Confession Of A Cia Interrogator:

Confession of a CIA Interrogator Joseph B. Kelly, Ben Robert Games, 2007-01 This is a novel of fiction It is a collection of my short stories my poems and my quotes that I have written over my lifetime up to the present All the characters and names of characters are purely fictional any similarity to any real or live person or persons is purely coincidental I hope the reader will enjoy some of my work Also I hope it is entertaining for all my readers Thank You *Confession of a CIA Interrogator*, 2009-10 This is a nonfiction story covering 2 1 2 years of a CIA Contract Agent in Vietnam It was the period when the Paris Peace Talks name was changed to the Paris Peace Accord to prevent the American people from learning that the United States had given up the fight to save the Vietnamese people from the Communist It was a strange war where the citizen soldiers of the United States never lost a battle but were defeated by the Communist lies told to their families at home The Central Intelligence Agency CIA discovered the Communist Plan to move the North Vietnamese Army on selected routes to encircle the US Army and trap them in Saigon to create an American Dunkirk on the day the Paris Peace Accord was to take affect It would prove to the world that the US Army had run from the battle field Mr William Colby head of the CIA efforts in Vietnam was informed of the Communist Plan and he along with a few patriots in the CIA developed a system to give the US Army time to leave Vietnam in a controlled military disengagement This plan was so secret that no name was given to it and only the men who were fighting to save America from becoming a Communist State knew Bill Colby used every tool available to him One was a CIA Contract Agent Gilbert H Moriggia a CIA Interrogator and another was the secret CIA Dai Phong Program The basic plan was simple a matter of obtaining immediate intelligence and to destroy the communist Ve in all junction of the North Vietnamese Army s transportation routes to Saigon This is the adventure story of how a CIA Contract Agent helped Bill Colby s give the US Army time to save themselves About the Author Ben R Games PhD Major CW4 TCNA 6 flew bombers and night fighters during WW II Then jet fighters during the Korean period and Chinook helicopters in Vietnam He is a member of the North American Mach Busters Club and the Distinguished Flying Cross Society with 737 recorded combat hours After retiring he became the General Manager of the Turks and Caicos National Airlines During the past fifty years his flying adventure stories have been read by people all over the world Besides raising two children his wife Helen was awarded a sliver medal for being the 86th woman in the world to fly a helicopter As a housewife they lived in France Japan Vietnam Okinawa and Grand Turk During WW II she once flew co pilot in his B 25 in Okinawa as an RO in his F 82 and in Vietnam on his Chinook CH 47 helicopter Today they all live in Florida **Jihad Vietnam** Ben R. Games, 2008 This is South Vietnam a land torn between God and the Devil Into this land came three people unlikely to ever meet but destined to learn from each other One man was from the US Navy a LTjg Skipper of a Swift Boat one was an Army Chief Warrant Of cer Chinook Aircraft Commander and one was a USAF T Sgt retired who became Gilbert the CIA Interrogator When Gilbert was sent to the Mekong Delta region he was given a mission to assist the Province Recon Unit PRU Tiger Scouts and Special

National Police in establishing an intelligence system to find and locate terrorists To accomplish this mission all the Dark Force Tax Collectors and other officials of the Communist Viet Cong had to be identified He desperately needed to capture and identify the enemy not kill them Gilbert could not interrogate them or find out where they were going to attack if they were dead thus nothing was gained if they were allowed to commit suicide To capture Viet Cong terrorists for interrogation Gilbert recruited other Viet Cong to the PRU Tiger Scouts Tactical Operations Control TOC assigned Navy Swift Boats Army helicopters and trucks to assist him in his attempts to capture prisoners for interrogation Into this mix came a Navy LTjg skipper and Army Aviator CWO Gentle Ben He was a 45 year old citizen soldier who had served God and Country in many different capacities while assuming several different disguises for over 26 years before arriving in Vietnam These players would work together to achieve their goals

The Official CIA interrogation and manipulation Manual Central Intelligence Agency, 2025-07-29 Official CIA declassified material IMPORTANT this manual was first released under the Freedom of Information Act in 1997 heavily redacted It was released again in 2014 with a large amount of additional newly declassified material Unlike older versions available which contain only the 1997 content this edition effectively contains both versions Extracting actionable intelligence from an uncooperative suspect is a subject fraught with difficulty When the stakes are as high as those of anti Soviet counterintelligence investigations of the Cold War those difficulties multiply This unique now declassified manual makes an unflinching and in depth examination of the techniques of the CIA interrogator tasked with tracking down and exposing moles sleepers double agents and more It equips the listener with the tools to read question influence manipulate and eventually break even the most recalcitrant subject and the ability to recognize when these powerful techniques are used against you

Confessions of Guilt George C. Thomas III, Richard A. Leo, 2012-04-13 How did the United States a nation known for protecting the right to remain silent become notorious for condoning and using controversial tactics like water boarding and extraordinary rendition to extract information What forces determine the laws that define acceptable interrogation techniques and how do they shift so quickly from one extreme to another In *Confessions of Guilt* esteemed scholars George C Thomas III and Richard A Leo tell the story of how over the centuries the law of interrogation has moved from indifference about extreme force to concern over the slightest pressure and back again The history of interrogation in the Anglo American world they reveal has been a swinging pendulum rather than a gradual continuum of violence Exploring a realist explanation of this pattern Thomas and Leo demonstrate that the law of interrogation and the process of its enforcement are both inherently unstable and highly dependent on the perceived levels of threat felt by a society Laws react to fear they argue and none more so than those that govern the treatment of suspected criminals From England of the late eighteenth century to America at the dawn of the twenty first *Confessions of Guilt* traces the disturbing yet fascinating history of interrogation practices new and old and the laws that govern them Thomas and Leo expertly explain the social dynamics that underpin the continual transformation of interrogation law and practice and look

