The Globalization of Addiction Bruce Alexander,2010-03-04 Addiction is increasing all around the world and the conventional remedies don t work The Globalization of Addiction argues that the cause of this failure to control addiction is that past treatments have focused too single mindedly on the afflicted individual addict This book presents a radical rethink about the nature of addiction

The Facility Simon Lelic,2012-08-28 Who are you Are you the police This isn t legal you know You can t hold me like this In a near future dystopian Britain democracy has been undermined Emboldened by new anti terrorism laws police start to disappear people from the streets for unspecified crimes But when unassuming dentist Arthur Priestley is snatched and held prisoner at a top secret facility his estranged wife Julia and a brave but naive journalist named Tom Clarke embark on a harrowing quest for the truth Following a trail that leads to the very top of government they soon find themselves fighting for

their lives Well crafted fast paced and totally compelling The Facility is a brilliant thriller that resonates eerily with the timbre of our times *Advances in Cybernetics, Cognition, and Machine Learning for Communication Technologies* Vinit Kumar Gunjan,Sabrina Senatore,Amit Kumar,Xiao-Zhi Gao,Suresh Merugu,2020-04-28 This book highlights recent advances in Cybernetics Machine Learning and Cognitive Science applied to Communications Engineering and Technologies and presents high quality research conducted by experts in this area It provides a valuable reference guide for students researchers and industry practitioners who want to keep abreast of the latest developments in this dynamic exciting and interesting research field of communication engineering driven by next generation IT enabled techniques The book will also benefit practitioners whose work involves the development of communication systems using advanced cybernetics data processing swarm intelligence and cyber physical systems applied mathematicians and developers of embedded and real time systems Moreover it shares insights into applying concepts from Machine Learning Cognitive Science Cybernetics and other areas of artificial intelligence to wireless and mobile systems control systems and biomedical engineering Integration of Constraint Programming, Artificial Intelligence, and Operations Research Emmanuel Hebrard,Nysret Musliu,2020-09-18 The volume LNCS 12296 constitutes the papers of the 17th International Conference on the Integration of Constraint Programming Artificial Intelligence and Operations Research which will be held online in September 2020 The 32 regular papers presented together with 4 abstracts of fast track papers were carefully reviewed and selected from a total of 72 submissions Additionally this volume includes the 4 abstracts and 2 invited papers by plenary speakers The conference program also included a Master Class on the topic Recent Advances in Optimization Paradigms and Solving Technology

Care of Older Persons Mala Kapur Shankardass,2024-10-23 This book explores the implications and significant ethical social economic and health challenges that an ageing world population presents It provides valuable insights on concerns related to providing organizing planning and managing care for older persons in both formal and informal settings As the number of older persons increases rapidly around the globe caring for them is a very important aspect of all ageing and aged societies While in most countries the care of older persons is provided informally by family members the changing social scene family structures and work and employment patterns are leading many nations to create provisions for formal care through institutions or paid services of caregivers This book offers perspectives on formal and informal care from countries such as Japan the Netherlands the USA India South Africa and Poland among others The essays in this book underline a rights based approach and focus on ethical social economic health and legal aspects of care as they pertain to the universal phenomena of ageing as well as the specific demographic and epidemiological realities of the selected countries They discuss concerns such as long term care provisions catering to the needs of people affected by dementia providing residential care taking the needs of family care providers into account the growing requirement for paid care workers and channelizing training of both skilled and semi skilled care providers to suit the needs of older people This volume would be of interest to

scholars and those working in the fields of sociology health studies age and ageing psychology social work medical sciences nursing and public policy It will also be useful to NGO sector workers administrators as well as grassroots workers involved with the care of older persons Critical Care of Patients with Mental Health Issues, An Issue of Critical Care Nursing Clinics Susan Mace Weeks,2012-03-28 This issue of Critical Care Nursing Clinics will include articles on the following topics Aggression and suicide risk Bariatric patients Alcohol abuse Consultation for mental health and addiction issues Delirium Domestic violence and Hospice referral *Understanding and Treating Chronic Fatigue* Joel L. Young,2020-08-19 Some doctors still think Chronic Fatigue Syndrome is a fake diagnosis In this book Joel Young MD presents the research experience and treatments that prove otherwise Millions of Americans experience chronic fatigue syndrome CFS a continuous exhaustion and a feeling comparable to that of having just run a marathon when all they have done is a daily living task such as taking a shower or getting dressed Doctors don't have tests for CFS and some think it's a faux or psychological disorder Joel Young MD in this heavily researched book explains why it is a true physical illness and how it may be treated He details how he successfully treats the symptoms which can include severe fatigue brain fog chronic pain and sleep problems Unlike doctors who recommend exercise supplements or opioid medications Young integrates such options as long acting stimulants meditation and dietary changes to reduce fatigue as well as non opioid drugs medical marijuana and self help options including yoga for the associated chronic pain Hepatitis C Treatment One Step at a Time Lucinda Porter RN,2013-09-19 Hepatitis C Treatment One Step at a Time provides the practical advice and daily inspiration you need to help you successfully complete hepatitis C HCV treatment Deciding to undergo HCV antiviral therapy is one of the bravest and most important steps toward health you'll ever make As a nurse in the HCV field and a patient who underwent three courses of HCV therapy Lucinda K Porter understands how physically and emotionally challenging this experience can be In Hepatitis C Treatment One Step at a Time she provides entries for each day of treatment offering you a daily dose of relief encouragement and tips to help you stay on track From dealing with fatigue and nausea to nosy co workers and lab results Porter shows you how to Prepare mentally physically and financially Manage side effects Set up a support system Keep your spirits up Celebrate your strength and acknowledge your milestones Find additional help and up to date information with an extensive resources section **Hepatitis C Treatment One Step at a Time** Lucinda Porter,2013-09-19 Hepatitis C is the most common blood borne virus in the U S The Centers for Disease Control and Prevention estimate that 3.2 million Americans are chronically infected with the chronic hepatitis C virus HCV Treatment for HCV is long sometimes lasting a year or more with success rate currently around 50% And the medications often cause incapacitating side effects Two new medications introduced in 2011 are showing success rates of 75 to 80% However these new medications are taken with existing HCV drugs and include and intensify the side effects Hepatitis C Treatment One Step at a Time provides the practical advice and daily inspiration you need to help you successfully make it through hepatitis C HCV treatment Deciding

to undergo hepatitis C treatment is one of the bravest and most important steps toward health you ll ever make As a former Stanford nurse in the HCV field and a patient who was treated twice for HCV Lucinda K Porter understands how physically and emotionally challenging treatment can be In *Hepatitis C One Step at a Time* she provides entries for each day of treatment offering you a daily dose of relief encouragement and tips to help you stay on treatment From dealing with fatigue and nausea to nosy co workers and lab results Porter provides everything you need to know to ease the process including how to Prepare for treatment mentally physically and financially Manage side effects Set up a support system Keep your spirits up with daily inspiration and humor Celebrate your strength and acknowledge your milestones Find additional community and up to date information with an extensive resources section
