**Anne Marie Ward, Craig Deegan**

### **Financial Accounting Theory Deegan 3rd Edition:**

*EBOOK Financial Accounting Theory* Craig Deegan, 2014-01-15 The much anticipated fourth edition of Craig Deegan's Financial Accounting Theory delivers authoritative and completely up to date material with the discussion of both existing theories and newer theories that have surfaced as financial reporting has become more international. This edition includes a new selection of modern Accounting Headlines which provide current examples of organisations and individuals putting accounting theory into practice in both local and global settings. Financial Accounting Theory covers additional topics such as critical perspectives, public sector accounting and fair value. Workflows and processes are presented using enhanced visual charts to help demonstrate how accounting works in practice. Deegan presents the concepts in a clear and straightforward style while challenging students to think critically about the range of accounting theories. Financial Accounting Theory provides a sound basis for readers contemplating further research and develops habits of analytical reasoning and critical thinking.

*Financial Accounting Theory* Craig Deegan, 2022-10-12 Craig Deegan's Financial Accounting Theory provides a concise approach while comprehensively covering both traditional and contemporary theories that have emerged as the practice of accounting has evolved. Social and environmental accountability and reporting issues are discussed in depth along with coverage of critical perspectives, public sector accounting and fair value. Instructors and students value Financial Accounting Theory for its reader friendly style using straightforward explanations and numerous practical examples. This new edition continues to follow this approach with the addition of NEW content focusing on how different perspectives of organisational responsibilities and accountabilities impact the way accounting is performed and the theories that different researchers choose to use apply.

**EBOOK: Financial Accounting Theory: European Edition** DEEGAN, CRAIG, 2011-01-16 The second edition of Craig Deegan and Jeffrey Unerman's market leading text presents the various theories of financial accounting through a balanced and dynamic approach. Students are given all the tools to engage with these theories and are encouraged to critically evaluate and challenge them. Clearly written and user friendly, this new edition provides comprehensive coverage of internationally developed accounting theories from a European perspective.

**Accounting Theory: Practical Application for Social Science Research** Erlane K Ghani, Mazurina Mohd Ali, Nor Farizal Mohammed, Kamaruzzaman Muhammad, Nassr Saleh Mohamad Ahmad, 2024-01-01 This textbook provides a comprehensive guide to accounting theory and aims to improve the reader's capacity to think critically about accounting and accounting challenges. It is intended for accounting students who are enrolled in an accounting theory course as well as those who want to pursue postgraduate accounting studies, namely a PhD. This textbook starts with an explanation of what accounting is, followed by its history and conceptual framework, before tying accounting to research. Subsequently, seven theories of accounting are selected and introduced as the accounting research community has made substantial use of these theoretical frameworks. In this textbook, too, applications of accounting theory to previous studies are provided.

