Concise Theology J. I. Packer, 2011-07-14 Studying theology doesn't need to be intimidating. Respected theologian and author of *Knowing God* J. I. Packer explains the essentials of biblical belief and Christian doctrine in a style that can be understood easily by any follower of Jesus. With each chapter being the perfect length for busy readers, this summary of Christian teaching covers 94 beliefs from a Reformed perspective. Each one highlights a unique facet of God and His plan for us. Packer offers precise descriptions that are accessible without sacrificing depth, including Scripture verses on each topic for further study. Thoughtfully arranged and refreshingly readable, this resource addresses: How predestination fits into God's redemptive plan; The mystery of the Trinity; The process of sanctification; The purpose of spiritual gifts; Whether you're new to faith or a longtime believer who's ready to dig deeper, discover for yourself why Christian theology is more than just a system of beliefs—it's a way of life.

*Concise Theology* James Innell Packer, 1998      **J. I. Packer** Leland Ryken, 2015-10-14 For the last 60 years J. I. Packer has exerted a steady and remarkable influence on evangelical theology and practice. His many books, articles, and lectures have shaped entire generations of Christians, helping elevate their view of God and enliven their love for God. In this new biography, well-known scholar Leland Ryken provides readers with a compelling overview of Packer's interesting life and influential legacy. Exploring his childhood, college days, theological education, and professional life in both England and America, this volume combines detailed facts with personal anecdotes so as to paint a holistic portrait of the man himself. Finally, Ryken identifies lifelong themes evident in Packer's life, ministry, and writings that shed light on his enduring significance for Christians today.

**What Christians Believe** Anna Wierzbicka, 2019-02-28 Many people today, both Christians and non-Christians, are confused about or unaware of the essentials of Christian faith. In this book, Anna Wierzbicka takes a radically new approach to the task of communicating what Christians believe to the widest possible audience. *The Story of God and People*, the heart of the book, sets out the core tenets of Christian faith in narrative form using simple language that is accessible to anyone, even those with no familiarity with Christianity or Christian vocabulary. *The Story* is not only simple but also universal. Though written in English, it is not phrased in full English as we know it today, shaped by history, culture, and tradition, but in Minimal English. Minimal English contains only those 400 or so English words that can be translated into any other language; essentially, it corresponds to the shared core of all languages. In the introduction to the book, Wierzbicka explains Minimal English and minimal languages in general, and in *The Story of God and People*, that follows, she demonstrates the effectiveness of Minimal English as a tool for global understanding. At the same time, the use of Minimal English allows her not only to retell the Christian story in a strikingly new way but also to rethink its meaning, bringing into relief its internal cohesion, logic, and beauty.

**The Heresy of Jacob Frank** Jay Michaelson, 2022 *The Heresy of Jacob Frank* is the first monograph-length study on the religious philosophy of Jacob Frank (1726-1791), who, in the wake of false messiah Sabbetai Zevi, led the largest mass apostasy in Jewish history. Based on close readings of Frank's late teachings recorded in

1784 and 1790 this book challenges scholarly presentations of Frank that depict him as a sex crazed degenerate and presents Frank as an original and prescient figure at the crossroads of tradition and modernity reason and magic Kabbalah and Western Esotericism Frank s worldview combines a skeptical rejection of religious law as ineffectual and repressive with a supernatural esoteric myth of immortal beings material magic and worldly power With close readings of the theological and narrative passages of Frank s teachings Michaelson shows how the Frankist sect evolved from its Sabbatean roots and the infamous 1757-59 disputations before the Catholic Church into a Western Esoteric society based on alchemy secrecy and sexual liberation Sexual ritual apparently tightly limited and controlled by the sect was not a libertine bacchanal but an enactment of the messianic reality a corporealization of what would later become known as spirituality While Frank was undoubtedly a manipulative even abusive leader whose sect mostly disappeared from history Michaelson suggests that his ideology anticipated themes that would become predominant in the Haskalah Early Hasidism and even contemporary New Age Judaism In an inversion of traditional religious values Frank s antinomian theology held personal flourishing to be a religious virtue affirmed only the material and transferred messianic eros into social sexual and political reality

