Conceiving Cuba Reproduction Women And The State In The Post Soviet Era:

Conceiving Cuba Elise Andaya, 2014-05-30 After Cuba's 1959 revolution the Castro government sought to instill a new social order. Hoping to achieve a new and egalitarian society the state invested in policies designed to promote the well being of women and children. Yet once the Soviet Union fell and Cuba's economic troubles worsened these programs began to collapse with serious results for Cuban families. *Conceiving Cuba* offers an intimate look at how with the island's political and economic future in question reproduction has become the subject of heated public debates and agonizing private decisions. Drawing from several years of first hand observations and interviews anthropologist Elise Andaya takes us inside Cuba's households and medical systems. Along the way she introduces us to the women who wrestle with the difficult question of whether they can afford a child as well as the doctors who with only meager resources at their disposal struggle to balance the needs of their patients with the mandates of the state. Andaya's groundbreaking research considers not only how socialist policies have profoundly affected the ways Cuban families imagine the future but also how the current crisis in reproduction has deeply influenced ordinary Cubans' views on socialism and the future of the revolution. Casting a sympathetic eye upon a troubled state *Conceiving Cuba* gives new life to the notion that the personal is always political. **The Routledge**

Handbook of Anthropology and Reproduction Sallie Han, Cecília Tomori, 2021-11-09 The Routledge Handbook of Anthropology and Reproduction is a comprehensive overview of the topics, approaches and trajectories in the anthropological study of human reproduction. The book brings together work from across the discipline of anthropology with contributions by established and emerging scholars in archaeological, biological, linguistic and sociocultural anthropology. Across these areas of research consideration is given to the contexts, conditions and contingencies that mark and shape the experiences of reproduction as always gendered, classed and racialized. Over 39 chapters a diverse range of international scholars cover topics including Reproductive governance, stratification, justice and freedom, Fertility and infertility, Technologies and imaginations, Queering reproduction, Pregnancy, childbirth and reproductive loss, Postpartum and infant care, Care, kinship and alloparenting. This is a valuable reference for scholars and upper level students in anthropology and related disciplines associated with reproduction including sociology, gender studies, science and technology studies, human development and family studies, global health, public health, medicine, medical humanities and midwifery and nursing. *Women's Work in Special Period Cuba* Daliany Jerónimo Kersh, 2019-02-14 The abrupt loss of Soviet financial support in 1989 resulted in the near collapse of the Cuban economy ushering in the almost two decades of austerity measures and severe shortages of food and basic consumer goods referred to as the Special Period. Through the innovative framework of individual and collective memory Daliany Jerónimo Kersh brings together analysis of press sources and oral histories to offer a compelling portrait of how Cuban women cleverly combined various forms of paid work to make ends meet. Disproportionately impacted by the economic crisis given their role as primary caregivers and household managers and unable to survive on devalued state

