J. Patton Anderson, Confederate General James W. Raab, 2014-11-18 J Patton Anderson was from Florida the seceding state that was referred to as the tadpole

of the Confederate states but nevertheless he was one of the Confederacy's great military leaders. Anderson oversaw a large plantation, Casa Bianca, and his views meshed with secessionist views sufficiently for him to be elected as a delegate to the Secession Conference held in Montgomery, Alabama. After Florida seceded, President Davis appointed Anderson as a Brigadier General. Anderson engaged the enemy in the Western theater for four years under his mentor General Braxton Bragg, who advanced him to Major General in command of the District of Florida. This is a complete biography of Anderson's life including his service in the Mexican War, his appointment as United States Marshal to the distant Washington Territory, his adventure with his wife Etta Adair of taking the 1853 Washington Territory census by canoe, his election as territorial delegate to Washington City, and his entire Civil War service. J. Patton and Etta Anderson's affectionate correspondence is an important aspect of this biography, revealing what it was like to be alive at this time and what it took to keep their family intact. Confederate Military History: Johnson, B. T.; Maryland. White, Robert; West Virginia Clement Anselm Evans, 1899

General Lloyd Tilghman, 1816-1863, CSA James W. Raab, 1999 **American Biography**, 1927 **Confederate Military History - Maryland** Brig. Gen. Bradley T. Johnson, 2017-03-06 The writer of the following sketch does not attempt in the space assigned him to give a complete history of the various commands of Maryland who for four years did gallant and noble service. A faithful record of their names alone would fill the pages of a volume and to write a history of their marches and battles, their wounds and suffering, their willing sacrifices would demand more accurate knowledge, more time and more ability than the author of this sketch can command. He trusts that in this brief history which follows he has been able to show that Maryland did her duty to herself and did it nobly. Gen. Bradley T. Johnson, the gallant organizer and leader of the Maryland Line, distinguished in many of the battles of the army of Virginia, one of the most brilliant regimental and brigade commanders under Stonewall Jackson and Robert E. Lee, and for a time in command of division, is the author of the military history of Maryland. *Confederate Military History* Clement Anselm Evans, 1899 **Civil War Biographies from the Western Waters** Myron J. Smith, Jr., 2015-01-28 From 1861 to 1865 the Civil War raged along the great rivers of the Ohio and Mississippi valleys. While various Civil War biographies exist, none have been devoted exclusively to participants in the Western river war as waged down the Mississippi to the mouth of the Red River and up the Ohio, the Tennessee, and the Cumberland. Based on the Official Records, county histories, newspapers, and internet sources, this is the first work to profile personnel involved in the fighting on these great streams. Included in this biographical encyclopedia are Union and Confederate naval officers down to the rank of mate, enlisted sailors who won the Medal of Honor or otherwise distinguished themselves, or who wrote accounts of life on the gunboats, army officers and leaders who played a direct role in combat along Western waters, political officials who influenced river operations, civilian steamboat captains and pilots who participated in wartime logistics, and civilian contractors directly involved, including shipbuilders, dam builders, naval constructors, and munitions experts. Each of the biographies includes where known birth, death, and residence data, unit organization, or ship

