Bush Planes and Bush Pilots Dan McCaffery, 2003-06 Now available in paperback Bush Planes and Bush Pilots tells the stories of sixteen extraordinary bush planes that can be found in Canada s aviation museums and the pilots who flew them It is also a celebration of some of the greatest moments in Canadian history when daring young pilots defied incredible odds to open up some of the nation s most remote regions to the outside world Each bush plane is profiled individually accompanied by historical and contemporary visuals and colour artwork Author Dan McCaffery highlights a diverse spectrum of planes from the pioneer era to the modern day Stories include people like World War I ace Wop May who used his bush plane to hunt down Albert Johnson the infamous Mad Trapper of Rat River Russ Baker who performed a death defying rescue of two dozen airmen stranded in a storm on a mountainside near the Alaska Yukon border and Jack Hunter who used his Fairchild to track down rumrunners off the coast of New Brunswick This is an attractive book that will appeal to anyone interested in reading about adventure or aviation history

Alaska's First Bush Pilots, 1923-30 Jim Rearden, 2014-04-04 This book follows the careers of Alaska s pioneering pilots who with cranky open cockpit biplanes started the great change in Alaska s way of travel Aviation first arrived at Fairbanks the trade center of mainland Alaska from which dog sled trails spider web to mines villages and trap lines During winters goods and people traveled mostly by dog sled During the summer of 1923 Ben Eielson was the first to fly commercially from Fairbanks ferrying passengers and light freight with an open cockpit Jenny JN4 biplane It was the beginning of the leap from ground travel to the air Noel Wien was the next In the summers of 1924 26 he flew open cockpit biplanes from Fairbanks Starting in 1927 he flew a cabin biplane year around on scheduled flights in the 579 miles between Fairbanks and Nome In March 1929 Wien flew from Alaska to the Elisif an ice locked trading schooner in Siberia to return with a load of valuable furs In the following November Ben Eielson repeated this flight to the Nanuk another ice bound trading schooner in Siberia And when he and his mechanic Earl Borland returned for a second load of Siberian fur their Hamilton airplane disappeared in a winter snowstorm This brought on one of the most famous and difficult aerial searches ever made from and in Alaska By the 1930s Alaska s growing aviation industry had revolutionized transportation in the Territory This volume is a fond look back at the triumphs and tragedies of the pioneering Ben Eielson Noel Wien Harold Gillam Joe Crosson Ed Young and others the great pilots who were the first bush pilots of Alaska

Who Killed

Hammarskjold? Susan Williams, 2014-08-15 One of the outstanding mysteries of the twentieth century and one with huge

political resonance is the death of Dag Hammarskjöld and his UN team in a plane crash in central Africa in 1961 Just minutes after midnight his aircraft plunged into thick forest in the British colony of Northern Rhodesia Zambia abruptly ending his mission to bring peace to the Congo Across the world many suspected sabotage accusing the multi nationals and the governments of Britain Belgium the USA and South Africa of involvement in the disaster These suspicions have never gone away British High Commissioner Lord Alport was waiting at the airport when the aircraft crashed nearby He bizarrely insisted to the airport management that Hammarskjöld had flown elsewhere even though his aircraft was reported overhead This postponed a search for so long that the wreckage of the plane was not found for fifteen hours White mercenaries were at the airport that night too including the South African pilot Jerry Puren whose bombing of Congolese villages led in his own words to flaming huts destruction and death These soldiers of fortune were backed by Sir Roy Welensky Prime Minister of the Rhodesian Federation who was ready to stop at nothing to maintain white rule and thought the United Nations was synonymous with the Nazis The Rhodesian government conducted an official inquiry which blamed pilot error But as this book will show it was a massive cover up that suppressed and dismissed a mass of crucial evidence especially that of African eye witnesses A subsequent UN inquiry was unable to rule out foul play but had no access to the evidence to show how and why Now for the first time this story can be told Who Killed Hammarskjöld follows the author on her intriguing and often frightening journey of research to Zambia South Africa the USA Sweden Norway Britain France and Belgium where she unearthed a mass of new and hitherto secret documentary and photographic evidence At the heart of this book is Hammarskjöld himself a courageous and complex idealist who sought to shield the newly independent nations of the world from the predatory instincts of the Great Powers It reveals that the conflict in the Congo was driven not so much by internal divisions as by the Cold War and by the West's determination to keep real power from the hands of the post colonial governments of Africa It shows too that the British settlers of Rhodesia would maintain white minority rule at all costs
