Winston Morris, Lloyd E. Colson, 2012-08-09 Conducting and Rehearsing the Instrumental Music Ensemble is the most comprehensive guide on the rehearsal process for conducting instrumental music ensembles Ideal for the advanced instrumental music conductor seeking to look beyond basic conducting technique this work breaks the multidimensional activity of working with an ensemble orchestra or band into its constituent components Advanced students of conducting will find within the full range of conducting activities Chapters on the infrastructure of the rehearsal the rehearsal environment 10 rehearsal essentials score study music imagery inner singing and rehearsal procedures with an emphasis on an integrated approach to rehearsing The technical priorities of intonation and tuning rhythm patterns ensemble sonority tone balance blend color and texture and articulation The musical priorities of tempo and ensemble

precision phrasing and the musical line style and interpretation dynamics and musical expression Emphasizing the expectations of 21st century conductors the challenges of conducting and rehearsing contemporary music preparing conductor profiles and self evaluations and moving from the rehearsal process to concert performance Conducting and Rehearsing the Instrumental Music Ensemble is a great resource for teachers and students of conducting as well as current conductors wishing to further hone their skills **Library of Congress Catalog** Library of Congress,1971 A cumulative list of works represented by Library of Congress printed cards *T.U.B.A. Journal* Tubists Universal Brotherhood Association,2000 **Bassoon Concerto No. 2** Ludwig Milde,1969 **Score and I.M.A. Magazine** ,1955 **The Score** ,1955 **Boston Symphony Orchestra** Boston Symphony Orchestra,1974 *Sonata no. 2 in D for trumpet, strings, and continuo* Domenico Gabrielli,1968 *The British Catalogue of Music* ,2002 **ITA Journal** ,1999 *Rehearsing* John F. Colson,2015-07-09 Following on the heels of his *Conducting and Rehearsing the Instrumental Music Ensemble* John F Colson takes students to the next level in conducting practice with *Rehearsing Critical Connections for the Instrumental Music Conductor* Colson draws together the critical connections for those seeking to become fully capable and self assured instrumental music conductors As he argues too often conductor training programs treat the problems and challenges of the rehearsal perhaps the single most critical element in any effort to achieve competency as a conductor as secondary Colson supplies the missing link for conductors looking for advice that allows them to complete their training for reaching complete competency as a conductor He demonstrates throughout the specific connections that the advanced conductor must know and regularly employ connections that few if any other works on the art of conducting address or bring together One connection for example illustrates the joining of music imagery inner singing and conducting technique to score study Throughout these connections describe the nitty gritty of what it really takes to stand up in front of an instrumental music ensemble and successfully rehearse in order to achieve its highest performance level Also Colson argues and demonstrates the pitfalls of the commonly mistaken assumption among instrumental music conductors that score study alone is sufficient to prepare them for the rehearsal process This grave error is regularly belied by the fact that a number of other steps precede the actual rehearsal process from the use of instrumental pedagogy during the rehearsal process to teaching through performance concepts Colson s work addresses the entire rehearsing process thoroughly and authoritatively *The Annual Obituary* ,1985
