Conditional Futurism James Goetz,2012-01-11 Conditional Futurism introduces a new perspective of end time theology eschatology The book holds to Christian futurism while integrating the Apocalypse of John with the conditional dynamics of prophecy taught in Jeremiah Ezekiel Daniel and various other books throughout the Old Testament The new paradigm concludes that the final antichrist also known as the man of lawlessness the beast and the eighth king may read the apocalyptic prophecy of his doom while deciding instead to repent of evil and turn to the Lord which is a biblical option that would fulfill the divine purposes of the apocalypse This cutting edge scholarship also develops new biblical models of angels appearing as humans the descent of Christ into hell and the kings in Revelation that incorporate with this end time theology that encourages hope in all circumstances

Bad Faith Tom Drake-Brockman,2019-01-18 Jesus was murdered by the Jewish religious leaders whose power base was the temple of Jerusalem Saul of Tarsus later the Paul of Christianity was one of these and his brand of faith theology mirrored their theology of covenantal entitlement Thus Christianity's basic theological principles derive from those who killed Jesus This is just one of many challenging propositions backed with strong evidence that appear in this book Jesus like most Jews was attuned to faithfulness rather than pure faith to ethical behavior based on human empathy rather than metaphysical beliefs and rituals The central focus of Jesus was hesed the heart of the Jewish covenant with God which linked God's mercy to human compassion and forgiveness making both mutually interactive This hesed forgiveness was anathema to the temple's faux forgiveness and threatened its very existence Therefore Jesus came not to save us but to show us how to save ourselves Reinterpreting a key parable of Jesus in this light the Parable of the Tares Jesus can be most plausibly understood as an incarnation of Adam the original prototype human who God in Genesis appointed to oversee his creation and guide our spiritual evolution His mission was not about any sacrificial death but about establishing the spiritual humanism of Judaism hesed as the central purpose of human existence

Jesus the Everlasting Hope of Humankind Don Eckhart,2018-09-17 Jesus the Everlasting Hope of Humankind Biblical Theology Prompted by Visions and Dreams from the Holy Spirit begins with a vision that came to Don Eckhart of two persons one a Spirit filled Christian and the other in the lake

of fire The vision depicts Jesus saving the desperate one crying out for mercy Eckhart enrolled in seminary where he studied the Bible and the history of Christian theology especially eternal punishment a topic seldom examined since Augustine in the fifth century Uniquely unfolding in the book are visions and dreams prompting an insightful study of Scripture and a biblical theology developed as the hope of Christ mediated salvation for all The effects are far reaching but not complicated This coherent theology includes afterlife correction and purification for nonbelievers as well as for believers who never fully devoted to Jesus Christ This purification compares to Catherine of Genoa s vision in the early sixteenth century The book demonstrates how God s desire that all be saved can be accomplished according to Scripture God s sovereignty and human free will coalesce as every tongue joyfully confesses that Jesus Christ is Lord The Good News may be even better than we thought

Conversion and Church ,2016-05-23 Conversion is an important characteristic of religious renewal and of the dialogue between churches and religious believers In the Roman Catholic Church conversion has played a significant role in ecumenical dialogue recently It has become a challenge for the Church as a whole instead of a call to individual believers alone The contributors of this volume explore the different aspects of conversion in the history of theology in the developments during and after the Second Vatican Council in the Ignatian tradition and in several ecclesial groups that have explored the opportunities of the ongoing renewal of the churches Contributors are Andr Birmel Inigo Bocken Erik Borgman Catherine Clifford Peter De Mey Adelbert Denaux Eugene Duffy Stephan van Erp Joep van Gennip Thomas Green Wiel Logister Annemarie Mayer Jos Moons Marcel Sarot Karim Schelkens Nico Schreurs Matthias Smalbrugge and Arnold Smeets

The Apostles' Creed 'He Descended Into Hell' ,2018-08-07 Though the number of Christians in Western societies is declining many areas of our daily life are still influenced by Christian thoughts expressions and images sometimes without people being aware of it This volume is about Christ s descent into hell as it appears in The Apostles Creed He descended into hell the Apostles Creed professes But what are Christians who recite this Creed supposed to believe in when they profess their faith in the descent into hell Or to put the same question more poignantly what is at stake if people deny the descent Would it make any difference if we did not believe in the descent How did the early Church interpret this belief What influence has this article of faith had on contemporary theology and culture Starting with a biblical view the volume covers the history of theology by discussing the ideas of Augustine the liturgy of the Early Church the role of Christ s decent in Franciscan spirituality and in the theology of Thomas Aquinas It also asks whether similar theological ideas are present in Judaism In addition it gauges the meaning of Christ s descent for today by reflecting on pastoral activities and on computer games The volume concludes with a fundamental theological reflection which systematises and summarises all the material presented in this volume These and other questions are discussed by theologians against the background of various disciplines Biblical Studies History of the Liturgy Jewish Studies History of Theology History of Spirituality Practical Theology Cultural Theology and Systematic Theology Contributors are Frank Bosman Toke Elshof Paul van Geest Harm Goris

Marcel Poorthuis Gerard Rouwhorst Marcel Sarot William Marie Speelman and Archibald van Wieringen End Times Prophecy Roy W. Abernethy, 2017-03-28 Understanding biblical prophecy requires an open and flexible mind based on a cohesive and contextual understanding of the Bible When Roy W Abernethy first began studying the end times forty one years ago he was coming from the vantage point of only one view He soon realized there were several views to consider and in time he switched his view to one he felt was closer to the ultimate truth However the more he studied the more details came to light and he once again modified his view Today his anchor is on a short chain ready to pull up in a moment of new discoveries While Abernethy now ascribes to a detailed pre millennial post tribulation single advent model he wrote End Times Prophecy to assist others in understanding the nuances of all three major views Preterism Historicism and Futurism In End Times Prophecy you can benefit from Abernethy s forty plus years of study come to your own conclusions and have the knowledge needed to defend and support those conclusions End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5 **The Time Is Fulfilled, End-Time Prophecy Has Already Started to Happen** Dennis

Callen, 2022-06-24 The Time Is Fulfilled End Time Prophecy Has Already Started to Happen Here s What s Coming Next Dennis Callen had a visitation twice by the presence of the Lord a few years ago very early in the morning At that time the Lord revealed the correct and current interpretation of end time prophecy much of which is not the same as is taught today Of all the books brother Callen has written this book was the most unique for him in that he says it was like taking dictation from the Holy Spirit and not just writing it from his own understanding research or opinion This is one book that will bring the reader up to date with current events as the end time prophecy has recently played out and will show you the exact day

the tribulation will start for the time is at hand This book is Not a repeat of what has already been written by other writers In fact you will find it to be completely different Five out of five stars scripturally accurate and easy to read and understand Reviewed in the United States on August 10 2019 Most end time prophecy books I have read all say the same things A lot of them are private interpretations which 2 Peter 1 20 says we should stay away from This book uses scripture to interpret scripture I have never read anything like this before It all makes biblical sense to me I can see how the seals have been opened already The results of the seals are on the television news almost every day The Bible says we are to be simple concerning evil Romans 16 19 So if the book of Revelation is about the tribulation only and all the evil that would take place after we are gone then this would violate Romans 16 19 However the book of Revelation is first about setting the stage for the move of God in the greatest revival the world has ever seen plus the coming wrath of God found in Revelation chapter 16 I don t know of any other book that is as accurate and exciting to read as this book You can tell it has the same feel as reading the Bible Every Christian needs to read this book I highly recommend it The book of revelation is taken verse by verse with a clear easy to understand explanation Of all the books that are out there this is the only one I recommend highly
