**Making Dead Birds** Robert Gardner, 2007 Gardner s Dead Birds is one of the most highly acclaimed and controversial documentary films ever made This account of the process of making the movie is also a thoughtful examination of what it meant to record the rituals of warrior farmers in New Guinea and to present to the world a graphic story of their behavior as a window onto our own

**Body Genre** David Scott Diffrient, 2023-11-27 In this groundbreaking work author David Scott Diffrient explores largely understudied facets of cinematic horror from the various odors permeating classic and contemporary films to the wetness sliminess and stickiness of these productions which he argues practically scream out for a tactile mode of textural analysis as much as they call for

more traditional forms of textual analysis Dating back to Carol Clover's and Linda Williams's pioneering work on horror cinema film scholars have long conceptualized this once disreputable category of cultural production as a body genre However despite the growing recognition that horror serves important biological and social functions in our lives scholars have only scratched the surface of this genre with regard to its affective corporeal and sensorial appeals Diffrient anatomizes horror films in much the same way that a mad scientist might handle the body separating and recombining constitutive parts into a new analytical whole Further he challenges the tendency of scholars to privilege human over nonhuman beings and calls into question ableist assumptions about the centrality to horror films of sight and sound to the near exclusion of other forms of sense experience In addition to examining the role that animals living or dead real or fake play in human centered fictions this volume asks what it means for audiences to consume motion pictures in which actors stunt performers and other creative personnel have put their own bodies and lives at risk for our amusement Historically grounded and theoretically expansive **Body Genre Anatomy of the Horror Film** moves the study of cinematic horror into previously uncharted waters and breathes life into a subject that not coincidentally is intimately connected to breathing as our most cherished dividing line between life and death

**Clint Eastwood** John H. Foote, 2008-12-30 Now a two time Academy Award winner for best director twice winner of the Directors Guild of America Award for best director and recipient of countless other critics prizes and nominations in multiple capacities Clint Eastwood stands alongside Martin Scorsese and Steven Spielberg as one of the finest directors working in modern cinema Here John Foote examines the long impressive and unlikely film career of a man who fought against expectations to forge his own way and become one of this generation's finest filmmakers Each chapter examines a different film beginning with Play Misty for Me 1971 and High Plains Drifter 1973 and extending to his 21st century films Space Cowboys 2000 Blood Work 2002 Mystic River 2003 Million Dollar Baby 2004 Flags of Our Fathers 2006 Letters from Iwo Jima 2006 and Changeling 2008 This book is in the author's own words a study of how Eastwood managed to quietly get to this level and a celebration of his gifts as an artist Eastwood has evolved not only as a director but also as an actor a screenwriter a producer and a score composer to become one of the most revered figures in Hollywood Perhaps it is because he started out in Hollywood with such little influence on the final product that he now

demonstrates such a strong desire to collaborate with others and provide help wherever he can In addition to casting off his reputation as a hack and accumulating two Oscar nominations for Best Actor over the past 15 years he has guided other actors to no less than three Academy Award wins The executives love him because he has made them money over the years occasionally even making one for them in exchange for financial backing on other projects Critics love him because of the care he takes in creating his films Audiences love him because he has never lost his sense of entertainment even as his artistry has matured
