The Legal

Thriller from Gardner to Grisham Lars Ole Sauerberg, 2016-11-10 This book offers a critically informed yet relaxed historical overview of the legal thriller a unique contribution to crime fiction where most of the titles have been written by professionals such as lawyers and judges The legal thriller typically uses court trials as the suspense creating background for presenting legal issues reflecting a wide range of concerns from corporate conflicts to private concerns all in a dramatic but highly informed manner With authors primarily from the USA and the UK the genre is one which nonetheless enjoys a global

reading audience As well as providing a survey of the legal thriller this book takes a gender focused approach to analyzing recently published titles within the field It also argues for the fascination of the legal thriller both in the way its narrative pattern parallels that of an actual court trial and by the way it reflects frequently quite critically the concerns of contemporary society

Nothing But the Truth Marie Henein, 2022-10-04 INSTANT NATIONAL BESTSELLER A critically acclaimed intimate and no holds barred memoir by Canada's top defence lawyer Nothing But the Truth weaves Marie Henein's personal story with her strongly held views on society's most pressing issues Marie Henein arguably the most prominent lawyer in the country has written a memoir that is at once raw beautiful and altogether unforgettable Her story as an immigrant from a tight knit Egyptian Lebanese family demonstrates the value of strong role models from her mother and grandmother to her brilliant uncle Sami who died of AIDS She learned the value of hard work being true to herself and others and unapologetically owning it all Marie Henein shares here her unvarnished view on the ethical and practical implications of being a criminal lawyer and how the job is misunderstood and even demonized Ironically her most successful cases made her a lightning rod in some circles confirming her belief that much of the public's understanding of democracy and the justice system is based on popular culture and social media and decidedly not the rule of law As she turns fifty and struggles with the corrosive effect becoming invisible has on women Marie doubles down on being even more highly visible and opinionated as she deconstructs among other things the otherness of the immigrant experience Where are you really from the pros and cons of being a household name in this country opening her own boutique law firm and the commoditization of women's previously unpaid labour popularized by the likes of Martha Stewart Nothing But the Truth is refreshingly unconstrained and surprising an account by a woman at the top of her game in a male dominated world
