Concerning The Christ:

Sermons on the following subjects viz. 'I. Concerning Christ's not appearing to all the people after his resurrection'. II. of the unbelief of the Jews William Clagett,1720 *The Ministry, Vol. 10, No. 02* Various Authors,2006-03-01 This issue of The Ministry contains a complete record of the nine messages given during the 2005 International Training for Elders and Responsible Ones in Moscow Russia in October 2005 The general subject of the training was the vision of the Lord s recovery and its application The burden for these messages can be summarized in the following four statements 1 the true vine Christ the Son with the believers in the Son as the branches is the organism of the Triune God in the Son for His multiplication spreading and glorification in the divine life 2 we must stay on the way of life the line of life in the maintenance of life by enjoying Christ as the tree of life in the flow of life for God s building in life by our growth in life 3 the kingdom of God is constituted with God s life as the realm of the divine life for His ruling in which He reigns by His life and expresses Himself as the Divine Trinity in the divine life and 4 the intrinsic significance of the golden lampstand is the highest peak of the divine revelation the subjective experience of the golden lampstand is the God man living and the organic maintenance of the golden lampstand is Christ s shepherding in His heavenly ministry We also include a report concerning the Lord s move in Ghana and Nigeria West Africa **On Christ's Mission** Riaan Engelbrecht,2023-07-25 When Jesus departed to be with His eternal Father He gave the church the ecclesia a clear mission statement in Matthew 28 which speaks of the Great Commission And what is the Great Commission therefore the mission Go and make disciples so that the world may be told of Jesus and therefore be saved Some will say some translations never speak of making disciples but rather to teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost But is the purpose of teaching the nations of Christ not to make disciples If one teaches someone about Jesus you are surely equipping them to be a follower of Jesus And such a follower is a disciple We are called in God s wisdom and by His Spirit to teach all people about Jesus for the purpose of making disciples It doesn t happen automatically It will take a concerted and decisive effort of the Bride of God Time is however slipping away to get our house in order with God and now is the time to do so We are living in the last days and the day of the Lord s coming is at hand Billions of people are still lost in every city town and village across the world There is no more time to be playing church or to be consumed with our agendas We need to come into alignment with God seek Him and be awake from our slumber The church has been slumbering for a long time lulled into sleep by a false sense of security peace and a sense of accomplishment Yet there is a mission to complete which is the Great Commission It is God s mission of bringing in the harvest of the lost and broken Now is the time to get busy with God s business and His business is about salvation redemption and restoration The call to the church to actively engage in this mission therefore to make the main thing the main thing is covered in volumes one and two **The Words and Works of Jesus Christ** J. Dwight Pentecost,2016-10-04 The life of Jesus Christ takes on fresh clarity and meaning in this masterful work by Dwight Pentecost

The words the miracles and overarching message of the Messiah come alive in flowing and detailed chronology set against the cultural political and religious setting of his day The Words and Works of Jesus Christ will give you a new and deeply biblical understanding of Why Jesus came How he operated What he accomplished Above all you ll acquire a deeper appreciation for the love that guided his path beginning in a manger in Bethlehem leading through three and a half years of ministry that ended abruptly at the cross on Golgotha and blazing forth in eternal triumph at the resurrection Drawing liberally on the works of others who have written about Christ such as Alfred Edersheim J W Shepherd W Graham Scroggie and Frederick Faraar Dr Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching Yet he writes not as one who knows all there is to know about Christ but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King and that no book can do more than begin to tell all the wonders of his being and his love Journey with him on this study of the life of Christ The Pleasant Catechism Concerning Christ: with Pleasant Stories, Illustrations and Hymns, Etc Charles Haddon Spurgeon,1865 The Works of Flavius Josephus ... To which are Added, Three Dissertations Concerning Jesus Christ, John the Baptist, James the Just, God's Command to Abraham, &c. With an Index ... SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52:7 Non Jews would think of the good news of an emperor's accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel

The Necessity of Christ's Satisfaction Joshua D. Schendel, 2022-10-04 The seventeenth century Reformed Orthodox discussions of the work of Christ and its various doctrinal constitutive elements were rich and multifaceted ranging across biblical and exegetical historical philosophical and theological fields of inquiry Among the most contested questions in these discussions was the question of the necessity of Christ's satisfaction This study sets that great controverted point as Richard Baxter called it in its historical and traditionary contexts and provides a philosophical and theological analysis of the arguments offered by two representative Reformed scholastic theologians William Twisse and John Owen
