From Here To Maternity:

From Here to Maternity Oakley, Ann, 2019-09-11 Ann Oakley is a pioneer in the field of sociological research In this classic re issue she interviewed 60 women to find out what it s really like to have a baby Covering pregnancy birth and child care she relies on the stories mothers tell to discuss whether and why women want to become pregnant how they imagine motherhood to be the experience of birth post natal depression feeding and caring routines and the challenges for the domestic division of labour and to fathers She shows that most women are unprepared for the birth or the work of caring for a baby but also for the joys that a baby can bring As topical today as the day it was written this important book was the first to examine first time motherhood in the words of those experiencing it and it continues to influence generations of researchers today *From Here to Maternity* Kris Webb, Kathy Wilson, 2014-06-03 Saturday morning coffee sessions are never going to be the same Sydney marketing exec Sophie presumed making sacrifices for your children meant giving up Bloody Marys and champagne for nine months When she thought about it that is But then two blue lines appear on her pregnancy test How does a baby fit in with a hectic job a chaotic social life and the absence of Max the Y chromosome in the equation who has moved to San Francisco Support and dubious advice are provided by an unlikely group that gathers for a weekly coffee get together at the King Street Cafe With Debbie the glamorous man eater Andrew the fitness junkie Anna the disaster prone doctor and Karen the statistically improbable happily married mother of three Sophie discovers the ups and downs of motherhood And when an unexpected business venture and a new man appear on the scene it appears that just maybe there is life after a baby Written by two sisters who live on different continents Kris Webb and Kathy Wilson *From Here to Maternity* is a novel that tackles the balancing of motherhood romance and a career while managing to be seriously funny *From Here to Maternity* Cheryl Anne Porter, 2011-07-15 Murphy Brown meets June Cleaver Up and coming ad exec Laura Sloan loves her single child free life just the way it is So what s she going to do when she finds an adorable abandoned baby boy in her office and her first love gorgeous Grant Maguire on her doorstep Suddenly she s got two males to contend with and she hasn t a clue what to do with either one of them Grant Maguire definitely knows what he d like to do with Laura His biggest regret was ever letting her go But he s not going to make that mistake again and he s not above using Laura s maternal instincts against her Little do they guess that baby Tucker has his own agenda And when facing a munchkin on a mission two love struck adults don t stand a chance *From Here to Maternity* Lana Grant, 2015-03-21 Exploring the challenges of becoming a mother with autism Lana Grant draws on her experience of pregnancy and motherhood before and after diagnosis to offer advice to other women and the professionals working with them Her stories humour and personal reactions to her experiences offer real insight into this aspect of life on the spectrum *From Here to Maternity* Connie Clydene Marshall, 2002 *EBOOK: Hard Labour: The Sociology of Parenthood* Caroline Gatrell, 2004-12-16 This innovative book examines changes in family practices and paid work in the 21st century Focusing on highly qualified mothers who

combine childcare with employment it makes a valuable contribution to current debates It also takes into account the views of fathers making it a rounded study of family practice in the new millennium Hard Labour puts forward some new and thought provoking arguments about both mothers and fathers commitments to parenting and paid work The first part of the book provides an up to date comprehensive and readable overview of the literature on motherhood fatherhood family practices and women in employment The second part draws on a qualitative study of the lives of twenty mothers and their husbands or partners each of whom is educated to degree level or above and has at least one child under five This study considers key aspects of the family lives of the men and women interviewed including How they manage their commitments to one another their children and their professional work Sharing out family tasks such as childcare and housework At each stage the empirical research is placed in the context of the literature referenced in the first part and of the wider debate on career and motherhood Hard Labour is essential reading for students and academics in sociology family policy family studies women s or gender studies and the sociology of management employment

Narratives of Mothering Gill Rye, 2009 Mothers have been both idealized and demonized in Western cultures With Simone de Beauvoir s feminist analysis of motherhood in *The Second Sex* as her point of departure Rye Germanic and Romance studies U of London studies how French autobiographical and fictional narratives of mothering since 1990 differ from those told about them In the context of societal changes she explores themes including loss and trauma related to childbirth literally and figuratively ambivalence and guilt power and powerlessness and lesbian and single parenting in the works of Christine Angot Genevieve Brisac Marie Darrieussecq Camille Laurens Leila Marouane and Marie Ndiaye among others

Becoming a mother Carla Pascoe Leahy, 2023-04-04 Becoming a mother charts the diverse and complex history of Australian mothering for the first time exposing the ways it has been both connected to and distinct from parallel developments in other industrialised societies In many respects the historical context in which Australian women come to motherhood has changed dramatically since 1945 And yet examination of the memories of multiple maternal generations reveals surprising continuities in the emotions and experiences of first time motherhood Drawing upon interdisciplinary insights from anthropology history psychology and sociology Carla Pascoe Leahy unpacks this multifaceted rite of passage through more than 60 oral history interviews demonstrating how maternal memories continue to influence motherhood today Despite radical shifts in understandings of gender care and subjectivity becoming a mother remains one of the most personally and culturally significant moments in a woman s life