critically forward to what their future might hold Torture and Enhanced Interrogation Christina Ann-Marie DiEdoardo, 2020-02-07 An all in one resource for understanding the issue of torture and enhanced interrogations including their history as an instrument of state power and warfare debates over the morality of their use in different contexts and efforts by human rights organizations and nations to end torture and enhanced interrogation techniques worldwide *Torture and Enhanced Interrogation A Reference Handbook* begins with an in depth historical overview of the practice beginning in Ancient Greece and continuing to Guantanamo Bay and beyond After grounding the reader in the historical fundamentals the book examines the most explosive controversies that surround the use of torture and enhanced interrogation techniques like waterboarding to extract information from prisoners or alleged enemies of the state This historical background is supplemented with primary sources that illuminate important torture related laws and international alliances as well as the perspectives of torture survivors and human rights advocates Other features in the book include profiles of notable individuals and organizations associated with the issue annotated bibliography for future research chronology of events and glossary of key terms *Company Confessions* Christopher Moran, 2016-08-23 Originally published Great Britain Biteback 2015 *Intelligence, Crises and Security* Len Scott, R. Gerald Hughes, 2013-09-13 This collection of essays by leading experts seeks to explore what lessons for the exploitation and management of secret intelligence might be drawn from a variety of case studies ranging from the 1920s to the War on Terror Long regarded as the missing dimension of international history and politics public and academic interest in the role of secret intelligence has continued to grow in recent years not least as a result of controversy surrounding the terrorist attacks on the United States on September 11 2001 *Intelligence Crises and Security* addresses a range of themes including crisis management covert diplomacy intelligence tradecraft counterterrorism intelligence overload intelligence in relation to neutral states deception and signals intelligence The work breaks new ground in relation to numerous key international episodes and events not least as a result of fresh disclosures from government archives across the world This book was previously published as a special issue of *Intelligence and National Security* Interrogation and Torture Steven J. Barela, Mark Fallon, Gloria Gaggioli, Jens David Ohlin, 2020 This book develops for the first time a comprehensive discussion regarding the legality of torture and the efficacy of interrogation Scientific research has concluded that torture is not effective So what interrogational methods are effective and how does one deploy those methods in such a way that is consistent with law and morality **Confessions of an Old Man** James Harrison Cohen J.D. Ph.D., 2019-07-19 My book covers my life and times and is replete with confidences and revelations both political and personal Terrorism, 1979 **Confessions** Emma Woodley, 2010-02-19 This edited collection draws on a range of disciplines in exploring the central place of narrative in social inquiry and understanding the ethical life It provides scholarly and practical insights into the rewards and potential pitfalls of working in and with narrative It offers readers a broad range of carefully considered examples the use of art in enhancing insight into the plights of rural communities in

Australia the use of illness narratives in medical education applying narratives of torture survivors and torturers in shaping humane political response and policy in the face of terrorism and the place of the music as a vehicle of story telling and moral growth This volume illuminates the explicit links between the importance of narrative that is the telling of stories to create shape and meaning in our lives and ethical engagement so critical to the achievement of a good life The Forever Prisoner Cathy Scott-Clark,Adrian Levy,2022-04-12 Some argued it would save the U S after 9 11 Instead the CIA s enhanced interrogation program came to be defined as American torture The Forever Prisoner a primary source for the recent HBO Max film directed by Academy Award winner Alex Gibney exposes the full story behind the most divisive CIA operation in living memory Six months after 9 11 the CIA captured Abu Zubaydah and announced he was number three in Al Qaeda Frantic to thwart a much feared second wave of attacks the U S rendered him to a secret black site in Thailand where he collided with retired Air Force psychologist James Mitchell Arguing that Abu Zubaydah had been trained to resist interrogation and was withholding vital clues the CIA authorized Mitchell and others to use brutal enhanced interrogation techniques that would have violated U S and international laws had not government lawyers rewritten the rulebook In The Forever Prisoner Cathy Scott Clark and Adrian Levy recount dramatic scenes inside multiple black sites around the world through the eyes of those who were there trace the twisted legal justifications and chart how enhanced interrogation a key weapon in the global War on Terror metastasized over seven years encompassing dozens of detainees in multiple locations some of whom died Ultimately that war has cost 8 trillion dollars 900 000 lives and displaced 38 million people while the U S Senate judged enhanced interrogation was torture and had produced zero high value intelligence Yet numerous men including Abu Zubaydah remain imprisoned in Guantanamo never charged with any crimes in contravention of America s ideals of justice and due process because their trials would reveal the extreme brutality they experienced Based on four years of intensive reporting on interviews with key protagonists who speak candidly for the first time and on thousands of previously classified documents The Forever Prisoner is a powerful chronicle of a shocking experiment that remains in the headlines twenty years after its inception even as US government officials continue to thwart efforts to expose war crimes Silenced by a CIA pledge to keep him imprisoned and incommunicado forever Abu Zubaydah speaks loudly through these pages prompting the question as to whether he and others remain detained not because of what they did to us but because of what we did to them Inside CIA's Private World H. Bradford Westerfield,1997-08-25 Presenting the most interesting articles from the CIA s Studies in Intelligence journal this book provides revealing insights into CIA strategies and into events in which the organisation was involved *Police Interrogation and American Justice* Richard A. Leo,2009-07-01 Read him his rights We all recognize this line from cop dramas But what happens afterward In this book Leo sheds light on a little known corner of our criminal justice system the police interrogation An important study of the criminal justice system this book provides interesting answers and raises some unsettling questions **Report of the Senate Select Committee on**
