered mountains of the Sierra Nevada We know these early pioneers as the Donner Party a name that has elicited horror since the late 1840s With The Best Land Under Heaven Wallis has penned what critics agree is destined to become the standard account Washington Post of the notorious saga Cutting through 160 years of myth making the expert storyteller True West compellingly recounts how the unlikely band of early pioneers met their fate Interweaving information from hundreds of newly uncovered documents Wallis illuminates how a combination of greed and recklessness led to one of America s most calamitous and sensationalized catastrophes The result is a fascinating horrifying and inspiring Oklahoman examination of the darkest side of Manifest Destiny **The Blind Girl; Being the True History of Eliza Grove. A Poem. To which are Added the Bride of the Lamb, and the Prisoner in the Dungeon** Caroline SPIRE, 1870 *A Philosophical and Political History of the Settlements and Trade of the Europeans in the East and West Indies* abbé Raynal (Guillaume-Thomas-François), 1804 **On Sidesaddles to Heaven** Laurie M. Hedrick, 1995-06-01 Up to this year I have always felt that I had no particular call to meddle with this subject But I feel now that the time is come when even a woman or a child who can speak a word for freedom and humanity is bound to speak Thus did Harriet Beecher Stowe announce her decision to begin work on what would become one of the most influential novels ever written The subject she had hesitated to meddle with was slavery and the novel of course was Uncle Tom's Cabin Still debated today for its portrayal of African Americans and its unresolved place in the literary canon Stowe's best known work was first published in weekly installments from June 5 1851 to April 1 1852 It caused such a stir in both the North and South and even in Great Britain that when Stowe met President Lincoln in 1862 he is said to have greeted her with the words So you are the little woman who wrote the book that created this great war In this landmark book the first full scale biography of Harriet Beecher Stowe in over fifty years Joan D Hedrick tells the absorbing story of this gifted complex and contradictory woman Hedrick takes readers into the multilayered world of nineteenth century morals and mores exploring the influence of then popular ideas of true womanhood on Stowe's upbringing as a member of the outspoken Beecher clan and her eventful life as a writer and shaper of public opinion who was also a mother of seven It offers a lively record of the flourishing parlor societies that launched and sustained Stowe throughout the 44 years of her career and the harsh physical realities that governed so many women's lives The epidemics high infant mortality and often disastrous medical practices of the day are portrayed in moving detail against the backdrop of western expansion and the great social upheaval accompanying the abolitionist movement and the entry of women into public life Here are Stowe's public triumphs both before and after the Civil War and the private tragedies that included the death of her adored eighteen month old son the drowning of another son and the alcohol and morphine addictions of two of her other children The daughter sister and wife of prominent ministers Stowe channeled her anguish and her ambition into a socially acceptable anger on behalf of others transforming her private experience into powerful narratives that moved a