Cameron Fraser, 2021-10-15 The concept of missionary baptism is based on the household baptism of converts and their families described in the New Testament This is most commonly experienced today in missionary situations when entire families become Christians Building on the work of nineteenth century Scottish theologian William Cunningham this study explores some implications for the connection between believers baptism infant baptism baby dedication and Christian unity particularly among evangelicals      *Counterfeit Gospels* Trevin Wax, 2011-04-01 What if the biggest danger to the church of Jesus Christ is not blatant heresy the moral failures of church leaders persecution the rise of Islam or the loss of our rights What if the biggest threat is counterfeit gospels within the church ways of thinking and speaking about the good news that lead to a gradual drift from the truth of Scripture The gospel is like a three legged stool There's the Gospel Story the grand narrative of Scripture Creation Fall Redemption Restoration Within that overarching framework we make the Gospel Announcement about Jesus Christ His perfect life substitutionary death resurrection exaltation The gospel announcement then births the Gospel Community God's church the embodiment of the gospel the manifestation of God's kingdom A counterfeit gospel is like a colony of termites eating away at one of the legs of this stool until the whole thing topples over This book exposes six common counterfeits Therapeutic Judgmentless Moralism Quietism Activism and Churchlessness that would get us off track The goal of *Counterfeit Gospels* is to so deepen our love for the unchanging gospel of Jesus Christ that we would easily see through the many counterfeits that leave us impoverished So come love the gospel recognize and overcome the counterfeits and be empowered for ministry      **Life's Biggest Questions** Erik Thoennes, 2011-06-23 If we were to compile the biggest questions pertaining to life we would face some daunting submissions Does God exist What is God like How will it all end In this accessible book Erik Thoennes a preaching pastor and theology professor asks and answers 15 of the most important questions we can ask about God the Bible Jesus and the church Readers will find his answers clear helpful and above all biblical *Life's Biggest Questions* is a great resource for new Christians and for those looking for concise ways to answer difficult questions Each chapter concludes with a Scripture verse for meditation and memorization questions for application and discussion and suggestions for further study      God's Unshakable Kingdom Lois Allen, Darrow Miller, 2005 The concept of the Kingdom of God is one of the most confusing controversial and misunderstood notions in the Bible Some have launched violent revolutions in the name of establishing the Kingdom of God on earth Some have advocated

Cook, In the Gospel of Matthew Jesus explained the parable of the wheat and tares Matt 13 36 44 describing a world that consists of believers and unbelievers who belong to two spiritual realms the first to Christ and the second to Satan We see a rise in attacks on Christians and churches the abortion of tens of millions of babies rising national debt lack of authority orientation the spread of Socialistic and Communistic ideologies civil unrest the undermining of the family and other problems As Christians we are not neutral and stand in opposition to Satan s world system In this book Dr Cook addresses the reality of our current situation and provides practical biblical solutions that Christians may use to live righteously in a fallen world     **Hearing and Doing the Word** Daniel J. Chalk, 2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There s a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy Spirit will be able to determine at least what is necessary for salvation if not much more The Obscurity of Scripture Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity catalogues and analyzes the historical theological and philosophical dimensions of perspicuity and finds the doctrine not only confused but erroneous destructive and self defeating The Obscurity of Scripture exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out     **Concise Theology** J. White, 2018-07-02 Bookstores and blogs display stories of people who go from bad days to good days encouraging people to break out of their slump pick themselves up and make something awesome happen Readers are supposed to get inspired and fix themselves A Time to Question Everything instead offers space to bring personal demons doubts and disappointments to the table daring people to believe that embracing the daily struggle of faith is indeed the good life Unlike any other world religion the Christian faith celebrates grace not self improvement The heart of A Time to Question Everything is this sincere question can grace hold the weight of this messy life