The Rise and Fall of National Women's Hospital Linda Bryder, 2014-04-01 In this major history Linda Bryder traces the annals of National Women s Hospital over half a century in order to tell a wider story of reproductive health She uses the varying perspectives of doctors nurses midwives consumer groups and patients to show how together their dialog shaped the nature of motherhood and women s health in 20th century New Zealand Natural childbirth and rooming in artificial insemination and in vitro fertilization sterilization and abortion women s health and reproduction went

through a revolution in the 20th century as scientific advances confronted ethical and political dilemmas In New Zealand the major site for this revolution was National Women s Hospital Established in Auckland in 1946 with a purpose built building that opened in 1964 National Women s was the home of medical breakthroughs scandals This chronicle covers them all

Mother Is a Verb Sarah Knott,2019-04-02 Welcome to a work of history unlike any other Mothering is as old as human existence But how has this most essential experience changed over time and cultures What is the history of maternity the history of pregnancy birth the encounter with an infant Can one capture the historical trail of mothers How In Mother Is a Verb the historian Sarah Knott creates a genre all her own in order to craft a new kind of historical interpretation Blending memoir and history and building from anecdote her book brings the past and the present viscerally alive It is at once intimate and expansive lyrical and precise As a history Mother Is a Verb draws on the terrain of Britain and North America from the seventeenth century to the close of the twentieth Knott searches among a range of past societies from those of Cree and Ojibwe women to tenant farmers in Appalachia from enslaved people on South Carolina rice plantations to tenement dwellers in New York City and London s East End She pores over diaries letters court records medical manuals items of clothing And she explores and documents her own experiences As a memoir Mother Is a Verb becomes a method of asking new questions and probing lost pasts in order to historicize the smallest even the most mundane of human experiences Is there a history to interruption to the sound of an infant s cry to sleeplessness Knott finds answers not through the telling of grand narratives but through the painstaking accumulation of a trellis of anecdotes And all the while we can feel the child on her hip

Love-Lines Sheri Langer,2019-02-26 What if you could find the love of your life just by reading between the lines Single mom Fordham Price is juggling her job at a small publisher her precocious ten year old daughter and her feisty mother She wants to find time for men but after a series of dating disasters her relationship status is still stuck at single As if her macchiato lite wasn t already overflowing a co worker gets pregnant and Fordham is expected to step in and deliver the company s latest reality read from the Flowers from the Heart series She must now supplement her own romantic misadventures with tales of cynical cat ladies identical twin husbands spunky monks and countless other web crawlers As she wades through the submissions she finds one from a widower whose story gives her tingles in all the places she forgot existed His words draw her in until she finds herself daydreaming about him more than she d care to admit Could she have a love like that or will her romantic fate be forever bound to her philandering ex husband *Let s Talk About Egg Donation*

Marna Gatlin,Carole LieberWilkins MFT,2019-07-15 Let s Talk About Egg Donation was written by for and about families built through egg and embryo donation It takes the reader on a journey from infertility diagnosis to pregnancy to how to talk to your child about egg donation Let s Talk About Egg Donation tells true stories of real families who are parenting via egg and embryo donation Their stories are woven throughout the book to craft an informative easy to read narrative that focuses on positive language choices This is the first book written by parents through egg donation that gives you age appropriate

scripts for how to take the scary out of talking to your kids about the special way in which they were conceived *Life After Birth* Kate Figes,2013-03-07 Forget about the baby for just one minute what about you New motherhood changes everything Few women are prepared for the radical shifts in identity emotional intensity and relations with friends family and the father of their child In this fully revised and updated edition of the classic book that first bust the conspiracy of silence surrounding the upheaval of new motherhood Kate Figes draws on medical and historical research the invention of good motherhood as well as personal testimony to reassure new mothers everywhere that they are not only normal if they find things difficult but also doing fine The Reproductive Industry Sarah Ferber,Vera Mackie,Nicola J. Marks,2019-07-24 Starting in 1978 when

the first babies conceived through in vitro fertilization IVF were born in the UK and India assisted reproduction has become a global industry Contributors to this edited collection reflect on the global dimensions of IVF and assisted reproductive technologies examining how people have used these technologies to create diverse family forms including gay lesbian and transgender parenthood as well as complex configurations of genetic gestational and social parenthood The authors examine how IVF and other reproductive technologies have and have not circulated around the globe how reproductive technologies can be situated historically nationally locally and culturally and the ways in which culture practices regulations norms families and kinship ties may be reinforced or challenged through the use of assisted reproduction

Couples' Transitions to Parenthood Charlotte Faircloth,2021-07-10 This book argues that new parents are caught in an uncomfortable crossfire between two competing discourses those around ideal relationships and those around ideal parenting The author suggests that parents are pressured to be equal partners while also being asked to parent their children intensively in ways markedly more demanding of mothers Reconciling these ideals has the potential to create resentment and disappointment Drawing on research with couples in London as they became parents the book points to the social pressures at play in raising the next generation at material physiological and cultural levels Chapters explore these levels through concrete practices birth feeding and sleeping three of the most highly moralised areas of contemporary parenting culture **Pregnancy For**
