Financial Faithfulness Roger Gum, 2022-02-22 One of the great challenges of life is to limit distractions in order to focus on what matters the most. Regardless of how much or little we have, issues of money threaten to sidetrack us. If we have a lot of money, we fear losing what we possess. We are tempted to put our hope in our wealth instead of God. If we don't have so much, we stress about not having enough to provide for our families and are often consumed with the desire for more. Financial Faithfulness seeks to change your view of money by showing you how to use it in God's best interest. When it comes to managing money, this question is crucial: What is required from me to be a faithful steward? As you begin to see riches from a biblical perspective, you can experience the financial freedom and peace of mind that everyone desires but few find. scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life
