The Wheat and the Tares Andrew Allan Chibi, 2017-05-25 Western Christians in the late Middle Ages were accustomed to living in a hierarchical Church albeit one that had huge local differences and many divisions Half a millennium later that seeming unity has been shattered into tens of thousands of Christian denominations each with its distinctive beliefs and structure In The Wheat and the Tares Andrew Chibi explores the era of the Reformation showing how that unity was shattered in a few

years Chibi brings out the divisions that were simmering deep beneath the surface in the era before Luther posted his 95 theses attacking the sale of indulgences on the door of the Castle Church at Wittenberg sparking momentous changes throughout Europe The widespread recognition of the need for reform is seen through the eyes of Erasmus the greatest scholar of the age Exploring the writings of the main reformers about the Church Chibi brings out the diverse ecclesiological ideas Jesus's parable of the Wheat and the Tares for Zwingli and other reformers offered an image as the reformers sought to rediscover the purity of the Church as God's gift **Marriage** Curt Hamner, John Trent, Rebekah J. Byrd, Eric L. Johnson, Erik Thoennes, 2018-11-06 Never has the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage And this is a topic worth getting right Marriage was given to us as a picture of the triune God in relationship with his people which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes Therefore it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it Marriage Its Foundation Theology and Mission in a Changing World is the much needed work on marriage for this generation and the next Rooted in a scriptural understanding of marriage it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God's design for marriage and be strengthened to stand firm amidst any challenges the world may bring

Sixteenth-Century Mission Robert L. Gallagher, Edward L. Smither, 2021-04-07 Did the Reformers lack a vision for missions In Sixteenth Century Mission a diverse cast of contributors explores the wide reaching practice and theology of mission during this era Rather than a century bereft of cross cultural outreach we find both Reformers and Roman Catholics preaching the gospel and establishing the church in all the world This overlooked yet rich history reveals themes and insights relevant to the practice of mission today **Counseling Under the Cross** Bob Kellemen, 2017-08-14 Martin Luther not only reformed theology Luther reformed pastoral counseling Through lively vignettes real life stories and direct quotes from Luther Counseling Under the Cross equips us to apply the gospel richly relevantly and robustly to suffering and sin so that we find our hope and help in Christ alone **1 Corinthians** Scott M. Manetsch, 2017-04-25 This volume of the Reformation Commentary on Scripture edited by Scott Manetsch provides Reformation era biblical commentary on Paul's first letter to the church in Corinth Drawing on Lutheran Reformed Anglican Radical and Roman Catholic resources it reveals the richness of early modern biblical exegesis for the renewal of the church today Practicing Ministry in the Presence of God John Jefferson Davis, 2015-07-13 Practicing Ministry in the Presence of God presents a new paradigm for church ministry one that is based on fundamental truths of the Christian faith such as the Trinity union with Christ and the already presence of the Holy Spirit in the church This new paradigm can help busy pastors avoid burnout in the ministry and model Trinitarian New

Testament patterns of ministry to their people Practicing Ministry in the Presence of God reflects the best of recent New Testament scholarship sensitivity to the contexts of globalized postmodern cultures dominated by digital media and practical applications for Christian life discipleship worship and mission **A Treatise on Christian Banking** Morten

Bosterud,2022-08-01 From a moral perspective all banking practice and theory can be seen as value driven Therefore there will be no such thing as value neutral banking activities and the application of Christian ethical and pastoral principles adds insights to the field of banking for all its involved stakeholders This book contributes to the specific scientific discourse of practical theology as this typically appears within the subfields of ethics and pastoral studies Christian ethics and pastoral principles as applied in banking make up a largely neglected area in the wider academic discourse found within practical theology and the research presented in this book contributes new knowledge to the field with particular emphasis on banking practice It is expected that the theories presented herein will be of interest for other scholars not only within the realm of practical theology but also in a cross domain perspective where scholars in a broad field of disciplines may find the research and academic positions of interest Such academic fields would include economics finance business administration sociology history anthropology and perhaps more This expectation may not least be derived from the increasing focus on Corporate Social Responsibility CSR as this has emerged over the last decades within the wider business realm in general whence the world of banking has followed suit Alongside this development an emergence of Islamic banking has been seen which has showed substantial growth and success *40 Questions About Pastoral Ministry* Phil A.
