School Leadership Sheryl G. Feinstein, Robert W. Kiner, 2011-06-01 Build on your staff's strengths for optimized leadership. Best-selling author Sheryl G. Feinstein demonstrates how educational leaders can apply a popular business prototype of leadership strengths and the latest brain research to lead effectively. Her new book co-authored by veteran administrator and instructional leader Robert W. Kiner outlines four leadership styles: executor, relationship builder, influencer, and strategic thinker, and shows how to capitalize on them to create a positive school culture. Mentor and supervise teachers. Keep track of standardized testing. Foster community partnerships. Use data to inform curriculum and instruction. The authors link current cognitive research with the challenges of educational leadership to make clear the links between neural wiring, learning, and leading.

Play Therapy and Expressive Arts in a Complex and Dynamic World Isabella Cassina, Claudio Mochi, Karen Stagnitti, 2022-08-19 This book offers cutting-edge expertise and knowledge in new and developing play therapy, therapeutic play, and expressive arts for families and children in crisis and challenging situations. The book focuses on the use of play therapies in complex and dynamic situations such as pandemics, post-disaster conditions, crisis, migration, poverty, and deprivation. Evidence in the book is rooted in theory and contains examples of direct clinical experiences of play therapy approaches by the authors from across six continents, offering innovative methods to apply expressive arts modalities across different situations. It highlights the need to understand the context and needs of the children and families in their particular situations and provides examples of application of therapeutic principles and techniques in individual and group settings and within schools and communities. With reflections and guidance on how to support children in reaching their potential in a variety of difficult contexts, the book will be key reading for scholars and researchers in the fields of play therapy, expressive arts therapies, and creative psychotherapy, as well as professionals in these areas.

The School Principals' Guide to Successful Daily Practices Barbara L. Brock, Marilyn L. Grady, 2014-04-01 While many books outline the attributes of successful school leaders, few describe how those traits manifest in daily practice. *The Daily Practices of Successful Principals* goes beyond the outward picture of excellence and provides a compendium of daily practices used by successful principals in various settings. Written by former administrators who have walked in your shoes, this handy guide's strategies are based on interviews with successful leaders and are applicable in multiple contexts. Inside, you will find guidelines for: Examining your values, educational platform, and personal style; Establishing learning as a common purpose; Identifying and leading school change; Managing staff and student relationships effectively; Developing teacher leaders. The authors understand that principals are expected to have the patience of Job, the tenacity of Atlas, the compassion of Mother Teresa, and a sense of humor. The recommended daily practices will help you stay focused on the most important things, leading effectively, promoting student achievement, and making a positive difference in students' lives.