salaries alone women often employed informal and illegal earning strategies As she argues this regression into gendered work such as cooking sewing cleaning reselling and providing sexual services precipitated by the post Soviet crisis to a large extent marked a return to pre revolutionary gendered divisions of labor *Cuba's Forgotten Decade* Anna Clayfield,Emily J. Kirk,Isabel Story,2018-08-24 The 1970s have largely been overlooked in scholarly studies of the Cuban Revolution or at the very least dismissed simply as a period of Sovietization characterized by widespread bureaucratization institutionalization and adherence to Soviet orthodoxy Consequently scant research exists that examines the major changes that took place across the decade and their role in determining the course of the Revolution This book provides for the first time a comprehensive assessment of the 1970s which challenges prevailing interpretations Drawing from multidisciplinary perspectives and exploring a range of areas including politics international relations culture education and healthcare its contributing authors demonstrate that the decade was a time of intense transformation which proved pivotal to the development of the Revolution Indeed many of the ideas approaches policies and legislation developed and tested during the 1970s maintain a very visible legacy in contemporary Cuba In highlighting the complexity of the 1970s this volume ultimately aims to contribute to a greater understanding of the Cuban Revolution and how it chooses to face the challenges of the twenty first century *Legal Experiments for Development in Latin America* Helena Alviar García,2021-02-23 This book provides a nuanced picture of how diverse legal debates on the pursuit of economic development and modernization have played out in Latin America since independence The opposing concepts of modernization theory and Dependency Theory can be seen to be playing out within the field of legal transformation as some legal analysts define law as a closed formal rational system and others see law as inseparable from economic social and political change Legal experiments have followed these trends in some cases using legal instruments to guarantee classical civil and political rights and in others demanding radical transformation of existing legal structures This book traces these debates across the key topics of economic development and foreign investment property resource and power distribution in terms of gender and social policy Drawing on a wide range of literature the book adds complexity and color to our understanding of these themes in Latin America This insightful exploration of comparative law within Latin America provides the tools needed to understand legal transformation in the region and as such will be of interest to researchers within law political sociology development and Latin American studies *Kinship, Love, and Life Cycle in Contemporary Havana, Cuba* Heidi Härkönen,2016-04-21 Kinship Love and Life Cycle in Contemporary Havana Cuba is an ethnographic analysis of gender kinship and love in contemporary Cuba The book documents how low income Havana residents negotiate their social relations through gendered caring practices over the life cycle from birth to death **Viral Loads** Lenore Manderson,Nancy J. Burke,Ayo Wahlberg,2021-09-20 Drawing upon the empirical scholarship and research expertise of contributors from all settled continents and from diverse life settings and economies Viral Loads illustrates how the COVID 19 pandemic and responses to it lay bare and load onto people s lived

realities in countries around the world A crosscutting theme pertains to how social unevenness and gross economic disparities are shaping global and local responses to the pandemic and illustrate the effects of both the virus and efforts to contain it in ways that amplify these inequalities At the same time the contributions highlight the nature of contemporary social life including virtual communication the nature of communities neoliberalism and contemporary political economies and the shifting nature of nation states and the role of government Over half of the world s population has been affected by restrictions of movement with physical distancing requirements and self isolation recommendations impacting profoundly on everyday life but also on the economy resulting also in turn with dramatic shifts in the economy and in mass unemployment By reflecting on how the pandemic has interrupted daily lives state infrastructures and healthcare systems the contributing authors in this volume mobilise anthropological theories and concepts to locate the pandemic in a highly connected and exceedingly unequal world The book is ambitious in its scope spanning the entire globe and daring in its insistence that medical anthropology must be a part of the growing calls to build a new world

A Companion to Medical Anthropology
Merrill Singer, Pamela I. Erickson, César E. Abadía-Barrero, 2022-03-01 The fully revised new edition of the defining reference work in the field of medical anthropology A Companion to Medical Anthropology Second Edition provides the most complete account of the key issues and debates in this dynamic rapidly growing field Bringing together contributions by leading international authorities in medical anthropology this comprehensive reference work presents critical assessments and interpretations of a wide range of topical themes including global and environmental health political violence and war poverty malnutrition substance abuse reproductive health and infectious diseases Throughout the text readers explore the global historical and political factors that continue to influence how health and illness are experienced and understood The second edition is fully updated to reflect current controversies and significant new developments in the anthropology of health and related fields More than twenty new and revised articles address research areas including war and health illicit drug abuse climate change and health colonialism and modern biomedicine activist led research syndemics ethnomedicines biocommunicability COVID 19 and many others Highlighting the impact medical anthropologists have on global health care policy and practice A Companion to Medical Anthropology Second Edition Features specially commissioned articles by medical anthropologists working in communities worldwide Discusses future trends and emerging research areas in the field Describes biocultural approaches to health and illness and research design and methods in applied medical anthropology Addresses topics including chronic diseases rising levels of inequality war and health migration and health nutritional health self medication and end of life care Part of the acclaimed Wiley Blackwell Companions to Anthropology series A Companion to Medical Anthropology Second Edition remains an indispensable resource for medical anthropologists as well as an excellent textbook for courses in medical anthropology ethnomedicine global health care and medical policy