Sustainability Accounting Ataur Belal, Stuart Cooper, Sophie Giordano-Spring, Jonathan Maurice, Charles H. Cho, 2018-04-06 Advances in Environmental Accounting Management aims to advance knowledge of the management of corporate environmental impacts. It aims to increase the awareness of management accounting practitioners, investors and other stakeholders of the financial and social consequences of corporate environmental impacts. **Integrated Reporting** Samuel O. Idowu, Mara Del Baldo, 2019-01-04 This book critically examines the implementation and adoption of integrated reporting (IR) in organizations and corporations. A relatively new area of policy and practice, IR has rapidly gained considerable prominence since the formation of the International Integrated Reporting Committee in 2010. The book analyzes the outcomes and benefits as well as the shortfalls of integrated reporting. It offers an introduction to the foundations of IR and a comprehensive overview of its use through a number of detailed case studies. Lastly, it discusses the outlook for further developments in sustainability accounting and reporting. **EBOOK: Financial Accounting and Reporting: An International Approach** Anne Marie Ward, Craig Deegan, 2013-03-16 Financial Accounting and Reporting: An International Approach is an adaptation of McGraw Hill Australia's bestselling financial accounting text Australian Financial Accounting by Craig Deegan, authored by Anne Marie Ward of Ulster University. Set within an international context with a solid grounding in IAS/IFRS, the book provides students with a detailed grasp of reporting requirements in an accessible and engaging manner. Up to date throughout and complete in theoretical and practical coverage, the book successfully communicates the detail necessary to understand, challenge and critically evaluate financial reporting. The result gives students a strong foundation for current study and their future professional lives. **Financial Accounting Theory** Craig Deegan, Jeffrey Unerman, 2011 The second edition of Craig Deegan and Jeffrey Unerman's market leading text presents the various theories of financial accounting through a balanced and dynamic approach. Students are given all the tools to engage with these theories and are encouraged to critically evaluate and challenge them. Clearly written and user friendly, this new edition provides comprehensive coverage of internationally developed accounting theories from a European perspective. Handbook of Research on Pedagogical Innovations for Sustainable Development Thomas, Ken D., Muga, Helen E., 2014-03-31 Summary This book brings together case study examples in the fields of sustainability, sustainable development and education for sustainable development. Social and Environmental Disclosure by Chinese Firms Yingjun Lu, Indra Abeysekera, 2024-11-01 Given the increased social and environmental problems in China, this book looks into the social and environmental disclosure practices of socially responsible Chinese listed firms by constructing a stakeholder-driven three-dimensional disclosure index. The book contains a three-part study: the first part explores the current status of social and environmental disclosure practices; the second part empirically examines the relationship between corporate social and environmental disclosure and various influencing factors, i.e. stakeholders' power and corporate characteristics; the third part empirically examines the link between corporate social responsibility (CSR) reporting, i.e. publishing a CSR report, and the quality of the CSR report and socially

responsible reputation The book finds that the CSR report provided more stakeholder relevant social and environmental disclosure than the annual report It also finds that corporate characteristics such as firm size profitability and industry classification are all statistically significant factors influencing the social and environmental disclosure of the Chinese firms studied Shareholders significantly influenced firms social and environmental disclosure and creditors significantly influenced firms disclosure related to their environmental performance The final part of the study reports that publishing a CSR report and CSR reporting quality had a positive influence on firms socially responsible reputations and that the CEO chairman duality negatively influenced firms socially responsible reputation This book will be of interest to those who are keen to learn more about corporate social responsibilities in the context of Chinese firms      Accounting Theory and Practice in the Malaysian Context (UUM Press) Syeliya Md Zaini,Aza Azlina Md Kassim,Fathiyyah Abu Bakar,Dalilah Abd Aziz,Mohd Adha Ibrahim,Noor Asrafez Jailuddin,Mohamad Hafiz Rosli,Fariza Hanim Rusly,Yurita Yakimin Abdul Talib,2021-03-01 The main objective of this book is to facilitate the students to understand the underlying regulatory process of financial accounting reporting companies manager behaviour when preparing their financial reports corporate governance and theories applicable to accounting practice explaining the circumstances given in the current phenomenon The content of this book provides a useful insight to it readers about the development of accounting system in Malaysia the conceptual framework that underpinned accounting practice particularly the regulatory and professional bodies the general theories underlying the current practice of accounting reporting standards and practice and contemporary issues in financial accounting reporting such as measurements sustainability reporting and digitisation reporting      Corporate Governance, Capital Markets, and Capital Budgeting Baliira Kalyebara,Sardar M. N. Islam,2013-07-31 The primary contribution of this book is to integrate the important disciplines which simultaneously impact the investment appraisal process The book presents a study that develops a new approach to investment appraisal which uses a multiple objective linear programming MOLP model to integrate the selected disciplines which include capital markets corporate governance and capital budgeting The research covers two case studies one in the e commerce sector and another in the airline industry in which the above disciplines are integrated Readers from the areas of corporate governance regulation and accounting would find the survey of different approaches and the new integrated optimization approach particularly useful      Positive and Constructive Contributions for Sustainable Development Goals Popescu, Cristina Raluca Gh.,2022-10-14 In light of the Sustainable Development Goals SDGs that were set in 2015 by the international community as part of the UN2030 Agenda it has become essential to develop possible solutions capable to address the latest economic social political and demographical global challenges by tackling all the dimensions of sustainable development Further insight into today s context concerning the process of making positive and constructive contributions for SDGs is required Positive and Constructive Contributions for Sustainable Development Goals provides an updated view of the newest trends novel practices and latest tendencies concerning the benefits advantages
