Modern-day Israel and the Jewish community are strongly influenced by the memory and horrors of Hitler and the Holocaust. Burg argues that the Jewish nation has been traumatized and has lost the ability to trust itself, its neighbors, or the world around it. He shows that this is one of the causes for the growing nationalism and violence that are plaguing Israeli society and reverberating through Jewish communities worldwide. Burg uses his own family history; his parents were Holocaust survivors, to inform his innovative views on what the Jewish people need to do to move on and eventually live in peace with their Arab neighbors and feel comfortable in the world at large. Thought-provoking, compelling, and original, this book is bound to spark a heated debate around the world. Rising from Ashes Margaret Light, 2024-11-15. In the aftermath of a devastating fire in a Nigerian village, two childhood friends reunite to rebuild their community. Now with nothing left to lose, Hank Evans has transformed from a hollow shell to a military leader of the Foederati, hardened to the core with the cold, unmerciful steel of revenge. He rightfully blames the Emperor for the death of his son and will stop at nothing to destroy the evil man and his twisted religious empire. Armed with the knowledge that he alone is the biggest threat to the monster who rules the American Empire, Hank needs only to learn the secret that will allow him to kill this terrible creature who ripped apart so many lives. But as the vampire Queen's belly grows larger and the time for her to give birth grows near, new visions of the future distract Hank from his plans of vengeance, with glimpses of a boy hidden in shadows. A boy who looks so very much like Toby. And in the end, a new litter of vampires is born, and they will change everything. **Rise Up Women!** Diane Atkinson, 2018-02-08.