Laboring for the State Rachel Hynson, 2020-01-23 The Cuban revolutionary government engaged in social engineering to redefine the

nuclear family and organize citizens to serve the state

Contextualizing Health and Aging in the Americas William A. Vega, Jacqueline L. Angel, Luis Miguel F. Gutiérrez Robledo, Kyriakos S. Markides, 2018-09-22 This book presents new insights into the consequences of the impending growth in and impact of the older segment of Latino aging adults across distinctive regions of the Americas It uses a comparative research framework to further understanding of current issues in health and aging in the transnational context of the health and migratory experiences of the U S Mexican population It provides an important contribution to the interdisciplinary investigation of chronic diseases and functional impairments social care and medical services care giving and intervention development and neighborhood factors supporting optimal aging using new conceptual and methodological approaches inter group comparisons Specifically the chapters employ different methodologies that investigate trends in aging health and services related to immigration processes family and household structure macroeconomic changes in the quality of community life and focus on the new realities of aging in Latino families in local communities The book focuses on measurement data quality issues new conceptual modeling techniques and longitudinal survey capabilities and suggests needed areas of new research As such it is of interest to researchers and policy makers in a wide range of disciplines from social and behavioral sciences to economics gerontology geriatrics and public health

A Short History of Revolutionary Cuba Antoni Kapcia, 2020-12-24 Few island nations have stirred the soul like Cuba From Hemingway s intoxicating Havana to Ry Cooder s Buena Vista Social Club outsiders have persistently been fascinated by Cuba for its music jazz to rumba its rich literature its art and dance danz n to mambo and perhaps above all for its bold experiment of a socialist revolution in action Antoni Kapcia shows how the thaw in relations between Cuba and the USA now makes a fresh appraisal of the country and its modern history essential He authoritatively explores the essence of the Cuban revolution revealing it to be a maverick phenomenon tied not so much to socialism or Communism for their own sakes but instead to an idealistic vision of postcolonial nationalism Reassessing the Cuban Missile Crisis of 1962 the author examines the central personalities not just the famous trio of Che Guevara Fidel and Ra l Castro in shaping the ideas of the revolution but still further back the visionary ideology of Jos Mart Kapcia s book reflects on the future of the revolution as a l nd his government began to cede power to a new generation

Black Women in Latin America and the Caribbean Melanie A. Medeiros, Keisha-Khan Y. Perry, 2023-08-11 *Black Women in Latin America and the Caribbean* Critical Research and Perspectives employs an intersectional and interdisciplinary approach to examine Black cisgender women s social cultural economic and political experiences in Latin America and the Caribbean It presents critical empirical research emphasizing Black women s innovative theoretical and methodological approaches to activism and class based gendered racism and Black politics While there are a few single authored books focused on Black women in Latin American and Caribbean the vast majority of the scholarship on Black women in Latin America and the Caribbean has been published as theses dissertations articles and book chapters This volume situates these social and political analyses as interrelated and dialogic and

contributes a transnational perspective to contemporary conversations surrounding the continued relevance of Black women as a category of social science inquiry. Many of the contributing authors are from Latin American and Caribbean countries reflecting a commitment to representing the valuable observations and lived experiences of scholars from this region. When read together, the chapters offer a hemispheric framework for understanding the lasting legacies of colonialism, transatlantic slavery, plantation life, and persistent socio-economic and cultural violence.

