Smoley, 2016-06-07

This epic thrilling journey through Bible scholarship and ancient religion shows how much of Scripture is historically false yet the ancient writings also resound with theologies that crisscrossed the primeval world and that direct us today toward a deep inner authentic experience of the truly sacred From a historical perspective the Bible is shockingly provably wrong a point supported by today's best archaeological and historical scholarship but not well understood by or communicated to the public Yet this emphatically does not mean that the Bible isn't in some very real measure true argues scholar of mysticism Richard Smoley Smoley reviews the most authoritative historical evidence to demonstrate that figures such as Moses Abraham and Jesus are not only unlikely to have existed but bear strong composite resemblances to other Near Eastern religious icons Likewise the geopolitical and military events of Scripture fail to mesh with the largely settled historical time line and social structures Smoley meticulously shows how our concepts of the Hebrew and Christian God including Christ himself are an assemblage of ideas that were altered argued over and edited until their canonization This process to a large degree gave Western civilization its consensus view of God But these conclusions are not cause for nihilism or disbelief Rather beneath the metaphorical figures and mythical historicism of Scripture appears an extraordinary truly transcendent theology born from the most sacred and fully realized spiritual and human insights of the antique Eastern world Far from being untrue the Bible is remarkably extraordinarily true as it connects us to the sublime insights of our ancient ancestors and points to a unifying ethic behind many of the world's faiths

Age of the Gentiles and the White God Delusion
 Timothy Huges, 2012-10-25 The book is a logical Bible study and in depth examination of Race Sex Power Politics and War The Author addresses the false doctrine and propaganda that has been fronted for centuries by Christianity and Judaism as to their supremacy above other religions and races He also examines the role these two religions have played in promoting these false doctrines which literally contradict the written laws of the Bible The book further looks at Islam where the Author acknowledges the origin and foundation of its original teachings as is likened by God's Commandments and as written in the Holy Bible and Holy Qur'an The Author takes a scalpel to dissect race and religion to its core The Author separates the gentile dogma of Christianity and Judaism and highlights their contradiction to the Laws of God Lastly he dwells on separation of races based on their individual religious philosophies concluding in the introduction of Lucifer as a Chief Architect of Gentile religious doctrine and practices Lucifers mission is to maintain the delusion of the white God and its false power to rule over Black and Semite people Quotes from Author I am challenging the world's Christian religious

believers communities and the general masses to follow the true laws of God They should stop falling prey to the False Luciferian Doctrine and the delusion of White God I affirm to the world that I am a true servant of God who is challenging all religious ministers to debate evidence and facts referred to in this book through the lesson chapters so that they may distinguish the truth from the lie I challenge them to debate about the alleged religious authorities in reference to the Christian and Jewish faith in order to determine if truly their religious practices is of the God of Heaven and Earth I challenge all ministers to prove that they follow and believe in the commandments Laws and Statues of God as written in the scriptures I further challenge all of them to debate the true ethnology and race of Gods chosen people his first family being the black and Semite Hebrews who are identified by their skin pigmentation and coloration and their true religion to be Abrahamic This would also prove that True Israelites are cousins to the Ishmaelites In addition I challenge all ministers of Jewish Authority to a debate as to the true ethnology of True Hebrews of the Land of Palestine and Canaan It is worth noting that the true Hebrews were removed from the Holy land and thereafter cursed by God and Scattered unto Gentile nations in all four corners of the earth And shall remain there until the second coming of Jesus as was prophesied in his Revelation war against the Christian Jewish Armies of Gog Europe and Magog America Israel and as foretold in the book of Revelations I challenge them to deny that it has been 2000 years of Christian Propaganda Crusade by the gentiles and gentile Jews and Theologians Philosophers and Historians to hide the true identity of the true Israelites Their mission has been to remove parts of and alter the Holy Scriptures thereby changing the Laws of God Their intention is to make everyone follow Luciferian Doctrine Because of this God gave Revelation unto Jesus Christ to bring forth the final Armageddon to all who changed His Laws This led to his prophecy against the Christians Nicolaitans and Jewish doctrine religion which He hated for they are the synagogue disciples of Satan