involvement in the river war pre and post war careers and source documentation Hundreds of individuals are given their first historic recognition **General Lloyd Tilghman Biography** , **The Union Cavalry and the Chickamauga Campaign** Dennis W. Belcher,2018-08-15 During the Chickamauga Campaign General Stanley s two Union cavalry divisions battled Forrest s and Wheeler s cavalry corps in some of the most difficult terrain for mounted operations The Federal troopers commanded by Crook and McCook guarded the flanks of the advance on Chattanooga secured the crossing of the Tennessee River then pushed into enemy territory The battle exploded on September 18 as Col Minty and Col Wilder held off a determined attack by Confederate infantry The fighting along Chickamauga Creek included notable actions at Glass Mill and Cooper s Gap Union cavalry dogged Wheeler s forces throughout Tennessee The Union troopers fought under conditions so dusty they could hardly see leading the infantry through the second costliest battle of the war **Kentuckians in Gray** Bruce S. Allardice, Lawrence Lee Hewitt,2014-10-17 Perhaps more than any other citizens of the nation Kentuckians held conflicted loyalties during the American Civil War As a border state Kentucky was largely pro slavery but had an economy tied as much to the North as to the South State government officials tried to keep Kentucky neutral hoping to play a lead role in compromise efforts between the Union and the Confederacy but that stance failed to satisfy supporters of both sides all of whom considered the state s backing crucial to victory President Abraham Lincoln is reported to have once remarked I hope to have God on my side but I must have Kentucky Kentucky did side with Lincoln officially aligning itself with the Union in 1861 But the conflicted loyalties of Kentucky s citizens continued to impact the state s role in the Civil War When forced to choose between North and South Kentuckians made the choice as individuals Many men opted to fight for the Confederate army where a great number of them rose to high ranks With Kentuckians in Gray Confederate Generals and Field Officers of the Bluegrass State editors Bruce S Allardice and Lawrence Lee Hewitt present a volume that examines the lives of these gray clad warriors Some of the Kentuckians to serve as Confederate generals are well recognized in state history such as John Hunt Morgan John Bell Hood and Albert Sidney Johnston However as the Civil War slips further and further into the past many other Confederate leaders from the Commonwealth have been forgotten Kentuckians in Gray contains full biographies of thirty nine Confederate generals Its principal subjects are native Kentuckians or commanders of brigades of Kentucky troops such as Morgan The first complete reference source of its type on Kentucky Civil War history the book contains the most definitive biographies of these generals ever assembled as well as short biographical sketches on every field officer to serve in a Kentucky unit This comprehensive collection recognizes Kentucky s pivotal role in the War between the States imparting the histories of men who fought brother against brother more than any other set of military leaders Kentuckians in Gray is an invaluable resource for researchers and enthusiasts of Kentucky history and the American Civil War **The Lost Cause** ,1901 **Shiloh and the Western Campaign of 1862** O. Edward Cunningham,2009-06-25 May well be the best most perceptive and authoritative account of the Battle of Shiloh The Weekly Standard The bloody and

decisive two day battle of Shiloh on April 6 7 1862 changed the entire course of the American Civil War The stunning Northern victory thrust Union commander Ulysses S Grant into the national spotlight claimed the life of Confederate commander Albert S Johnston and forever buried the notion that the Civil War would be a short conflict The conflagration had its roots in the strong Union advance during the winter of 1861 1862 that resulted in the capture of Forts Henry and Donelson in Tennessee The offensive collapsed General Johnston s advanced line in Kentucky and forced him to withdraw all the way to northern Mississippi Anxious to attack the enemy Johnston began concentrating Southern forces at Corinth a major railroad center just below the Tennessee border His bold plan called for his Army of the Mississippi to march north and destroy General Grant s Army of the Tennessee before it could link up with another Union army on the way to join him On the morning of April 6 Johnston boasted to his subordinates Tonight we will water our horses in the Tennessee They nearly did so Johnston s sweeping attack hit the unsuspecting Federal camps at Pittsburg Landing and routed the enemy from position after position as they fell back toward the Tennessee River Johnston s death in the Peach Orchard however coupled with stubborn Federal resistance widespread confusion and Grant s dogged determination to hold the field saved the Union army from destruction The arrival of General Don C Buell s reinforcements that night turned the tide of battle The next day Grant seized the initiative and attacked driving the Confederates from the field Shiloh was one of the bloodiest battles of the entire war with nearly 24 000 killed wounded and missing Edward Cunningham a young Ph D candidate researched and wrote Shiloh and the Western Campaign of 1862 in 1966 Though it remained unpublished many Shiloh experts and park rangers consider it the best overall examination of the battle ever written Indeed Shiloh historiography is just now catching up with Cunningham who was decades ahead of modern scholarship Now Western Civil War historians Gary Joiner and Timothy Smith have resurrected this beautifully written deeply researched manuscript from undeserved obscurity Fully edited and richly annotated with updated citations and observations original maps and a complete order of battle and table of losses it represents battle history at its finest