Cuba (Winner of the Pulitzer Prize) Ada Ferrer, 2022-06-28. Proporcionado por el ed. In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016 and the retirement of his brother and successor Raúl Castro in 2021 have spurred questions about the country's future. Meanwhile, politics in Washington, Barack Obama's opening to the island, Donald Trump's reversal of that policy, and the election of Joe Biden have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an ambitious chronicle written for an era that demands a new reckoning with the island's past. Spanning more than five centuries, *Cuba: An American History* reveals the evolution of the modern nation with its dramatic record of conquest and colonization, slavery and freedom, independence and revolutions made and unmade. Along the way, Ferrer explores the influence of the United States on Cuba and the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba. Filled with rousing stories and characters and drawing on more than thirty years of research in Cuba, Spain, and the United States, as well as the author's own extensive travel to the island over the same period, this is a stunning and monumental account like no other.

An Open Secret Natalie L. Kimball, 2020-06-12. *An Open Secret* traces the history of women's experiences with unwanted pregnancy and abortion in La Paz and El Alto, Bolivia, between the early 1950s and 2010. It finds that women's personal reproductive experiences contributed to shaping policies and services in reproductive health care.

State of Health Amy Cooper, 2019-04-02. *State of Health* takes readers inside one of the most controversial regimes of the twenty-first century: Venezuela under Hugo Chávez, for a revealing description of how people's lives changed for the better as the state began reorganizing society. With lively and accessible storytelling, Amy Cooper chronicles the pleasure people experienced accessing government health care and improving their quality of life. From personalized doctor's visits to therapeutic dance classes, new health care programs provided more than medical services. *State of Health* offers a unique perspective on the significance of the Bolivarian Revolution for ordinary people, demonstrating how the transformed health system succeeded in exciting people and recognizing historically marginalized Venezuelans as bodies who mattered.

Historical Dictionary of Cuba Antoni Kapcia, 2022-04-25. This work is a completely new *Historical Dictionary* for Cuba, the first since 1988. It gives a comprehensive and detailed coverage and analysis of all of

the key elements factors biographies narratives and treaties in Cuban history from the 1400s to the present day with an emphasis on the decades after 1959 Historical Dictionary of Cuba Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Cuba Aging and Generations in Cuba Blandine

Destremau-Zeitz,2023-04-17 Based on a twelve year ethnographic study in Havana and rural areas this book examines the current crisis of eldercare in Cuba underpinned by advanced demographic aging With great humanity and a lively narrative Destremau Zeitz shows how intergenerational households enact interdependency and solidarity in response to the many complexities of daily life and a protracted economic crisis Beyond the multidimensional crisis of care the author argues that Cuba is facing a crisis of social reproduction that appears specific to ex socialist countries but holds lessons for many of the world s developed nations as well *Maternal Death and Pregnancy-Related Morbidity Among Indigenous Women of Mexico and Central America* David A. Schwartz,2018-05-31

This ambitious sourcebook surveys both the traditional basis for and the present state of indigenous women s reproductive health in Mexico and Central America Noted practitioners specialists and researchers take an interdisciplinary approach to analyze the multiple barriers for access and care to indigenous women that had been complicated by longstanding gender inequities poverty stigmatization lack of education war obstetrical violence and differences in language and customs all of which contribute to unnecessary maternal morbidity and mortality Emphasis is placed on indigenous cultures and folkways from traditional midwives and birth attendants to indigenous botanical medication and traditional healing and spiritual practices and how they may effectively coexist with modern biomedical care Throughout these chapters the main theme is clear the rights of indigenous women to culturally respective reproductive health care and a successful pregnancy leading to the birth of healthy children A sampling of the topics Motherhood and modernization in a Yucatec village Maternal morbidity and mortality in Honduran Miskito communities Solitary birth and maternal mortality among the Rar muri of Northern Mexico Maternal morbidity and mortality in the rural Trifino region of Guatemala The traditional Ng be Bugl midwives of Panama Characterizations of maternal death among Mayan women in Yucatan Mexico Unintended pregnancy unsafe abortion and unmet need in Guatemala Maternal Death and Pregnancy Related Morbidity Among Indigenous Women of Mexico and Central America is designed for anthropologists and other social scientists physicians nurses and midwives public health specialists epidemiologists global health workers international aid organizations and NGOs governmental agencies administrators policy makers and others involved in the planning and implementation of maternal and reproductive health care of indigenous women in Mexico and Central America and possibly other geographical areas Hierarchies at Home Anasa Hicks,2022-08-25 Hierarchies at Home traces the experiences of Cuban domestic workers from the abolition of slavery through the 1959 revolution Domestic service childcare cleaning