This Is an Emergency Broadcast Warning from Your Gospel Publishing Systems
Please Stand By. This Is Not a Test! Sheryl Marie McDonald, LMT,2013-11 In this world we have weather forecasters who warn us of upcoming storms They tell us of how the storm happened where it is located and how to prepare God has his weather forecasters as well They are called prophets They hear God s voice and tell others what he wants them to know so they will prepare After you read this book you may have a better understanding of what is going on today And you can choose to live with purpose preparing your loved ones and yourself for what God is saying that is coming

The Wise Shall Understand Charles Huntley Clever,2009-04 The Bible has only one encrypted part that says The words are closed up and sealed till the time of the end Daniel 12 9 The author read many different Bible translations from Genesis to Revelation searching for the hidden key to open that last day Bible code Discovering the key in 1974 he realized it was hidden because it applies today especially for this significant time of history It not only proves Jesus is the Messiah the sacrificial Lamb of God and identifies the Abomination of Desolation that Christ warned us of but defines the exact boundaries of earth s participation in the cosmic conflict between good and evil these points are greatly misunderstood and subjects of controversy

among most major religions One minister who read an advanced copy of *The Wise Shall Understand* said We have been reading the Bible with grandpa s glasses on How true And this author requests you read this publication with spiritual enlightenment allowing God to impress you with facts that have been overlooked yet are validated in the Bible Today our society is overwhelmed with hatred agnosticism rebellion atheism and a zeal for God but not according to godliness World condition mandates this important message be made available to the public so the author paused in his missionary work in Latin America to have it published in book form **666, the Final Warning** Gary D. Blevins,1990 *End-Time Prophecies Revelation* Jimmy Poon,2022-08-15 What happened in 2020 is just the beginning of a series of wakeup calls God is sending to mankind regarding the impending tribulations and judgments prophesied about in the Bible which will precede Jesus Christ s return to Jerusalem he mysteries of raptures and jubilee cycles the seventy sevens in Daniel 9 have been unsealed The final seven years of this age foretold in Daniel 9 will begin in 2025 when the Antichrist will sign a seven year covenant with Israel The fourth seal in Revelation 6 predicting massive death by war violence pestilence and famine involving a quarter of the earth is beginning to open This book will open your eyes to biblical prophecies to see what has been sealed up until now Following sound hermeneutic principles Dr Poon has decoded all the symbols and metaphors used in the books of Revelation and Daniel so that the events which will happen between now and 2032 have been written in plain language for all to understand Through a Jewish perspective he explains how Old Testament prophecies are fulfilled in Revelation even digging into the original text on certain key words This is a must read for our generation *The Scroll* , *Unlocking the Last Days* Jeff Lasseigne,2011-03-01 The very title of the last book of the Bible means unveiling Yet this mysterious and confusing book seems to do anything but unveil especially when we read it on our own *Unlocking the Last Days* takes readers through key parts of this misunderstood book using a verse by verse approach that clearly communicates God s truth warnings and promises Both Bible teachers and students will find this book a welcome aid to understanding an intriguing piece of the Scriptures *The Time Is Near* Ian Foley,2016-05-31 *The Time Is Near* the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible *Revelation* The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature *Daniel* and *Revelation* have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of *Revelation* fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts *The Time Is Near* presents concise statements of position that begin with *Daniel* dwell on Jesus and Paul and then focus primarily on *Revelation* By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical

events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next

Signs of the Second Coming of Jesus Christ and the End of the World Steve Urick, 2009-08 One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ God has not left us in the dark concerning the details of Christ s future coming but has given us several clear prophetic signs to watch for Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age If you ever wondered why the world is the way it is and where it is headed then you need to read this book Whether you are a Christian or not this revealing work will give you the vital information you need to prepare for what may come in the near future and for eternity itself this book gives much historical information compares worldviews and provides several charts for a better understanding of historical developments