chauffeur for private homes was both ubiquitous and ignored as formal labor in Cuba a phenomenon made possible because of who supposedly performed it In Cuban imagery domestic workers were almost always black women and their supposed prevalence in domestic service perpetuated the myth of racial harmony African descended domestic workers were like one of the family just as enslaved Cubans had supposedly been part of the families who owned them before slavery's abolition This fascinating work challenges this myth revealing how domestic workers consistently rejected their invisibility throughout the twentieth century By following a group marginalized by racialized and gendered assumptions Anasa Hicks destabilizes traditional analyses on Cuban history instead offering a continuous narrative that connects pre and post revolutionary Cuba

Unequal Coverage Jessica M. Mulligan, Heide Castañeda, 2018 The Affordable Care Act set off an unprecedented wave of health insurance enrollment as the most sweeping overhaul of the U S health insurance system since 1965 In the years since its enactment some 20 million uninsured Americans gained access to coverage And yet the law remained unpopular and politically vulnerable While the ACA extended social protections to some groups its implementation was troubled and the act itself created new forms of exclusion Access to affordable coverage options were highly segmented by state of residence income and citizenship status *Unequal Coverage* documents the everyday experiences of individuals and families across the U S as they attempted to access coverage and care in the five years following the passage of the ACA It argues that while the Affordable Care Act succeeded in expanding access to care it did so unevenly ultimately also generating inequality and stratification The volume investigates the outcomes of the ACA in communities throughout the country and provides up close intimate portraits of individuals and groups trying to access and provide health care for both the newly insured and those who remain uncovered The contributors use the ACA as a lens to examine more broadly how social welfare policies in a multiracial and multiethnic democracy purport to be inclusive while simultaneously embracing certain kinds of exclusions Publisher's website

Conceiving Cuba Reproduction Women And The State In The Post Soviet Era Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Conceiving Cuba Reproduction Women And The State In The Post Soviet Era free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Conceiving Cuba Reproduction Women And The State In The Post Soviet Era free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Conceiving Cuba Reproduction Women And The State In The Post Soviet Era free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its

essential to be cautious and verify the authenticity of the source before downloading Conceiving Cuba Reproduction Women And The State In The Post Soviet Era. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Conceiving Cuba Reproduction Women And The State In The Post Soviet Era any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Conceiving Cuba Reproduction Women And The State In The Post Soviet Era Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Conceiving Cuba Reproduction Women And The State In The Post Soviet Era is one of the best book in our library for free trial. We provide copy of Conceiving Cuba Reproduction Women And The State In The Post Soviet Era in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Conceiving Cuba Reproduction Women And The State In The Post Soviet Era. Where to download Conceiving Cuba Reproduction Women And The State In The Post Soviet Era online for free? Are you looking for Conceiving Cuba Reproduction Women And The State In The Post Soviet Era PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Conceiving Cuba Reproduction Women And The State In The Post Soviet Era. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Conceiving Cuba Reproduction Women And The State In The Post Soviet Era

are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Conceiving Cuba Reproduction Women And The State In The Post Soviet Era. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Conceiving Cuba Reproduction Women And The State In The Post Soviet Era To get started finding Conceiving Cuba Reproduction Women And The State In The Post Soviet Era, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Conceiving Cuba Reproduction Women And The State In The Post Soviet Era So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Conceiving Cuba Reproduction Women And The State In The Post Soviet Era. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Conceiving Cuba Reproduction Women And The State In The Post Soviet Era, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Conceiving Cuba Reproduction Women And The State In The Post Soviet Era is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Conceiving Cuba Reproduction Women And The State In The Post Soviet Era is universally compatible with any devices to read.
